* * *

PREMISES: A distinct and definite location **with approved unique enumeration**, which may include a building, a part of a building, a room, or any other definite ~~contiguous~~ area **with internal contiguous access, which is under the exclusive possession and control by the licensee.**

2.2.104: LICENSE REQUIRED:

A. It shall be unlawful for any person to engage in the business of selling, growing, distributing, processing, infusing, **or testing** any medical marijuana within the City without valid City and State licenses as required by law.

* * *

D. Effective May 25, 2017, the local licensing authority shall not receive or act upon any application for a new medical marijuana center license.

E. Effective May 25, 2017, the local licensing authority shall not receive or act upon any application for a new medical marijuana optional premises cultivation or medical marijuana infused product manufacturer license unless the new license is to be co-located with an existing licensed medical marijuana establishment location with 100% common ownership and pursuant to the cumulative cap on licensed medical marijuana locations.

F. Effective May 25, 2017, the local licensing authority shall not receive or act upon any application for a change of location of any medical marijuana center,

medical marijuana optional premises cultivation facility, or medical marijuana infused product manufacturer license unless:

- 1. All other medical marijuana establishment licenses at the prior location also change location to the same new location; or**
- 2. The medical marijuana establishment license change of location is proposed to be to a location where other medical marijuana establishment license(s) currently exist that is 100% commonly owned by the licensee; or**
- 3. All other medical marijuana establishment licenses at the prior location are surrendered.**

G. If licenses for a medical marijuana location are surrendered or revoked, the cumulative cap on licensed medical marijuana locations shall be reduced accordingly. Any active, valid license may be transferred to another person meeting all of the requirements for licensure.

H. Medical marijuana testing facility licenses shall be capped at one licensed location for every one hundred (100) licensed medical marijuana locations that are subject to the cumulative cap on licensed medical marijuana locations set forth in sub-section 2.2.102.
