CDOT Region 2 Right of Way

The Woodmen Road Corridor Improvements, Phase II ("Project"), require the City of Colorado Springs ("City") to acquire interests in real property from William A. Hadl ("Owner"). The Owner's property is located on the northeast corner of Woodmen Road and Gail Place, in Colorado Springs. The Owner's property is legally described as Lot 17 in Block 3 in Columbine Estates according to the plat thereof recorded in Plat Book C 2 at Page 47, in El Paso County, and is further identified by El Paso County Assessor Parcel No. 6309010019. The Owner's property is zoned "R/cr" (single family residential estate/condition of record), containing a gross land area of 2.51 acres, more or less. The Owner's property is improved with a wood frame, 3,569 sf bi-level single family residential property. The vertical improvements are unaffected by the Project.

The parcels to be acquired by the City are: RW210, a partial acquisition in fee simple; PE-210, a permanent easement for the purpose of drainage ditch construction and maintenance; and TE210-REV1, a temporary easement for the purpose of access road construction and grading. The above referenced parcels are hereafter referred to as the Project Parcels.

Kyle L. Wigington, J.D., a certified general appraiser with Land Services, Inc., prepared an appraisal on behalf of the City to determine the value of the Project Parcels. The date of value of said appraisal was October 23, 2014 and the date of the report was October 24, 2014. Mr. Wigington's appraisal concluded a total value of the Project Parcels to be acquired of \$53,550. The breakdown of the approved fair market value is as follows:

Parcel RW210 (fee simple)	21,204 sf @ \$1.70/sf	= \$36,047.00
PE210 (permanent easement)	4,421 sf @ \$1.70/sf x 75%	= \$ 5,637.00
TE210-REV1 (temporary easement)	4,081 sf @ \$1.70/sf x 10%/annum	= \$ 694.00
Improvements		= \$11,150.00
Damages		= \$ <u>0.00</u>
TOTAL		= \$53,550.00 (R)

The City's appraisal was reviewed by CDOT, and the City's approved Fair Market Value was \$53,550.00, based upon said appraisal. The offer to acquire in the amount of \$53,550.00, dated January 21, 2015, was delivered to the owner and reviewed by an agent for TRS Corp.

The Owner obtained an independent appraisal from Richard Muegge MAI, whose appraised value of Project Parcels, improvements, and compensable damages was \$63,300.00. Each appraiser utilized sales of comparable vacant properties that sold within similar markets. The Owner's appraisal identifies incurable damages related proximity of the new access road.

Upon negotiations with the Owner, the Owner countered the City's offer requesting a settlement amount of \$59,000.00, or slightly above the mid-point of the two appraisals. The counter offer is approximately 10% above the approved offer amount. The unit value of the land and the improvement value between the appraisals are comparable. The Owner believes there will be a deduction in value to the residence, above the value of the part taken, for the reduction in setback to the public right of way.

The application of proximity damages is subjective, but the Owner's appraiser has attempted to quantify with paired sales and local expert opinions. A commission or jury may give proximity damages credence as presented. The settlement of \$59,000, as proposed, will resolve this matter amenable and within a relatively tight range of value between the appraisals. Furthermore, settlement will avert the costs to the City to update its appraisal and the Owner's appraisal, the costs for expert witnesses and consultants, and the time and legal costs associated with a condemnation. Accordingly, I recommend this settlement as reasonable, prudent, and in the public interest.

Accordingly, I recommend its approval by the City of Colorado Springs and the Colorado Department of Transportation.

- The variance from the FAIR MARKET VALUE appears substantial and the proposed settlement cannot be justified in accordance with Federal Aid Regulations. If settlement is made as proposed, \$ \_\_\_\_\_ of the amount of VARIANCE should be taken as non-participating.

## INSTRUCTIONS FOR COMPLETION OF THE RECOMMENDATION FOR SETTLEMENT (FORM 227)

This form is used to provide a self-explanatory narrative of all considerations that support a settlement. The relevant parcel details, factors considered in the settlement, and reasoning used in arriving at the settlement amount must be clearly explained.

The extent of the written recommendation must be consistent with the situation, circumstances and the consideration involved. The component parts of the settlement, land, improvements, real estate damages, fees and costs, etc., must be itemized to the greatest extent possible.

Recommendations for settlement of federal aid parcels must emphasize federal participating items. The participating items to be emphasized are the factors related to the acquisition value, real estate damages, sympathy for the owner, recent adverse awards in comparable cases and other related factors. Any portion of the increase attributable to nonparticipating items must be identified or estimated and handled as nonparticipating.

**PROJECT/PARCEL IDENTIFICATION:** The following information can be obtained from the legal documents, appraisal, Right of Way map, and the parcel file:

Managing Region	Parcel No.
Project No.	Owners Name
Project Code	Attorney Generals No.
DOT Attorney	County
Trial Date	Defense Attorney

**TYPE OF SETTLEMENT:** Identify the settlement type; Administrative Settlement, Legal Settlement, or other settlement.

**RECOMMENDED SETTLEMENT:** Each component part of the settlement must be itemized to the greatest extent possible. For all-inclusive settlement, if the actual amount attributed to each component cannot be documented, the negotiator must estimate a reasonable amount for each appropriate component based on all available information for the parcel and known amounts for similar parcels previously settled.

**SUPPORT DATA:** Any appraisal documentation or claims that have been provided by the Department or the owner must be identified in this section.

**SETTLEMENT JUSTIFICATION:** Provide a detailed explanation of why the settlement is recommended. The settlement justification must address specific details of the parcel and the basis of the counteroffer, including the criteria set forth in Chapter 10 of the Right of Way Manual, which support the settlement as being reasonable, prudent, and in the best public interest:

- Information contained in all available appraisal reports, including those of the owner;
- Substantial differences of opinion regarding valuation issues;
- Complexity of severance or other issues leading to uncertainty in value;
- Handling of legal issues in approved appraisals;
- Consideration of time to anticipated title transfer date;
- Credibility of expert witnesses;
- Likelihood of jury sympathy for the owner;
- Possibility of obtaining an unbiased jury;
- Recent court awards for eminent domain takings;
- Potential cost of litigation; and
- Other relevant information.

If the settlement includes a non-monetary benefit, an explanation and quantification of the benefit must be included. Fees and costs must be supported and be based on the requirements of Chapter 10 of the Right of Way Manual.

**RECOMMENDATION AND APPROVAL:** This section requires the signatures of the specialist or trial attorney recommending the settlement, concurrence and approval by the Region Right of Way Manager, as applicable, for settlements at the Region level. Settlements outside Region authority require recommendation of the Right of Way Manager in the Central Office and the Chief Engineer's approval. Approval authority must be granted in accordance with Chapter of the Right of Way Manual.

**RE:** Pikes Peak Rural Transportation Authority, Woodmen Road Improvements Phase II  
Offer Letter

Dear Property Owner:

The City of Colorado Springs ("City") in coordination with Pike Peak Rural Transportation Authority ("PPRTA") is proceeding with the Woodmen Road Improvement Phase II Project ("Project") and intends to purchase a portion of your property located at 7043 Gail Place and further identified as RW210, PE210 and TE210-REV1. The extent and the location of your property interests that we intend to purchase ("Property") are shown on the Exhibits attached hereto. The acquisition of the Property is required for the construction of improvements in connection with the Project.

This Project incorporates federal funding and the oversight of the property acquisition process is administered by the Colorado Department of Transportation ("CDOT"). The Project also includes local funding from PPRTA. Therefore, the City's property acquisition process will be in concert with the CDOT acquisition process.

As part of the acquisition process, you and the City obtained independent real estate appraisals of the Property from independent licensed appraisers, to determine the Fair Market Value of the Property. Based on these appraisals, the City offers to purchase the Property for the total purchase price of FIFTY-THREE THOUSAND FIVE HUNDRED FIFTY AND NO/100 DOLLARS (\$53,550.00).

This offer is being made in compliance with the City's *Procedure Manual for the Acquisition and Disposition of Real Property Interests* and in accordance with Colorado state law and regulations. The City has determined that \$53,550.00 is not less than the value of the Property indicated in the approved appraisal reports prepared by your and the City's independent licensed real estate appraisers and assumes the Property is free and clear of all hazardous materials and soil contamination, and encumbrances on title. Accompanying this letter is a *Summary Statement of Just Compensation* which shows the basis of the amount offered.

Accompanying this letter for your consideration is the City's:

- Real Estate Purchase Agreement
- Warranty Deed
- Permanent Public Improvement Easement
- Temporary Construction Agreement

The Purchase Agreement is the City's formal offer to purchase the Property and constitutes a legal instrument that becomes a legally binding contract for the sale and purchase of the Property once signed by both parties. The Warranty Deed, Permanent Public Improvement Easement and Temporary Construction Easement Agreement are the documents which convey the Property to the City. If this offer to purchase is acceptable, please execute the Purchase Agreement, Warranty Deed, Permanent Public Improvement Easement and Temporary Construction Easement Agreement along with the Request for Taxpayer Identification form (W-9) and the Third Party Authorization and Document Request Form, and return them in the enclosed self-addressed envelope to:

TRS Corp.  
2850 Serendipity Circle West, Suite 200  
Colorado Springs, CO 80917  
(719) 494-8067

Upon receipt of the signed documents and necessary approvals by the City/PPRTA, the purchase price will be paid into an escrow account with Land Title Guarantee Company (the "Title Company"). At such time we will coordinate with you to schedule a closing of the purchase of the Property. At closing, the Warranty Deed, Permanent Public Improvement Easement and Temporary Construction Easement Agreement will be executed and funds will be distributed to you by the Title Company. A copy of the recorded Warranty Deed and Permanent Public Improvement Easement will be sent to you after recording by the Title Company.

This offer to purchase the Property expires at 5:00 p.m. on February 20, 2015 (30 days). In the event of a failure to receive an acceptance or appropriate response to this offer, the City may return to the City Council for direction, as the City Council may find appropriate.

Please review the enclosed documents and should you have any questions, please contact me at (719) 494-8067 or email [jeff.perret@trscorp.us](mailto:jeff.perret@trscorp.us).

Thank you for your continued support and cooperation with this public transportation improvement project.

Sincerely,

Jeff Perret
