## ARTICLE II

### THE BONDS

#### **Section 2.01. Authorization, Terms, Payment, and Form of Bonds.**

(a) In accordance with the Constitution of the State; the Act; the Supplemental Act; the Election; and all other laws of the State thereunto enabling, there shall be issued the Bonds for the purposes hereinafter stated. The aggregate principal amount of the Bonds that may be authenticated and delivered under this Indenture is limited to and shall not exceed \$[3,485,000], except as provided in Section 2.06 and Section 2.09 hereof.

(b) The Bonds shall be issued only as fully registered Bonds without coupons in Authorized Denominations. Unless the District shall otherwise direct, the Bonds shall be numbered separately from 1 upward, with the number of each Bond preceded by “R-”

(c) The Bonds shall be dated as of the date of issuance, and shall mature on the dates and in the aggregate principal amounts, and shall bear interest at the rates per annum, set forth in the following table, such interest to be calculated on the basis of a 360-day year of twelve 30-day months, payable to the extent of Pledged Revenue available therefor semiannually on each June 1 and December 1, commencing on December 1, 2017:

<u>Principal Amount</u>	<u>Maturity Date</u>	<u>Interest Rate</u>
\$[3,485,000]	December 1, 2047	_____ %

(d) The maximum net effective interest rate authorized for this issue of Bonds pursuant to the Election is 12% per annum, and the actual net effective interest rate of the Bonds does not exceed such maximum rate. The maximum repayment costs of the Bonds do not exceed the limitations of the Election. The maximum annual debt service on the Bonds does not exceed the maximum annual tax increases authorized in the Election.

(e) The principal of and premium, if any, on the Bonds are payable in lawful money of the United States of America to the Owner of each Bond upon maturity or prior redemption and presentation at the principal office of the Trustee. The interest on any Bond is payable to the person in whose name such Bond is registered, at his address as it appears on the registration books maintained by or on behalf of the District by the Trustee, at the close of business on the Record Date, irrespective of any transfer or exchange of such Bond subsequent to such Record Date and prior to such Interest Payment Date; provided that any such interest not so timely paid or duly provided for shall cease to be payable to the person who is the Owner thereof at the close of business on the Record Date and shall be payable to the person who is the Owner thereof at the close of business on a Special Record Date for the payment of any such defaulted interest. Such Special Record Date shall be fixed by the Trustee whenever moneys become available for payment of the defaulted interest, and notice of the Special Record Date shall be given to the Owners of the Bonds not less than 10 days prior to the Special Record Date by first-class mail to each such Owner as shown on the registration books kept by the Trustee on a date selected by the Trustee. Such notice shall state the date of the Special Record Date and the date fixed for the payment of such defaulted interest.

(f) Interest payments shall be paid by check or draft of the Trustee mailed on or before the Interest Payment Date to the Owners. The Trustee may make payments of interest on any Bond by such alternative means as may be mutually agreed to between the Owner of such Bond and the Trustee; provided that the District shall not be required to make funds available to the Trustee prior to the dates on which such interest would otherwise be payable hereunder, nor to incur any expenses in connection with such alternative means of payment.

(g) To the extent principal of any Bond is not paid when due, such principal shall remain Outstanding until paid. To the extent interest on any Bond is not paid when

due, such interest shall compound semiannually on each Interest Payment Date, at the rate then borne by the Bond; provided however, that notwithstanding anything herein to the contrary, the District shall not be obligated to pay more than the amount permitted by law and the Election in repayment of the Bonds, including all payments of principal, premium if any, and interest, and all Bonds will be deemed defeased and no longer Outstanding upon the payment by the District of such amount.

(h) Subject to the provisions of this Indenture, the Bonds shall be in substantially the form set forth in Exhibit A attached hereto, with such variations, omissions, and insertions as may be required by the circumstances, be required or permitted by this Indenture, or be consistent with this Indenture and necessary or appropriate to conform to the rules and requirements of any governmental authority or any usage or requirement of law with respect thereto. The District may cause a copy of the text of the opinion of Bond Counsel to be printed on the Bonds. Pursuant to the recommendations promulgated by the Committee on Uniform Security Identification Procedures, "CUSIP" numbers may be printed on the Bonds. The Bonds may bear such other endorsement or legend satisfactory to the Trustee as may be required to conform to usage or law with respect thereto.

**Section 2.02. Purpose of Issuance of Bonds.** The Bonds are being issued for the purpose of: (a) paying the Project Costs, (b) paying capitalized interest on the Bonds, (c) funding the Reserve Fund, and (d) paying other costs in connection with the issuance of the Bonds.

**Section 2.03. Trustee as Paying Agent and Bond Registrar.**

(a) The Trustee shall perform the functions of paying agent and authenticating registrar with respect to the Bonds. The Trustee shall establish the registration books for the Bonds and thereafter maintain such books in accordance with the provisions hereof. The District shall cause the Underwriter to provide the Trustee with an initial registry of the Owners within a reasonable time prior to delivery of the Bonds. The District shall be permitted to review the registration books at any time during the regular business hours of the Trustee and, upon written request to the Trustee, shall be provided a copy of the list of Owners of the Bonds. Upon the termination of this Indenture, the Trustee shall promptly return such registration books to the District.

(b) The Trustee shall make payments of principal and interest on the Bonds on each date established herein for payment thereof, in the manner and from the sources set forth herein.

(c) The Trustee will register, exchange, or transfer (collectively, "transfer") the Bonds in the manner provided herein. The Trustee reserves the right to refuse to transfer any Bond until it is satisfied that the endorsement on the Bond is valid and genuine, and for that purpose it may require a guarantee of signature by a firm having membership in the Midwest, New York, or American Stock Exchange, or by a bank or trust company or firm approved by it. The Trustee also reserves the right to refuse to transfer any Bond until it is satisfied that the requested transfer is legally authorized, and

it shall incur no liability for any refusal in good faith to make a transfer which it, in its judgment, deems improper or unauthorized.

(d) The District shall furnish the Trustee with a sufficient supply of blank Bonds for the sole purpose of effecting transfers in accordance herewith and from time to time shall renew such supply upon the request of the Trustee. Blank Bonds shall be signed and sealed by the District in the manner set forth herein.

(e) In the event the District receives any notice or order which limits or prohibits dealing in the Bonds, it will immediately notify the Trustee of such notice or order and give a copy thereof to the Trustee.

(f) In any circumstances concerning the payment or registration of the Bonds not covered specifically by this Indenture, the Trustee shall act in accordance with federal and state banking laws and its normal procedures in such matters.

**Section 2.04. Execution of Bonds; Signatures.** The Bonds shall be executed on behalf of the District by the manual or facsimile signature of the President of the District, sealed with a manual impression or facsimile of its corporate seal, and attested by the manual or facsimile signature of the Secretary or Assistant Secretary of the District. In case any officer who shall have signed any of the Bonds shall cease to be such officer of the District before the Bonds have been authenticated by the Trustee or delivered or sold, such Bonds with the signatures thereto affixed may, nevertheless, be authenticated by the Trustee and delivered, and may be sold by the District, as though the person or persons who signed such Bonds had remained in office.

**Section 2.05. Persons Treated as Owners.** The District and the Trustee may treat the Owner of any Bond as the absolute owner of such Bond for the purpose of receiving payment thereof or on account thereof and for all other purposes, whether or not such Bond is overdue, and neither the District nor the Trustee shall be affected by notice to the contrary.

**Section 2.06. Lost, Stolen, Destroyed, or Mutilated Bonds.** Any Bond that is lost, stolen, destroyed, or mutilated may be replaced (or paid if the Bond has matured or come due by reason of prior redemption) by the Trustee in accordance with and subject to the limitations of applicable law. The applicant for any such replacement Bond shall post such security, pay such costs, provide such indemnification satisfactory to the Trustee, and present such proof of ownership and loss as may be required by the Trustee. If mutilated, (a) the District shall execute, and the Trustee shall authenticate and deliver, a new Bond of the same series, date, maturity and Authorized Denomination in lieu of such lost, stolen, destroyed or mutilated Bond or (b) if such lost, stolen, destroyed or mutilated Bond shall have matured or have been called for redemption, in lieu of executing and delivering a new Bond as aforesaid, the Trustee may pay such Bond. Any such new Bond shall bear a number not contemporaneously Outstanding. All Bonds shall be held and owned upon the express condition that, to the extent permitted by law, the foregoing conditions are exclusive with respect to the replacement and payment of mutilated, destroyed, lost or stolen Bonds, negotiable instruments or other securities.

**Section 2.07. Delivery of Bonds.** Upon the execution and delivery of this Indenture, the District shall execute the Bonds and deliver them to the Trustee, and the Trustee shall

authenticate the Bonds and deliver them to or for the account of the purchasers thereof, directed by the District and in accordance with a written certificate of the District. The Trustee shall be entitled to conclusively rely upon such direction and authorization from the District as to the names of the purchasers and the amount of such purchase price.

**Section 2.08. Trustee's Authentication Certificate.** The Trustee's certificate of authentication upon the Bonds shall be substantially in the form and tenor set forth in Exhibit A attached hereto. No Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit hereunder unless and until a certificate of authentication on such Bond substantially in such form shall have been duly executed by the Trustee, and such executed certificate of the Trustee upon any such Bond shall be conclusive evidence that such Bond has been authenticated and delivered under this Indenture. The Trustee's certificate of authentication on any Bond shall be deemed to have been executed by it if signed by an authorized officer or signatory of the Trustee, but it shall not be necessary that the same officer or signatory sign the certificate of authentication on all of the Bonds issued hereunder.

**Section 2.09. Registration, Exchange, and Transfer of Bonds.**

(a) The Trustee shall act as bond registrar and maintain the books of the District for the registration of ownership of each Bond as provided herein.

(b) Bonds may be exchanged at the principal office of the Trustee for a like aggregate principal amount of Bonds of the same maturity of other Authorized Denominations. Bonds may be transferred upon the registration books upon delivery of the Bonds to the Trustee, accompanied by a written instrument or instruments of transfer in form and with guaranty of signature satisfactory to the Trustee, duly executed by the Owner of the Bonds to be transferred or his attorney-in-fact or legal representative, containing written instructions as to the details of the transfer of such Bonds, along with the social security number or federal employer identification number of such transferee. No transfer of any Bond shall be effective until entered on the registration books. In all cases of the transfer of a Bond, the Trustee shall enter the transfer of ownership in the registration books, and shall authenticate and deliver in the name of the transferee or transferees a new fully registered Bond or Bonds of Authorized Denominations of the same maturity and interest rate for the aggregate principal amount which the Owner is entitled to receive at the earliest practicable time in accordance with the provisions hereof.

(c) The Trustee shall charge the Owner of such Bond for every such transfer or exchange of a Bond an amount sufficient to reimburse it for its reasonable fees and for any tax or other governmental charge required to be paid with respect to such transfer or exchange.

(d) The District and Trustee shall not be required to issue or transfer any Bonds: (i) during a period beginning at the close of business on the Record Date and ending at the opening of business on the first Business Day following the ensuing Interest Payment Date, or (ii) during the period beginning at the opening of business on a date 45 days prior to the date of any redemption of Bonds and ending at the opening of business

on the first Business Day following the day on which the applicable notice of redemption is mailed. The Trustee shall not be required to transfer any Bonds selected or called for redemption, in whole or in part.

(e) New Bonds delivered upon any transfer or exchange shall be valid obligations of the District, evidencing the same debt as the Bonds surrendered, shall be secured by this Indenture, and shall be entitled to all of the security and benefits hereof to the same extent as the Bonds surrendered.

**Section 2.10. Cancellation of Bonds.** Whenever any Outstanding Bond shall be delivered to the Trustee for cancellation pursuant to this Indenture and upon payment of the principal amount, premium if any, and interest due thereon, or whenever any Outstanding Bond shall be delivered to the Trustee for transfer pursuant to the provisions hereof, such Bond shall be cancelled by the Trustee in accordance with the customary practices of the Trustee and applicable retention laws.

**Section 2.11. Book-Entry System.**

(a) The Bonds shall be initially issued in the form of single, certificated, fully registered Bonds for each maturity. Upon initial issuance, the ownership of each such Bond shall be registered in the registration books kept by the Trustee in the name of Cede.

(b) With respect to Bonds registered in the name of Cede or held by a Depository, neither the District nor the Trustee shall have any responsibility or obligation to any Participant or Beneficial Owner including, without limitation, any responsibility or obligation with respect to: (i) the accuracy of the records of the Depository or any Participant concerning any ownership interest in the Bonds; (ii) the delivery to any Participant, Beneficial Owner, or person other than the Owner, of any notice concerning the Bonds, including notice of redemption; or (iii) the payment to any Participant, Beneficial Owner, or person other than the Owner, of the principal of, premium if any, and interest on the Bonds. The District and the Trustee may treat the Owner of any Bond as the absolute owner of such Bond for the purpose of payment of the principal of, premium if any, and interest on such Bond, for purposes of giving notices of redemption and other matters with respect to such Bond, and for all other purposes whatsoever. The Trustee shall pay all principal of, premium if any, and interest on or in connection with the Bonds only to or upon the order of the Owners, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the District's obligations with respect to the payment of the same. No person, other than an Owner, shall receive a certificated Bond evidencing the obligations of the District pursuant to this Indenture.

(c) DTC may determine to discontinue providing its service as Depository with respect to the Bonds at any time by giving notice to the District and discharging its responsibilities with respect thereto under applicable law. Upon the termination of the services of DTC, a substitute Depository which is willing and able to undertake the system of book-entry transfers upon reasonable and customary terms may be engaged by

the District or, if the District determines in its sole and absolute discretion that it is in the best interests of the Beneficial Owners or the District that the Beneficial Owners should be able to obtain certificated Bonds, the Bonds shall no longer be restricted to being registered in the name of Cede or other nominee of a Depository but shall be registered in whatever name or names the Beneficial Owners shall designate at that time, and fully registered Bond certificates shall be delivered to the Beneficial Owners.

### ARTICLE III

#### REVENUES AND FUNDS

**Section 3.01. Source of Payment of Bonds.** The Bonds shall constitute limited property tax and special revenue obligations of the District payable from the Pledged Revenue as provided herein. Principal of the Bonds, together with the interest thereon and any premium due in connection therewith, shall be payable from and to the extent of the Pledged Revenue, including all moneys and earnings thereon held in the funds and accounts herein created, and the Pledged Revenue is hereby pledged to the payment of the Bonds. The Bonds shall constitute an irrevocable lien upon the Pledged Revenue, but not necessarily an exclusive such lien. The Bonds are secured by a lien on the Pledged Revenue on parity with the lien thereon of any Parity Bonds issued hereafter.

**Section 3.02. Creation of Funds and Accounts.** There are hereby created and established the following funds and accounts, which shall be established with the Trustee and maintained by the Trustee in accordance with the provisions of this Indenture:

- (a) the Project Fund;
- (b) the Bond Fund;
- (c) the Reserve Fund;
- (d) the Surplus Fund; and
- (e) the Costs of Issuance Fund.

**Section 3.03. Initial Credits.** Immediately upon issuance of the Bonds and from the proceeds thereof (after payment of the Underwriter's discount), the Trustee shall make the following credits:

- (a) to the Bond Fund, the amount of \$[327,713.37], representing capitalized interest on the Bonds;
- (b) to the Reserve Fund, the amount of \$[282,900.00];
- (c) to the Costs of Issuance Fund, the amount of \$[204,686.63]; and
- (d) to the Project Fund, the amount of \$[2,600,000.00].

### **Section 3.04. Project Fund.**

(a) *In General.* The Project Fund shall be maintained by the Trustee in accordance with the terms of this Section 3.04.

(b) *Draws from Project Fund.* So long as no Event of Default shall have occurred and be continuing, amounts in the Project Fund shall be released by the Trustee to the District in accordance with requisitions submitted to the Trustee in substantially the form set forth in Exhibit B hereto, signed by the District Representative and certifying that all amounts drawn will be applied to the payment of Project Costs. The Trustee may rely conclusively on any such certificate and shall not be required to make any independent investigation in connection therewith. The execution of any requisition by the District Representative shall constitute, unto the Trustee, an irrevocable determination that all conditions precedent to the payments requested have been completed.

(c) *Transfers from Project Fund to Bond Fund.* In the event the amounts credited to the Bond Fund (including amounts transferred therein from the Surplus Fund, but prior to transfer of any amounts from the Reserve Fund) are insufficient to pay the principal of, premium if any, or interest on the Bonds when due, the Trustee shall transfer from the Project Fund to the Bond Fund an amount which, when combined with moneys in the Bond Fund, will be sufficient to make such payments when due; and in the event the amounts in the Bond Fund (including amounts transferred therein from the Surplus Fund) and the Project Fund are insufficient to pay all principal, premium if any, and interest on any due date, the Trustee shall nonetheless transfer all of the moneys in the Project Fund to the Bond Fund for the purpose of making partial payments as provided in Section 3.06 hereof entitled "Bond Fund." Amounts in the Project Fund shall not be used to redeem Bonds being called pursuant to any optional redemption provisions hereof, but may be used to pay Bonds coming due as a result of any mandatory redemption.

(d) *Termination of Project Fund.* Upon the receipt by the Trustee of a resolution of the District determining that all Project Costs have been paid, any balance remaining in the Project Fund shall be credited to the Bond Fund. The Project Fund shall terminate at such time as no further moneys remain therein.

**Section 3.05. Application of Pledged Revenue.** The District is to transfer all amounts comprising Pledged Revenue to the Trustee as soon as may be practicable after the receipt thereof. The Trustee shall credit all Pledged Revenue as received in the following order of priority (excluding the Pledged Revenue described in clause (c) of the definition thereof, which is to be deposited directly to the Bond Fund). For purposes of the following, (a) when credits to more than one fund, account, or purpose are required at any single priority level, such credits shall rank *pari passu* with each other and, in the event that Pledged Revenue is not sufficient to fully fund all amounts required at any single priority level, credits shall be made *pro rata*, in accordance with the relative amounts required to be deposited to such funds or accounts or, in the case of THIRD below, the relative outstanding principal amounts of the obligations secured by the applicable funds; and (b) when credits are required to go to funds or accounts which are not held by the Trustee under this Indenture, the Trustee may rely upon the written instructions

of the District with respect to the appropriate funds or accounts to which such credits are to be made.

**FIRST:** To the credit of the Bond Fund, the amounts required by Section 3.06 hereof entitled "Bond Fund," and to the credit of any other similar fund or account established for the current payment of the principal of, premium if any, and interest on any Parity Bonds, the amounts required by the resolution or other enactment authorizing issuance of the Parity Bonds for the then current Bond Year;

**SECOND:** To the credit of the Reserve Fund the amount, if any, necessary for the amounts therein to equal the Reserve Requirement, and to the credit of any other similar fund or account established to secure payment of the principal of, premium if any, and interest on any Parity Bonds, the amounts required by the resolution or other enactment authorizing issuance of the Parity Bonds;

**THIRD:** To the credit of the Surplus Fund and to the credit of any other similar fund or account established to secure payment of the principal of, premium if any, and interest on any Parity Bond, for so long as such Surplus Fund or other similar fund or account has not been terminated, the amount necessary for amounts on deposit in the Surplus Fund to equal the Maximum Surplus Amount and for amounts on deposit in any similar account securing Parity Bonds to equal the amount required by the resolution or other enactment authorizing issuance of such Parity Bonds; and

**FOURTH:** To the District, for credit to any other fund or account as may be designated by the District in writing to the Trustee, to be used for any lawful purpose, any Pledged Revenue received for the remainder of the Bond Year after the payments and accumulations set forth above.

In the event that any Pledged Revenue is available to be disbursed in accordance with clause FOURTH above, the District will, in making its determination as to the application of such amounts, take into account that State law places certain restrictions upon the use of any moneys representing ad valorem property tax revenue from a debt service mill levy, and any then existing pledge or encumbrance on such revenues. For purposes of determining the nature of the Pledged Revenue available for disbursement pursuant to FOURTH above, the Pledged Revenue applied in FIRST through THIRD above shall be deemed to be funded, first, from Property Tax Revenues resulting from imposition of the Required Mill Levy and, second, from Pledged PIF Revenue.

The District covenants that all property tax revenue collected by the District from a debt service mill levy, or so much thereof as is needed, shall first, be designated as Property Tax Revenues in any Bond Year to pay annual debt service on the Bonds and any Parity Bonds and to fund such funds and accounts as are required in accordance with the terms hereof and the resolution, indenture or other enactment authorizing such Parity Bonds (including to fill the Surplus Fund to the Maximum Surplus Amount, and to fill the surplus fund for any Parity Bonds to the Parity Bonds Maximum Surplus Amount, and to replenish the Reserve Fund to the Reserve Requirement and any similar fund or account securing Parity Bonds to the requisite level, if needed), and only after the funding of such payments and accumulations required in

such Bond Year can property tax revenue be applied to pay Subordinate Bonds. The debt service property tax levy imposed for the payment of Subordinate Bonds shall be deemed reduced to the number of mills (if any) available for payment of such Subordinate Bonds in any Bond Year after first providing for the full payment and accumulation of all amounts due on the Bonds and any Parity Bonds in such Bond Year.

**Section 3.06. Bond Fund.** There shall be credited to the Bond Fund each Bond Year an amount of Pledged Revenue which, when combined with other legally available moneys in the Bond Fund (not including moneys deposited thereto from other funds pursuant to the terms hereof), will be sufficient to pay the principal of, premium if any, and interest on the Bonds which has or will become due in the Bond Year in which the credit is made, including as a result of mandatory sinking fund redemption in accordance with Section 5.01(b) hereof.

Moneys in the Bond Fund (including any moneys transferred thereto from other funds pursuant to the terms hereof) shall be used by the Trustee solely to pay the principal of, premium if any, and interest on the Bonds, in the following order of priority.

**FIRST:** to the payment of interest due in connection with the Bonds (including without limitation current interest, accrued and payable but unpaid interest, and interest due as a result of compounding, if any); and

**SECOND:** to the extent any moneys are remaining in the Bond Fund after the payment of such interest, to the payment of the principal of and premium, if any, on the Bonds, whether due at maturity or upon prior redemption.

In the event that available moneys in the Bond Fund (including any moneys transferred thereto from other funds pursuant to the terms hereof) are insufficient for the payment of the principal of, premium if any, and interest due on the Bonds on any due date, the Trustee shall apply such amounts on such due date as follows:

**FIRST:** the Trustee shall pay such amounts as are available, proportionally in accordance with the amount of interest due on each Bond; and

**SECOND:** the Trustee shall apply any remaining amounts to the payment of the principal of and premium, if any, on as many Bonds as can be paid with such remaining amounts, such payments to be in increments of \$1,000 or any integral multiple thereof, plus any premium. Bonds or portions thereof to be redeemed pursuant to such partial payment shall be selected by lot from the Bonds the principal of which is due and owing on the due date.

Moneys credited to the Bond Fund may be invested or deposited as provided in Section 6.01 hereof.

**Section 3.07. Surplus Fund.**

(a) The Surplus Fund shall be held, disbursed, and administered by the Trustee. For so long as the Surplus Fund is in existence, moneys therein shall be used

solely in accordance with this Section. The Surplus Fund shall secure the Bonds (and only the Bonds) in accordance with the provisions hereof.

(b) The Surplus Fund shall not be funded with Bond proceeds, but shall be funded solely from deposits of Pledged Revenue as provided in Section 3.05 hereof entitled "Application of Pledged Revenue," and except to the extent Pledged Revenue is available under such Section 3.05, the District has no obligation to fund the Surplus Fund in any amount.

(c) In the event the amounts credited to the Bond Fund (not including amounts to be transferred thereto from the Project Fund or from the Reserve Fund) are insufficient to pay the principal of, premium if any, or interest on the Bonds when due, the Trustee shall transfer from the Surplus Fund to the Bond Fund an amount which, when combined with moneys in the Bond Fund (prior to any transfers from the Project Fund or from the Reserve Fund) will be sufficient to make such payments when due; and in the event the amounts in the Bond Fund (prior to any transfers from the Project Fund or from the Reserve Fund) and the Surplus Fund are insufficient to pay all principal, premium if any, and interest on the Bonds on any due date, the Trustee shall nonetheless transfer all of the moneys in the Surplus Fund to the Bond Fund for the purpose of making partial payments as provided in Section 3.06 hereof entitled "Bond Fund" with respect to the Bonds. Amounts in the Surplus Fund shall not be used to redeem Bonds being called pursuant to any optional redemption provisions hereof, but shall be used to pay Bonds coming due as a result of any mandatory redemption.

(d) Investments credited to the Surplus Fund may be invested or deposited in Permitted Investments only and in accordance with the laws of the State and shall be valued on the basis of their current market value, as reasonably determined by the Trustee, which value shall be determined at least annually. All investment earnings on moneys on deposit in the Surplus Fund shall remain in the Surplus Fund.

(e) For so long as the Surplus Fund remains in existence, it is intended that amounts in the Surplus Fund are to be transferred to the Bond Fund prior to any transfer from the Reserve Fund or the Project Fund for so long as such account remains in existence.

(f) Amounts on deposit in the Surplus Fund (if any) on the maturity date of the Bonds shall be applied to the payment of the Bonds. The availability of such amount shall be taken into account in calculating the Required Mill Levy required to be imposed in December 2046. In calculating the Required Mill Levy required to be imposed in any year prior to 2046, the District may, in its discretion, take into account any amount on deposit in the Surplus Fund, subject to the requirements of the definition of Required Mill Levy herein.

### **Section 3.08. Reserve Fund.**

(a) Moneys in the Reserve Fund shall be used solely for the purpose of paying the principal of and interest on the Bonds to the extent the moneys in the Bond Fund are

insufficient for such purpose. The Trustee shall transfer moneys from the Reserve Fund to the Bond Fund to pay the principal of or interest on the Bonds to the extent moneys on deposit in the Bond Fund are insufficient therefor on any Interest Payment Date. It is intended that amounts in the Surplus Fund and the Project Fund are to be transferred to the Bond Fund prior to any transfer of moneys from the Reserve Fund to the Bond Fund.

(b) If a withdrawal from the Reserve Fund is made that reduces the balance in such fund below the Reserve Requirement for the Bonds, the District shall include in the computation of its next mill levy certification the amount necessary to replenish the Reserve Fund to the Reserve Requirement as provided in Section 4.02 hereof (subject to the limitations of the Required Mill Levy).

(c) There shall be deposited to the Reserve Fund from the proceeds of the Bonds, an amount equal to the Reserve Requirement for the Bonds. The Reserve Fund shall be funded and maintained, with cash or Permitted Investments, or any combination of the foregoing.

(d) Moneys credited to the Reserve Fund may be invested or deposited by the Trustee at the written direction of the District in Permitted Investments only and in accordance with the laws of the State. The investment of moneys credited to the Reserve Fund shall, however, be subject to the covenants and provisions of the Section hereof entitled "Tax Matters." Investments in the Reserve Fund shall be valued by the Trustee at market value at least quarterly. Interest income from the investment or reinvestment of moneys credited to the Reserve Fund shall remain in and become part of the Reserve Fund if the Reserve Fund balance is less than the Reserve Requirement for the Bonds. At any time that the Trustee determines that the Reserve Fund balance exceeds the Reserve Requirement for the Bonds, such excess amounts shall be transferred by the Trustee to the Bond Fund on or before the next Interest Payment Date.

(e) If at any time the amounts on deposit in the Reserve Fund are sufficient to pay, whether by redemption or at maturity, all principal, premium, if any, and interest on the Bonds that will accrue to the redemption date or final maturity date, all amounts on deposit in the Reserve Fund shall be transferred to the Bond Fund and used to pay the principal of, premium, if any, and interest on the Bonds at the times and in the amounts required for the payment of the principal of, premium, if any, and interest on the Bonds.

(f) Amounts on deposit in the Reserve Fund on the maturity date of the Bonds shall be applied to the payment of the Bonds on such date. The availability of such amount shall be taken into account in calculating the Required Mill Levy required to be imposed in December 2046.

**Section 3.09. Costs of Issuance Fund.** The Costs of Issuance Fund shall be maintained by the Trustee. All moneys on deposit in the Costs of Issuance Fund shall be applied by the Trustee in accordance with a closing memorandum executed by a District Representative, for the payment of costs in connection with the issuance of the Bonds, including, without limitation, printing costs, CUSIP fees, regulatory fees, the fees and expenses of bond counsel, general counsel, underwriter's counsel and other counsel, the fees and expenses of the District's

accountant, manager, special consultants, and other professionals, and the costs of the Trustee, and other costs and expenses of the District relating to the issuance of the Bonds. The Trustee may rely conclusively on any such direction and shall not be required to make any independent investigation in connection therewith. Any amounts remaining in the Costs of Issuance Fund on the date that is 90 days after the date of issuance of the Bonds shall be transferred by the Trustee into the Bond Fund.

**Section 3.10. Trustee's Fees, Charges, and Expenses.** The District shall pay the Trustee's fees for services rendered hereunder in accordance with its then-current schedule of fees and reimburse the Trustee for all advances, legal fees, and other expenses reasonably or necessarily made or incurred by, in, or about the execution of the trust created by this Indenture and in or about the exercise and performance of the powers and duties of the Trustee hereunder and for the reasonable and necessary costs and expenses incurred in defending any liability in the premises of any character whatsoever, unless such liabilities resulted from the negligence or willful misconduct of the Trustee.

**Section 3.11. Moneys to be Held in Trust.** All moneys deposited with or paid to the Trustee under any provision of this Indenture shall be held by the Trustee in trust for the purposes specified in this Indenture, and except for moneys paid to Trustee for its fees and expenses, shall constitute part of the Trust Estate and be subject to the lien hereof. Except to the extent otherwise specifically provided in Article VII, and Section 8.05 hereof, the District shall have no claim to or rights in any moneys deposited with or paid to the Trustee hereunder.

**Section 3.12. Pledge of Revenues.** The creation, perfection, enforcement, and priority of the pledge of Pledged Revenue and funds and accounts held hereunder to secure or pay the Bonds provided herein shall be governed by Section 11-57-208 of the Supplemental Act, this Indenture, and the Bond Resolution. The Pledged Revenue pledged to the payment of the Bonds shall immediately be subject to the lien of such pledge without any physical delivery, filing, or further act. The lien of such pledge shall be on parity with the lien thereon of the Parity Bonds (if any), excluding the Pledged Revenue described in clause (c) of the definition thereof. The lien of such pledge shall be valid, binding, and enforceable as against all persons having claims of any kind in tort, contract, or otherwise against the District irrespective of whether such persons have notice of such liens.

## ARTICLE IV

### COVENANTS OF DISTRICT

**Section 4.01. Performance of Covenants, Authority.** The District covenants that it will faithfully perform and observe at all times any and all covenants, undertakings, stipulations, and provisions contained in the Bond Resolution, this Indenture, the Bonds, and all its proceedings pertaining hereto. The District covenants that it is duly authorized under the constitution and laws of the State, including, particularly and without limitation, the Act, to issue the Bonds and to execute this Indenture and that all action on its part for the issuance of the Bonds and the execution and delivery of this Indenture has been duly and effectively taken and will be duly taken as provided herein, and that the Bonds are and will be valid and enforceable obligations of the District according to the terms thereof.

**Section 4.02. Covenant to Impose Required Mill Levy.**

(a) For the purpose of paying the principal of, premium if any, and interest on the Bonds and, if necessary, replenishing the Reserve Fund to the Reserve Requirement and funding the Surplus Fund to the Maximum Surplus Amount, the Board shall annually determine and certify to the Board of Commissioners for the County, in each of the years 2017 through 2046, inclusive (for tax collection in years 2018 through 2047, inclusive), and in any year thereafter in which the Bonds remain Outstanding, in addition to all other taxes, the Required Mill Levy. Nothing herein shall be construed to require the District to levy an ad valorem property tax for payment of the Bonds and, if necessary, replenishing the Reserve Fund to the Reserve Requirement and funding the Surplus Fund to the Maximum Surplus Amount in excess of the Required Mill Levy. When collected, the taxes levied for the foregoing purposes shall be deposited with the Trustee in accordance with Section 3.05 hereof.

(b) The foregoing provisions of this Indenture are hereby declared to be the certificate of the Board to the Board of County Commissioners for the County, showing the aggregate amount of taxes to be levied from time to time, as required by law, for the purpose of paying the principal of, premium if any, and the interest on the Bonds.

(c) The amounts necessary to pay all costs and expenses incidental to the issuance of the Bonds and to pay the principal of, premium if any, and interest on the Bonds when due, to make up any deficiencies in the Reserve Fund and to fund the Surplus Fund are hereby appropriated for said purposes, and such amounts as appropriated for each year shall also be included in the annual budget and the appropriation bills to be adopted and passed by the Board in each year, respectively, until the Bonds have been fully paid, satisfied, and discharged.

(d) It shall be the duty of the Board, annually, at the time and in the manner provided by law for levying other District taxes, to ratify and carry out the provisions hereof with reference to the levying and collection of taxes; and the Board shall levy, certify, and collect said taxes in the manner provided by law for the purposes aforesaid.

(e) Said taxes shall be levied, assessed, collected, and enforced at the time and in the form and manner and with like interest and penalties as other general taxes in the State, and when collected said taxes shall be paid to the District as provided by law. The Board shall take all necessary and proper steps to enforce promptly the payment of taxes levied pursuant to this Indenture.

**Section 4.03. Instruments of Further Assurance.** The District covenants that it will do, execute, acknowledge, and deliver or cause to be done, executed, acknowledged, and delivered, such indentures supplemental hereto and such further acts, instruments, and transfers as the Trustee may reasonably require for the better assuring, transferring, and pledging unto the Trustee all and singular the Trust Estate.

**Section 4.04. Additional Obligations.**

(a) The District shall not incur any additional debt or other financial obligation having a lien upon the Pledged Revenue superior to the lien thereof of the Bonds.

(b) Any Additional Obligations secured by a lien on ad valorem property taxes of the District or any other portion of the Pledged Revenue shall be issued as either Parity Bonds or Subordinate Bonds. The District shall not issue or incur any other Additional Obligations except as provided in subparagraph (c) of this Section with respect to Parity Bonds and in subparagraph (d) of this Section with respect to Subordinate Bonds, unless such issuance is consented to by the Consent Parties with respect to a majority in aggregate principal amount of the Bonds then Outstanding.

(c) The District may issue Additional Obligations constituting Parity Bonds without the consent of the Consent Parties if each of the following conditions is met, as of the date of issuance of such Additional Obligations:

(i) no Event of Default shall have occurred and be continuing and no amounts of principal or interest on the Bonds or any other Parity Bonds are due but unpaid, unless: (A) such Event of Default or failure to pay principal or interest on the Bonds will be cured upon issuance of the Parity Bonds, or (B) the conditions of clause (vi)(B) below are satisfied;

(ii) the amount on deposit in the Reserve Fund for the Bonds is not less than the Reserve Requirement, and the amount on deposit in any similar fund established in connection with any other outstanding Parity Bonds is not less than the amount required by the documents pursuant to which such other Parity Bonds were issued, provided that if such deficiencies will be fully cured upon issuance of the Parity Bonds, this condition will be deemed to have been met;

(iii) the Parity Bonds shall be secured by a reserve fund funded on the date of issuance of the Parity Bonds, which thereafter shall be required to be maintained in the same manner as the Reserve Fund with respect to the Bonds, in the amount of (and not greater than) the applicable Parity Bonds Reserve Requirement;

(iv) the Parity Bonds shall be secured by a surplus fund to be funded by revenues pledged to the payment of such Parity Bonds in the manner provided in Section 3.05 hereof up to the applicable Parity Bonds Maximum Surplus Amount (and not more than such amount), and to be otherwise maintained and subject to release in the same manner as the Surplus Fund;

(v) In the event that the Parity Bonds are secured by a lien on ad valorem property taxes of the District, then (A) the maximum ad valorem mill levy (if any) pledged to the payment of the Parity Bonds, together with the Required Mill Levy required to be imposed hereunder, shall be not higher than the maximum mill levy set forth in the definition of Required Mill Levy herein, and (B) the resolution, indenture or other document pursuant to which the Parity

Bonds are issued shall provide that any ad valorem property taxes imposed for the payment of such Parity Bonds shall be applied in the same manner and priority as provided in Section 3.05 hereof with respect to the Pledged Revenue; and

(vi) one of the following two conditions shall be satisfied:

(A) there is delivered to the Trustee a Certificate of a Certified Public Accountant stating that the Maximum Estimated Annual Revenue for the date on which the Parity Bonds are to be issued equals at least 135% of the sum of the Combined Maximum Principal and Interest Requirements due or to become due on the Outstanding Bonds, any outstanding Parity Bonds, and the proposed Parity Bonds for each calendar year following the date of issuance of the proposed Parity Bonds;  
OR

(B) the Parity Bonds are issued solely for the purpose of refunding all or any portion of the Bonds, any other Parity Bonds and/or Subordinate Bonds (provided that proceeds of the refunding Parity Bonds may also be applied to pay all expenses in connection with such refunding, to fund reserve funds and capitalized interest, and to pay the costs of letters of credit, credit facilities, interest rate exchange agreements, bond insurance, or other financial products pertaining to such refunding), and the total of the District's scheduled debt service on such refunding Parity Bond, the Bonds and any other Parity Bonds (to the extent to remain outstanding upon such refunding) does not exceed in any year the total debt service on the Bonds and Parity Bonds prior to the issuance of such refunding Parity Bonds (excluding from such calculation any amount on deposit in a reserve fund anticipated to be available for payment of debt service at final maturity, as reasonably determined by the Board in good faith, such determination to be binding and final). For purposes of the foregoing, the following shall be deemed to increase the District's Parity Bonds debt service in any year and shall not be permitted by this clause (B): (1) the issuance of refunding Parity Bonds that have any scheduled payment dates in any year that are after the maturity of the Bonds or Parity Bonds being refunded, and (2) the issuance of refunding Parity Bonds that refund only Subordinate Bonds.

(d) The District may issue Additional Obligations constituting Subordinate Bonds without the consent of the Consent Parties and the terms of such Subordinate Bonds shall be as provided in the documents pursuant to which they are issued, provided that each of the following conditions is met as of the date of issuance of the Subordinate Bonds:

(i) the maximum mill levy which the District promises to impose for payment of the Subordinate Bonds is 30 mills, less the Required Mill Levy required to be imposed hereunder and the mill levy required to be imposed for the payment of any Parity Bonds;

(ii) the failure to make a payment when due on the Subordinate Bonds shall not constitute an event of default thereunder; and

(iii) the Subordinate Bonds shall be payable as to both principal and interest only on an annual basis, on or after December 15 of each calendar year.

(e) A written certificate by the President or Treasurer of the District that the conditions set forth herein are met shall conclusively determine the right of the District to authorize, issue, sell, and deliver Additional Obligations in accordance herewith.

(f) Nothing herein shall affect or restrict the right of the District to issue or incur obligations that are not Additional Obligations hereunder.

(g) Notwithstanding any other provision contained herein, under no circumstances shall the District issue Additional Obligations in excess of that authorized by eligible electors of the District, if applicable, and the District's Operating Plan, as the same may be amended from time to time. In addition, the District shall not issue any Additional Obligations requiring any electoral authorization for indebtedness approved at the Election until such time as the full amount of indebtedness represented by the Bonds has been allocated to such electoral authorization for indebtedness approved at the Election.

**Section 4.05. Additional Covenants and Agreements.** The District hereby further irrevocably covenants and agrees with each and every Owner that so long as any of the Bonds remain Outstanding:

(a) The District will maintain its existence and shall not merge or otherwise alter its corporate structure in any manner or to any extent as might reduce the security provided for the payment of the Bonds, and will continue to operate and manage the District and its facilities in an efficient and economical manner in accordance with all applicable laws, rules, and regulations.

(b) At least once a year the District will cause an audit to be performed of the records relating to its revenues and expenditures, and the District shall use its best commercially reasonable efforts to have such audit report completed no later than September 30 of each calendar year. The foregoing covenant shall apply notwithstanding any State law audit exemptions that may exist. In addition, at least once a year in the time and manner provided by law, the District will cause a budget to be prepared and adopted. Copies of the budget and the audit will be filed and recorded in the places, time, and manner provided by law.

(c) The District will carry general liability, public officials liability, and such other forms of insurance coverage on insurable District property upon the terms and conditions as in the judgment of the District would ordinarily be carried by entities having similar properties of equal value, such insurance being in such amounts as will protect the District and its operations.

(d) Each District official or other person having custody of any District funds or responsible for the handling of such funds, shall be bonded or insured against theft or defalcation at all times.

(e) In the event any ad valorem taxes are not paid when due, the District shall diligently cooperate with the appropriate county treasurer to enforce the lien of such unpaid taxes against the property for which the taxes are owed.

(f) In the event the Pledged Revenue is insufficient or is anticipated to be insufficient to pay the principal of, premium if any, and interest on the Bonds when due, the District shall use its best efforts to refinance, refund, or otherwise restructure the Bonds so as to avoid such payment shortfall.

(g) In the event that any amount of the Pledged Revenue is released to the District as provided in FOURTH of Section 3.05 hereof, the District will, in making its determination as to which obligations will be paid with such amounts, take into account that State law places certain restrictions upon the use of any moneys representing ad valorem property tax revenue.

(h) Subject to the Owners of a majority in aggregate principal amount of the Bonds assuming control of the enforcement of remedies upon default, the District will enforce (or cause the PIF Collection Agent to enforce) the collection of all amounts payable to it under the PIF Covenant in such time and manner as the District reasonably determines will be most efficacious in collecting the same and will diligently pursue all reasonable remedies available to the District with regard to such enforcement, whether at law or in equity. The District will not (i) reduce the amounts due to the District (or to the Trustee on behalf of the District) under the PIF Covenant, or (ii) amend or supplement, or consent to the amendment or supplement of, the PIF Covenant in any way which would materially adversely affect the amount of revenues to be paid to or on behalf of the District thereunder, without the prior written consent of the Consent Parties with respect to not less than a majority in aggregate principal amount of the Bonds then Outstanding; provided that nothing herein shall prevent the District from amending or supplementing, or consenting to an amendment or supplement of, the PIF Covenant for the purpose of increasing the amounts due to the District or the Trustee thereunder.

(i) Subject to the Owners of a majority in aggregate principal amount of the Bonds assuming control of the enforcement of remedies upon default, the District will enforce the collection of all amounts payable to it under the PIF Collection Agreement in such time and manner as the District reasonably determines will be most efficacious in collecting the same and will diligently pursue all reasonable remedies available to the District with regard to such enforcement, whether at law or in equity. The District will not (i) reduce the amounts due to the District (or to the Trustee on behalf of the District) under the PIF Collection Agreement or (ii) amend or supplement the PIF Collection Agreement in any way which would materially adversely affect the amount of revenues to be paid to or on behalf of the District thereunder, without the prior written consent of the Consent Parties with respect to not less than a majority in aggregate principal amount of the Bonds then Outstanding.

\* final maturity, not a sinking fund redemption

On or before 45 days prior to each sinking fund installment date as set forth above, the Trustee shall select for redemption, by lot in such manner as the Trustee may determine, from the Outstanding Bonds, a principal amount of such Bonds equal to the applicable sinking fund installment. The amount of the applicable sinking fund installment for any particular date shall be reduced by the principal amount of any Bonds which prior to said date have been redeemed (otherwise than through the operation of the sinking fund) and cancelled and not theretofore applied as a credit against a sinking fund installment. Such reductions shall be applied in such year or years as may be determined by the District, subject to the following paragraph. Prior to the Unlimited Tax Receipt Date, in the event that there are not sufficient moneys in the Bond Fund to pay the full amount due in accordance with the foregoing on any sinking fund installment date, the Trustee shall redeem as many Bonds as possible on such date in integral multiples of \$1,000, and any redemption amount for which funds are not available to redeem Bonds

shall be added to the redemption amount for the immediately succeeding sinking fund installment date.

**Section 5.02. Redemption Procedure and Notice.**

(a) If less than all of the Bonds within a maturity are to be redeemed on any prior redemption date, the Bonds to be redeemed shall be selected by lot prior to the date fixed for redemption, in such manner as the Trustee shall determine. The Bonds shall be redeemed only in integral multiples of \$1,000. In the event a Bond is of a denomination larger than \$1,000, a portion of such Bond may be redeemed, but only in the principal amount of \$1,000 or any integral multiple thereof. Such Bond shall be treated for the purpose of redemption as that number of Bonds which results from dividing the principal amount of such Bond by \$1,000. In the event a portion of any Bond is redeemed, the Trustee shall, without charge to the Owner of such Bond, authenticate and deliver a replacement Bond or Bonds for the unredeemed portion thereof.

(b) In the event any of the Bonds or portions thereof are called for redemption as aforesaid, notice thereof identifying the Bonds or portions thereof to be redeemed will be given by the Trustee by mailing a copy of the redemption notice by first-class mail (postage prepaid) or by electronic means to DTC or its successors, not less than 30 days prior to the redemption date to the Owner of each Bond to be redeemed in whole or in part at the address shown on the registration books maintained by or on behalf of the District by the Trustee. Failure to give such notice by mailing to any Owner or by electronic means to DTC or its successors, or any defect therein, shall not affect the validity of any proceeding for the redemption of other Bonds as to which no such failure or defect exists. The redemption of the Bonds may be contingent or subject to such conditions as may be specified in the notice, and if funds for the redemption are not irrevocably deposited with the Trustee or otherwise placed in escrow and in trust prior to the giving of notice of redemption, the notice shall be specifically subject to the deposit of funds by the District. All Bonds so called for redemption will cease to bear interest after the specified redemption date, provided funds for their redemption are on deposit at the place of payment at that time.

**ARTICLE VI**

**INVESTMENTS**

**Section 6.01. Investments.**

(a) All moneys held by the Trustee in any of the funds or accounts created hereby shall be promptly invested or reinvested by the Trustee, upon receipt by the Trustee of written direction of the District Representative, in Permitted Investments only. The Trustee may conclusively rely upon the District Representative's written instruction as to both the suitability and legality of the directed investments. If the District fails to provide written directions concerning investment of moneys held by the Trustee, the Trustee shall, in accordance with this subsection, invest and reinvest the moneys in a money market fund which qualifies as a Permitted Investment, subject to any other

requirements of this Section 6.01. Any such investments shall mature, be redeemable at the option of the owner thereof, pay interest or, in the case of money market funds, shall be available for withdrawal, no later than the respective dates when moneys held for the credit of such fund or account will be required for the purposes intended. The interest income derived from the investment and reinvestment of any moneys in any fund or account held by the Trustee under the Indenture shall be credited to the fund or account from which the moneys invested were derived.

(b) The Trustee may make any and all such investments through its own investment department or that of its affiliates or subsidiaries, and may charge its ordinary and customary fees for such trades, including cash sweep account fees. The Trustee is not required to issue confirmations of Permitted Investments for any month in which a monthly statement is rendered by the Trustee. The Trustee will not issue a monthly statement for any fund or account if no activity occurred in such fund or account during such month. Unless otherwise confirmed or directed in writing, an account statement delivered periodically by the Trustee to the District Representative shall confirm that the investment transactions identified therein accurately reflect the investment directions of the District Representative, unless the District Representative notified the Trustee in writing to the contrary within 30 days of the date of such statement. The Trustee is specifically authorized to purchase or invest in shares of any investment company that (i) is registered under the Investment Company Act of 1940, as amended (including both corporations and Massachusetts business trusts, and including companies for which the Trustee may provide advisory, administrative, custodial, or other services for compensation); (ii) invests substantially all of its assets in short-term high-quality money-market instruments, limited to obligations issued or guaranteed by the United States; and (iii) maintains a constant asset value per share. The Trustee is specifically authorized to implement its automated cash investments system to assure that cash on hand is invested and to charge reasonable cash management fees, which may be deducted from income earned on investments.

(c) Any and all such investments shall be subject to full and complete compliance at all times with the covenants and provisions of Section 6.02 hereof.

#### **Section 6.02. Tax Matters.**

(a) The District shall at all times do and perform all acts and things necessary or desirable in order to assure that interest paid on the Bonds shall, for the purposes of federal income taxation, be excludable from the gross income of the recipients thereof and exempt from such taxation.

(b) The District shall not use or permit the use of any proceeds of Bonds or any funds of the District, directly or indirectly, to acquire any securities or obligations, and shall not take or permit to be taken any other action or actions, which would cause any Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code or "federally guaranteed" within the meaning of Section 149(b) of the Code and any such applicable requirements promulgated from time to time thereunder and under Section 103(b) of the Code, and the District shall observe and not violate the requirements of

Section 148 of the Code and any such applicable regulations. The District shall comply with all requirements of Sections 148 and 149(d) of the Code to the extent applicable to the Bonds. In the event that at any time the District is of the opinion that for purposes of this paragraph it is necessary to restrict or to limit the yield on the investment of any moneys held by the Trustee or held by the District under this Indenture, the District shall so restrict or limit the yield on such investment or shall so instruct the Trustee in a detailed certificate, and the Trustee shall take such action as may be necessary in accordance with such instructions.

(c) The District hereby designates the Bonds as “qualified tax-exempt obligations” for purposes of Section 265(b)(3) of the Code.

(d) The District specifically covenants to comply with the provisions and procedures of the Tax Certificate.

(e) The covenants contained in this Section shall continue in effect until all Bonds are fully paid, satisfied, and discharged.

## **ARTICLE VII**

### **DISCHARGE OF LIEN**

#### **Section 7.01. Discharge of the Lien of the Indenture.**

(a) If the District shall pay or cause to be paid to the Trustee, for the Owners of the Bonds, the principal of and interest to become due thereon at the times and in the manner stipulated herein, and if the District shall keep, perform, and observe all and singular the covenants and promises in the Bonds and in this Indenture expressed to be kept, performed, and observed by it or on its part, and if all fees and expenses of the Trustee required by this Indenture to be paid shall have been paid, then these presents and the estate and rights hereby granted shall cease, terminate, and be void, and thereupon the Trustee shall cancel and discharge the lien of this Indenture, and execute and deliver to the District such instruments in writing as shall be required to satisfy the lien hereof, and assign and deliver to the District any property at the time subject to the lien of this Indenture which may then be in its possession, and deliver any amounts required to be paid to the District under Section 8.05 hereof, except for moneys and Federal Securities held by the Trustee for the payment of the principal of, premium if any, and interest on the Bonds.

(b) Any Bond shall, prior to the maturity or prior redemption thereof, be deemed to have been paid within the meaning and with the effect expressed in this Section 7.01 if, for the purpose of paying such Bond (i) there shall have been deposited with the Trustee an amount sufficient, without investment, to pay the principal of, premium if any, and interest on such Bond as the same becomes due at maturity or upon one or more designated prior redemption dates, or (ii) there shall have been placed in escrow and in trust with a commercial bank exercising trust powers, an amount sufficient (including the known minimum yield from Federal Securities in which such amount may

be invested) to pay the principal of, premium if any, and interest on such Bond, as the same becomes due at maturity or upon one or more designated prior redemption dates. The Federal Securities in any such escrow shall not be subject to redemption or prepayment at the option of the issuer, and shall become due at or prior to the respective times on which the proceeds thereof shall be needed, in accordance with a schedule established and agreed upon between the District and such bank at the time of the creation of the escrow, or the Federal Securities shall be subject to redemption at the option of the holders thereof to assure such availability as so needed to meet such schedule. The sufficiency of any such escrow funded with Federal Securities shall be determined by a Certified Public Accountant.

(c) Neither the Federal Securities, nor moneys deposited with the Trustee or placed in escrow and in trust pursuant to this Section 7.01, nor principal or interest payments on any such Federal Securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal of and interest on the Bonds; provided however, that any cash received from such principal or interest payments on such Federal Securities, if not then needed for such purpose, shall, to the extent practicable, be reinvested subject to the provisions of Article VI hereof in Federal Securities maturing at the times and in amounts sufficient to pay, when due, the principal of and interest on the Bonds.

(d) Prior to the investment or reinvestment of such moneys or such Federal Securities as herein provided, the Trustee shall receive and may rely upon: (i) an opinion of Bond Counsel experienced in matters arising under Section 103 of the Code and acceptable to the Trustee, that the investment or reinvestment of such moneys or such Federal Securities complies with Section 6.02 hereof; and (ii) a report of a Certified Public Accountant that the moneys or Federal Securities will be sufficient to provide for the payment of the principal of and interest on the Bonds when due.

(e) The release of the obligations of the District under this Section shall be without prejudice to the rights of the Trustee to be paid reasonable compensation by the District for all services rendered by it hereunder and all its reasonable expenses, charges, and other disbursements incurred in the administration of the trust hereby created, the exercise of its powers, and the performance of its duties hereunder.

**Section 7.02. Continuing Role as Bond Registrar and Paying Agent.** Notwithstanding the defeasance of the Bonds prior to maturity and the discharge of this Indenture as provided in Section 7.01 hereof, the Trustee shall continue to fulfill its obligations under Section 2.03 hereof until the Bonds are fully paid, satisfied, and discharged.

## ARTICLE VIII

### DEFAULT AND REMEDIES

**Section 8.01. Events of Default.** The occurrence of any one or more of the following events or the existence of any one or more of the following conditions shall constitute an Event of Default under this Indenture (whatever the reason for such event or condition and whether it

shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree, rule, regulation, or order of any court or any administrative or governmental body), and there shall be no default or Event of Default hereunder except as provided in this Section:

(a) The District fails or refuses to impose the Required Mill Levy or to apply the Pledged Revenue as required by this Indenture;

(b) The District defaults in the performance or observance of any other of the covenants, agreements, or conditions on the part of the District in this Indenture or the Bond Resolution, and fails to remedy the same after notice thereof pursuant to Section 8.12 hereof; or

(c) The District files a petition under the federal bankruptcy laws or other applicable bankruptcy laws seeking to adjust the obligation represented by the Bonds.

It is acknowledged that due to the limited nature of the Pledged Revenue, prior to the Unlimited Tax Receipt Date, the failure to pay the principal of or interest on the Bonds when due shall not, of itself, constitute an Event of Default hereunder.

#### **Section 8.02. Remedies on Occurrence of Event of Default.**

(a) Upon the occurrence and continuance of an Event of Default, the Trustee shall have the following rights and remedies which may be pursued:

(i) *Receivership.* Upon the filing of a bill in equity or other commencement of judicial proceedings to enforce the rights of the Trustee and of the Owners, the Trustee shall be entitled as a matter of right to the appointment of a receiver or receivers of the Trust Estate, and of the revenues, income, product, and profits thereof pending such proceedings, subject however, to constitutional limitations inherent in the sovereignty of the District; but notwithstanding the appointment of any receiver or other custodian, the Trustee shall be entitled to the possession and control of any cash, securities, or other instruments at the time held by, or payable or deliverable under the provisions of this Indenture to, the Trustee.

(ii) *Suit for Judgment.* The Trustee may proceed to protect and enforce its rights and the rights of the Owners under the Act, the Bonds, the Bond Resolution, this Indenture, and any provision of law by such suit, action, or special proceedings as the Trustee, being advised by Counsel, shall deem appropriate.

(iii) *Mandamus or Other Suit.* The Trustee may proceed by mandamus or any other suit, action, or proceeding at law or in equity, to enforce all rights of the Owners.

(b) No recovery of any judgment by the Trustee shall in any manner or to any extent affect the lien of this Indenture or any rights, powers, or remedies of the Trustee hereunder, or any lien, rights, powers, and remedies of the Owners of the Bonds, but such

lien, rights, powers, and remedies of the Trustee and of the Owners shall continue unimpaired as before.

(c) If any Event of Default under Section 8.01(a) shall have occurred and if requested by the Owners of 25% in aggregate principal amount of the Bonds then Outstanding, the Trustee shall be obligated to exercise such one or more of the rights and powers conferred by this Section 8.02 as the Trustee, being advised by Counsel, shall deem most expedient in the interests of the Owners, subject to Section 8.03 hereof; provided that the Trustee at its option shall be indemnified as provided in Section 9.01(m) hereof.

(d) Notwithstanding anything herein to the contrary, acceleration of the Bonds shall not be an available remedy for an Event of Default.

**Section 8.03. Majority of Owners May Control Proceedings.** The Owners of a majority in aggregate principal amount of the Bonds then Outstanding shall have the right, at any time, to the extent permitted by law, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the time, method, and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Indenture, or for the appointment of a receiver, and any other proceedings hereunder; provided that such direction shall not be otherwise than in accordance with the provisions hereof; and provided further that at its option the Trustee shall be indemnified as provided in Section 9.01(m) hereof.

**Section 8.04. Rights and Remedies of Owners.** No Owner of any Bond shall have any right to institute any suit, action, or proceeding in equity or at law for the enforcement of this Indenture or for the execution of any trust hereof or for the appointment of a receiver or any other remedy hereunder, unless (a) a default has occurred of which the Trustee has been notified as provided in Section 9.01(h) hereof, or of which under that Section it is deemed to have notice; (b) such default shall have become an Event of Default; (c) the Owners of not less than 25% in aggregate principal amount of Bonds then Outstanding shall have made written request to the Trustee and shall have offered reasonable opportunity either to proceed to exercise the powers hereinabove granted or to institute such action, suit, or proceedings in their own name, and shall have also offered to the Trustee indemnity as provided in Section 9.01(m) hereof; and (d) the Trustee shall thereafter fail or refuse to exercise the powers hereinbefore granted, or to institute such action, suit, or proceeding in its own name; such notification, request, and offer of indemnity are declared in every case at the option of the Trustee to be conditions precedent to any action or cause of action for the enforcement of this Indenture, or for the appointment of a receiver or for any other remedy hereunder; it being understood and intended that no one or more Owners of Bonds shall have any right in any manner whatsoever to affect, disturb, or prejudice the lien of this Indenture by his, her, its, or their action, or to enforce any right hereunder except in the manner herein provided and that all proceedings at law or in equity shall be instituted, had, and maintained in the manner herein provided and for the equal benefit of the Owners of all Bonds then Outstanding.

**Section 8.05. Application of Moneys.** All moneys received by the Trustee pursuant to any right given or action taken under the provisions of this Article and any other moneys held as part of the Trust Estate, after payment of the costs and expenses of the proceedings resulting in

the collection of such moneys and the fees (including attorneys' fees and costs of any other professionals hired by the Trustee hereunder), expenses, liabilities, and advances incurred or made by the Trustee, shall be deposited in the appropriate accounts or accounts created hereunder in the same manner as is provided for deposits of other revenue and used for the purposes thereof, until the principal of, premium if any, and interest on all of the Bonds has been paid in full. Whenever all of the Bonds and interest thereon have been paid under the provisions of this Section 8.05 and all expenses and fees of the Trustee have been paid, any balance remaining in any of the funds held hereunder shall be paid to the District.

**Section 8.06. Trustee May Enforce Rights Without Bonds.** All rights of action and claims under this Indenture or any of the Bonds Outstanding hereunder may be enforced by the Trustee without the possession of any of the Bonds or the production thereof in any trial or proceedings relative thereto. Any suit or proceeding instituted by the Trustee shall be brought in its name as the Trustee, without the necessity of joining as plaintiffs or defendants any Owners of the Bonds, and any recovery of judgment shall be for the ratable benefit of the Owners of the Bonds, subject to the provisions of this Indenture.

**Section 8.07. Trustee to File Proofs of Claim in Receivership, Etc.** In the case of any receivership, insolvency, bankruptcy, reorganization, arrangement, adjustment, composition, or other judicial proceedings affecting the District, the Trustee shall, to the extent permitted by law, file such proofs of claims and other documents as may be necessary or advisable in order to have claims of the Trustee and of the Owners allowed in such proceedings, without prejudice, however, to the right of any Owner to file a claim in his own behalf.

**Section 8.08. Delay or Omission No Waiver.** No delay or omission of the Trustee or of any Owner to exercise any right or power accruing upon any default shall exhaust or impair any such right or power or shall be construed to be a waiver of any such default, or acquiescence therein; and every power and remedy given by this Indenture may be exercised from time to time and as often as may be deemed expedient.

**Section 8.09. No Waiver of One Default to Affect Another; All Remedies Cumulative.** No waiver of any default hereunder, whether by the Trustee or the Owners, shall extend to or affect any subsequent or any other then existing default or shall impair any rights or remedies consequent thereon. All rights and remedies of the Trustee and the Owners provided herein shall be cumulative and the exercise of any such right or remedy shall not affect or impair the exercise of any other right or remedy.

**Section 8.10. Discontinuance of Proceedings on Default; Position of Parties Restored.** In case the Trustee shall have proceeded to enforce any right under this Indenture and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely to the Trustee, then and in every such case the District and the Trustee shall be restored to their former positions and rights hereunder with respect to the Trust Estate, and all rights, remedies, and powers of the Trustee shall continue as if no such proceedings had been taken.

**Section 8.11. Waivers of Events of Default.** The Trustee may in its discretion waive any Event of Default hereunder and its consequences, and shall do so upon the written request of

the Consent Parties with respect to a majority in aggregate principal amount of all the Bonds then Outstanding; provided however, that there shall not be waived without the consent of the Consent Parties with respect to 100% of the Bonds then Outstanding as to which the Event of Default exists any Event of Default under Section 8.01(a) hereof. In case of any such waiver, or in case any proceedings taken by the Trustee on account of any such default shall have been discontinued or abandoned or determined adversely to the Trustee, then in every such case the District, the Trustee, and the Owners shall be restored to their former positions and rights hereunder respectively, but no such waiver or rescission shall extend to any subsequent or other default, or impair any right consequent thereon.

#### **Section 8.12. Notice of Default; Opportunity to Cure Defaults.**

(a) The Trustee shall give to the Owners of all Bonds notice by mailing to the address shown on the registration books maintained by the Trustee or by electronic means to DTC or its successors, of all Events of Default of which the Trustee is by Section 9.01(h) required to take notice, or if notice of an Event of Default is given as provided in said section, within 90 days after the Trustee has knowledge of the occurrence of such default or Event of Default unless such default or Event of Default shall have been cured before the giving of such notice; provided that, the Trustee shall be protected in withholding such notice if and so long as a committee of its corporate trust department in good faith determines that the withholding of such notice is not detrimental to the interests of the Owners.

(b) No default under subsection 8.01(b) hereof shall constitute an Event of Default until actual notice of such default by registered or certified mail shall be given by the Trustee or by the Owners of not less than 25% in aggregate principal amount of all Bonds Outstanding to the District, and the District shall have had 30 days after receipt of such notice to correct said default or cause said default to be corrected, and shall not have corrected said default or caused said default to be corrected within the applicable period; provided however, if said default be such that it cannot be corrected within the applicable period, it shall not constitute an Event of Default if corrective action is instituted within the applicable period and diligently pursued thereafter until the default is corrected.

### **ARTICLE IX**

#### **CONCERNING TRUSTEE**

**Section 9.01. Acceptance of Trusts and Duties of Trustee.** The Trustee hereby accepts the trusts imposed upon it by this Indenture and agrees to perform said trusts, but only upon and subject to the following express terms and conditions, and no implied covenants or obligations shall be read into this Indenture against the Trustee.

(a) The Trustee, prior to the occurrence of an Event of Default and after the curing or waiver of any Event of Default which may have occurred, shall undertake to perform such duties and only such duties as are specifically set forth in this Indenture. In case an Event of Default has occurred (which has not been cured or waived) the Trustee shall exercise such of the rights and powers vested in it by this Indenture and use the

same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs in exercising the rights or remedies or performing any of its duties hereunder.

(b) The Trustee may execute any of the trusts or powers hereof and perform any of its duties by or through attorneys, agents, receivers, or employees, but shall be answerable for the conduct of the same in accordance with the standard specified in Section 9.01(g) hereof, and shall be entitled to act upon the advice or an opinion of Counsel concerning all matters of trust hereof and the duties hereunder, and may in all cases pay (and be reimbursed as provided in Section 9.02 hereof) such compensation to all such attorneys, agents, receivers, and employees as may reasonably be employed in connection with the trusts hereof. The Trustee may act upon the advice or an Opinion of Counsel, but the Trustee shall not be responsible for any loss or damage resulting from any action taken or omitted to be taken in good faith in reliance upon the advice or an opinion of Counsel chosen with due care.

(c) The Trustee shall not be responsible for any recital herein or in the Bonds, or for the validity of the execution by the District of this Indenture or of any supplements hereto or instruments of further assurance, or for the sufficiency of the security for the Bonds, or for the recording or rerecording, filing or refiling of this Indenture or any security agreement in connection therewith (excluding the continuation of originally filed Uniform Commercial Code financing statements) and the Trustee shall not be bound to ascertain or inquire as to the performance or observance of any covenants, conditions, or agreements on the part of the District, except as herein set forth; but the Trustee may require of the District full information and advice as to the performance of the covenants, conditions, and agreements aforesaid. The Trustee shall not be responsible or liable for any loss suffered in connection with any investment of funds made by it in accordance with Article VI hereof.

(d) The Trustee makes no representations as to the value or condition of the Trust Estate or any part thereof (except for funds or investments held by the Trustee) or as to the validity or sufficiency of this Indenture or the Bonds. The Trustee shall not be accountable for the use of any Bonds authenticated or delivered hereunder. The Trustee, in its individual capacity or any other capacity, may become the Owner of the Bonds with the same rights which it would have if not the Trustee. The Trustee shall not be accountable for the use or application by the District of the proceeds of any of the Bonds or of any money paid to or upon the order of the District under any provision of this Indenture.

(e) The Trustee may conclusively rely and shall be protected in acting or refraining from acting upon any notice, request, consent, certificate, order, affidavit, letter, telegram, or other paper or document believed to be genuine and correct and to have been signed or sent by the proper person or persons. The Trustee may rely conclusively on any such certificate or other paper or document and shall not be required to make any independent investigation in connection therewith. Any action taken by the Trustee pursuant to this Indenture upon the request or authority or consent of any person who at the time of making such request or giving such authority or consent is the

Registered Owner of any Bonds shall be conclusive and binding upon all future owners of the same Bond and upon Bonds issued in place thereof.

(f) As to the existence or nonexistence of any fact or as to the sufficiency or validity of any instrument, paper, or proceedings, or whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering, or omitting any action hereunder, the Trustee shall be entitled to conclusively rely upon a certificate signed on behalf of the District by the District Representative or the District's President or such other person as may be designated for such purpose as provided hereunder or by a certified resolution of the District as sufficient evidence of the facts therein contained, and, prior to the occurrence of a default of which the Trustee has been notified as provided in Section 9.01(h) hereof or of which by said Section it is deemed to have notice, shall also be at liberty to accept a similar certificate to the effect that any particular dealing, transaction, or action is necessary or expedient, but may at its discretion secure such further evidence deemed necessary or advisable, but shall in no case be bound to secure the same.

(g) The permissive right of the Trustee to do things enumerated in this Indenture shall not be construed as a duty and the Trustee shall not be answerable for other than its negligence or willful misconduct and shall not be answerable for any negligent act of its attorneys, agents or receivers which have been selected by the Trustee with due care.

(h) The Trustee shall not be required to take notice or be deemed to have notice of any default hereunder except failure to be made of any of the payments to the Trustee required to be made hereby, unless the Trustee shall be specifically notified in writing of such default by the District or by the Owners of at least 25% in aggregate principal amount of Bonds then Outstanding. All notices or other instruments required by this Indenture to be delivered to the Trustee must, in order to be effective, be delivered at the principal corporate trust office of the Trustee, and in the absence of such notice so delivered, the Trustee may conclusively assume there is no default except as aforesaid.

(i) All moneys received by the Trustee shall, until used or applied or invested as herein provided, be held in trust in the manner and for the purposes for which they were received but need not be segregated from other funds except to the extent required by this Indenture or by law. The Trustee shall not be under any liability to invest any moneys received hereunder except as provided in Article VI hereof.

(j) At any and all reasonable times the Trustee or its duly authorized agents, attorneys, experts, engineers, accountants, and representatives shall have the right, but shall not be required, to inspect any and all books, papers, and records of the District pertaining to the Bonds and the Pledged Revenue, and to take such memoranda from and in regard thereto as may be desired.

(k) Notwithstanding anything in this Indenture to the contrary, the Trustee shall have the right, but shall not be required, to demand, in respect of the authentication of any Bonds, or any action whatsoever within the purview of this Indenture, any

showings, certificates, opinions, appraisals, or other information or corporate action or evidence thereof, in addition to that by the terms hereof required, as a condition of such action by the Trustee, as may be deemed desirable for the purpose of establishing the right of the District to the authentication of any Bonds, or the taking of any other action by the Trustee.

(l) All records of the Trustee pertaining to the Bonds shall be open during reasonable times for inspection by the District.

(m) The Trustee shall not be required to advance its own funds, and before taking any action under this Indenture, other than the payment of monies on deposit in any of the funds as provided for herein, the Trustee may require that indemnity satisfactory to it be furnished to it for the reimbursement of all costs and expenses which it may incur, including attorneys' fees, and to protect it against all liability, except liability which may result from its gross negligence or willful misconduct, by reason of any action so taken. To the extent permitted by law, the District agrees to indemnify the Trustee against any claims arising out of the exercise and performance of its powers and duties hereunder in good faith and without negligence; provided that this agreement shall not act as a waiver of immunity of the District under the Colorado Governmental Immunity Act.

(n) The Trustee shall not be required to give any bond or surety in respect of the execution of the said trusts and powers or otherwise in respect of the premises.

(o) The Trustee shall have no responsibility with respect to any information, statement or recital in any offering memorandum, remarketing circular or other disclosure material prepared or distributed with respect to the Bonds.

(p) The Trustee makes no representations as to the validity or sufficiency of this Indenture or the Bonds, assumes no responsibility for the correctness of the same, and shall incur no responsibility in respect to such validity or sufficiency.

**Section 9.02. Fees and Expenses of the Trustee.** The Trustee shall be entitled to payment and reimbursement of its fees and expenses for ordinary services rendered hereunder as and when the same become due (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust) and all advances and expenses reasonably and necessarily made or incurred by the Trustee in connection with such ordinary services, including legal fees and expenses. In no event shall the Trustee be obligated to advance its own funds in order to take any action hereunder. In the event that it should become necessary for the Trustee to perform extraordinary services, the Trustee shall be entitled to reasonable additional compensation therefor and to reimbursement for reasonable and necessary extraordinary expenses in connection therewith; provided that if such extraordinary services or extraordinary expenses are occasioned by the gross negligence or willful misconduct of the Trustee it shall not be entitled to compensation or reimbursement therefor. The Trustee shall have a lien upon all moneys in its possession under any provisions hereof for the foregoing advances, fees, costs and expenses incurred and unpaid, but subject to the right of prior payment of the principal and interest on the Bonds when due. The Trustee's right to compensation and

indemnification shall survive the satisfaction and discharge of this Indenture or the Trustee's resignation or removal hereunder and payment in full of the Bonds.

**Section 9.03. Resignation or Replacement of Trustee.**

(a) The Trustee may resign, subject to the appointment of a successor, by giving 30 days' notice of such resignation to the District and to all Owners of Bonds specifying the date when such resignation shall take effect. Such resignation shall take effect on the date specified in such notice unless a successor shall have been previously appointed as hereinafter provided, in which event such resignation shall take effect immediately on the appointment of such successor. The Trustee may petition the courts to appoint a successor in the event no such successor shall have been previously appointed. The Trustee may be removed at any time by an instrument in writing, executed by a majority of the Owners in aggregate principal amount of the Bonds then Outstanding. Any removal or resignation of the Trustee and appointment of a successor Trustee shall become effective only upon acceptance of appointment by the successor Trustee.

(b) In case the Trustee shall at any time resign or be removed or otherwise become incapable of acting, a successor may be appointed by the District so long as it is not in default hereunder; otherwise by the Owners of a majority in aggregate principal amount of the Bonds then Outstanding by an instrument or concurrent instruments signed by such Owners, or their attorneys-in-fact appointed; provided however, that even if the District is in default hereunder it may appoint a successor until a new successor shall be appointed by the District or the Owners as herein authorized. The District, upon making such appointment, shall forthwith give notice thereof to the Owners by mailing to the address shown on the registration books maintained by the Trustee, which notice may be given concurrently with the notice of resignation given by any resigning Trustee. Any successor so appointed by the District shall immediately and without further act be superseded by a successor appointed in the manner above provided by the District or the Owners of a majority in aggregate principal amount of the Bonds then Outstanding, as applicable.

(c) Every successor Trustee shall always be a commercial bank or trust company in good standing, qualified to act hereunder, and having a capital surplus of not less than \$50,000,000, if there be such an institution willing, qualified, and able to accept the trust upon reasonable or customary terms. Any successor appointed hereunder shall execute, acknowledge, and deliver to the District an instrument accepting such appointment hereunder, and thereupon such successor shall, without any further act, deed, or conveyance, become vested with all estates, properties, rights, powers, and trusts of its predecessor in the trust hereunder with like effect as if originally named as the Trustee hereunder and thereupon the duties and obligations of the predecessor shall cease and terminate; but the Trustee retiring shall, nevertheless, on the written demand of its successor and upon payment of the fees and expenses owed to the predecessor, execute and deliver an instrument conveying and transferring to such successor, upon the trusts herein expressed, all the estates, properties, rights, powers, and trusts of the predecessor, who shall duly assign, transfer, and deliver to the successor all properties and moneys

held by it under this Indenture. If any instrument from the District is required by any successor for more fully and certainly vesting in and confirming to it the estates, properties, rights, powers, and trusts of the predecessor, those instruments shall be made, executed, acknowledged, and delivered by the District on request of such successor.

(d) The instruments evidencing the resignation or removal of the Trustee and the appointment of a successor hereunder, together with all other instruments provided for in this Section, shall be filed or recorded by the successor Trustee in each recording office, if any, where this Indenture shall have been filed or recorded.

**Section 9.04. Conversion, Consolidation, or Merger of Trustee.** Anything herein to the contrary notwithstanding, any bank or trust company or other person into which the Trustee or its successor may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer its corporate trust business as a whole, shall be the successor of the Trustee under this Indenture with the same rights, powers, duties, and obligations, and subject to the same restrictions, limitations, and liabilities as its predecessor, all without the execution or filing of any papers or any further act on the part of any of the parties hereto, provided that such bank, trust company, or other person is legally empowered to accept such trust.

**Section 9.05. Trustee Protected in Relying Upon Resolutions, Etc.** The resolutions, opinions, certificates, and other instruments provided for in this Indenture may be accepted by the Trustee as conclusive evidence of the facts and conclusions stated therein and shall be full warrant, protection, and authority to the Trustee for the release of property and the withdrawal of cash hereunder. Except as provided herein, the Trustee shall not be under any responsibility to seek the approval of any expert for any of the purposes expressed in this Indenture; provided however, that nothing contained in this Section shall alter the Trustee's obligations or immunities provided by statutory, constitutional, or common law with respect to the approval of independent experts who may furnish opinions, certificates, or opinions of Counsel to the Trustee pursuant to any provisions of this Indenture.

## ARTICLE X

### SUPPLEMENTAL INDENTURES

**Section 10.01. Supplemental Indentures Not Requiring Consent.** Subject to the provisions of this Article, the District and the Trustee may, without the consent of or notice to the Consent Parties, enter into such indentures supplemental hereto, which supplemental indentures shall thereafter form a part hereof, for any one or more of the following purposes:

(a) To cure any ambiguity, to cure, correct, or supplement any formal defect or omission or inconsistent provision contained in this Indenture, to make any provision necessary or desirable due to a change in law, to make any provisions with respect to matters arising under this Indenture, or to make any provisions for any other purpose if such provisions are necessary or desirable and do not in the opinion of Bond Counsel materially adversely affect the interests of the Owners of the Bonds;

(b) To subject to this Indenture additional revenues, properties, or collateral;

(c) To grant or confer upon the Trustee for the benefit of the Owners any additional rights, remedies, powers, or authority that may lawfully be granted to or conferred upon the Owners or the Trustee; and

(d) To qualify this Indenture under the Trust Indenture Act of 1939.

**Section 10.02. Supplemental Indentures Requiring Consent.**

(a) Except for supplemental indentures delivered pursuant to Section 10.01 hereof, and subject to the provisions of this Article, the Consent Parties with respect to not less than a majority (or for modifications of provisions hereof which require the consent of a percentage of Owners or Consent Parties higher than a majority, such higher percentage) in aggregate principal amount of the Bonds then Outstanding shall have the right, from time to time, to consent to and approve the execution by the District and the Trustee of such indenture or indentures supplemental hereto as shall be deemed necessary or desirable by the District for the purpose of modifying, altering, amending, adding to, or rescinding, in any particular, any of the terms or provisions contained in this Indenture; provided however, that without the consent of the Consent Parties with respect to all the Outstanding Bonds affected thereby, nothing herein contained shall permit, or be construed as permitting:

(i) a change in the terms of the maturity of any Outstanding Bond, in the principal amount of any Outstanding Bond, in the optional or mandatory redemption provisions applicable thereto, or the rate of interest thereon;

(ii) an impairment of the right of the Owners to institute suit for the enforcement of any payment of the principal of or interest on the Bonds when due;

(iii) a privilege or priority of any Bond or any interest payment over any other Bond or interest payment; or

(iv) a reduction in the percentage in principal amount of the Outstanding Bonds, the consent of whose Owners or Consent Parties is required for any such supplemental indenture.

(b) Upon the execution of any supplemental indenture pursuant to the provisions of this Section, this Indenture shall be deemed to be modified and amended in accordance therewith, and the respective rights, duties, and obligations under this Indenture of the District, the Trustee, and all Owners of Bonds then Outstanding shall thereafter be determined, exercised, and enforced hereunder, subject in all respects to such modifications and amendments.

(c) If at any time the District shall request the Trustee to enter into such supplemental indenture for any of the purposes of this Section, the Trustee shall, upon being satisfactorily indemnified with respect to fees and expenses, cause notice of the proposed execution of such supplemental indenture to be given by mailing such notice by certified or registered first class mail to each Owner of a Bond to the address shown on

the registration books of the Trustee or by electronic means to DTC or its successors, at least 30 days prior to the proposed date of execution and delivery of any such supplemental indenture. Such notice shall briefly set forth the nature of the proposed supplemental indenture and shall state that copies thereof are on file at the principal corporate trust office of the Trustee for inspection by all Owners. If, within 60 days or such longer period as shall be prescribed by the District following the giving of such notice, the Consent Parties with respect to not less than the required percentage in aggregate principal amount of the Bonds then Outstanding at the time of the execution of any such supplemental indenture shall have consented to and approved the execution thereof as herein provided, the District may execute and deliver such supplemental indenture and no Owner of any Bond shall have any right to object to any of the terms and provisions contained therein, or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Trustee or the District from executing the same or from taking any action pursuant to the provisions thereof.

**Section 10.03. Execution of Supplemental Indenture.** The Trustee is authorized to join with the District in the execution of any such supplemental indenture and to make further agreements and stipulations which may be contained therein; provided that, prior to the execution of any such supplemental indenture (whether under Section 10.01 or 10.02 hereof) the Trustee and the District shall receive and shall be fully protected in relying upon an opinion of Bond Counsel experienced in matters arising under Section 103 of the Code and acceptable to the Trustee and the District, to the effect that: (a) the supplement will not adversely affect the exclusion from gross income for federal income tax purposes, of the interest paid or to be paid on the Bonds; (b) the District is permitted by the provisions hereof to enter into the supplement; and (c) the supplement is a valid and binding obligation of the District, enforceable in accordance with its terms, subject to matters permitted by Section 1.05 hereof.

Such recourse shall not be available either directly or indirectly through the Board or the District, or otherwise, whether by virtue of any constitution, statute, rule of law, enforcement of penalty, or otherwise. REGISTERED OWNER: Cede & Co.

PRINCIPAL AMOUNT: \_\_\_\_\_ Thousand and 00/100 U.S. Dollars

Interquest South Business Improvement District, a quasi municipal corporation and political subdivision of the State of Colorado (the "State"), duly and regularly created as a business improvement district under the constitution and laws of the State of Colorado, in particular Title 31, Article 25, Part 12, Colorado Revised Statutes, as amended (the "Act"), for value received, hereby acknowledges itself indebted and promises to pay, solely from and to the extent of the Pledged Revenue (defined below), to the registered owner named above, or registered assigns, on the maturity date specified above or on the date of prior redemption, the principal amount specified above. In like manner the District promises to pay interest on such principal amount (computed on the basis of a 360-day year of twelve 30-day months) from the Interest Payment Date next preceding the date of registration and authentication of this Bond, unless this Bond is registered and authenticated prior to December 1, 2017, in which event this Bond shall bear interest from its date of delivery, at the interest rate per annum specified above,

payable semiannually on June 1 and December 1 each year, commencing on December 1, 2017, until the principal amount is paid at maturity or upon prior redemption.

To the extent principal of this Bond is not paid when due, such principal shall remain Outstanding until paid. To the extent interest on this Bond is not paid when due, such interest shall compound semiannually on each Interest Payment Date, at the rate then borne by the Bond; provided however, that notwithstanding anything herein or in the Indenture to the contrary, the District shall not be obligated to pay more than the amount permitted by law and its electoral authorization in repayment of this Bond, including all payments of principal and interest, and this Bond will be deemed defeased and no longer Outstanding upon the payment by the District of such amount.

The Bonds are issued pursuant to that certain Indenture of Trust (the "Indenture") dated as of \_\_\_\_\_, 2017, between the District and UMB Bank, n.a., as trustee (the "Trustee"). All capitalized terms used and not otherwise defined herein shall have the respective meanings assigned in the Indenture.

The principal of this Bond is payable in lawful money of the United States of America to the registered owner hereof upon maturity or prior redemption and presentation at the principal office of the Trustee. Payment of each installment of interest shall be made to the registered owner hereof whose name shall appear on the registration books of the District maintained by or on behalf of the District by the Trustee at the close of business on the 15th day of the calendar month next preceding each Interest Payment Date (the "Record Date"), and shall be paid by check or draft of the Trustee mailed on or before the Interest Payment Date to such registered owner at his address as it appears on such registration books. The Trustee may make payments of interest on any Bond by such alternative means as may be mutually agreed to between the registered owner of such Bond and the Trustee as provided in the Indenture. Any such interest not so timely paid or duly provided for shall cease to be payable to the person who is the registered owner hereof at the close of business on the Record Date and shall be payable to the person who is the registered owner hereof at the close of business on a Special Record Date (the "Special Record Date") established for the payment of any defaulted interest. Notice of the Special Record Date and the date fixed for the payment of defaulted interest shall be given by first-class mail to the registered owner hereof as shown on the registration books on a date selected by the Trustee.

This Bond is one of a series aggregating \$\_\_\_\_\_ par value, all of like date, tenor, and effect, issued by the Board of Directors of Interquest South Business Improvement District, in the City of Colorado Springs, County of El Paso, State of Colorado, for the purpose of paying the costs of providing certain public improvements within and without the District, by virtue of and in full conformity with the Constitution of the State of Colorado; Title 31, Article 25, Part 12, C.R.S.; Title 11, Article 57, Part 2, C.R.S.; and all other laws of the State of Colorado thereunto enabling, and pursuant to the duly adopted Bond Resolution and the Indenture. Pursuant to Section 11-57-210, C.R.S., such recital shall be conclusive evidence of the validity and the regularity of the issuance of the Bonds after their delivery for value.

It is hereby recited, certified, and warranted that all of the requirements of law have been fully complied with by the proper officers in issuing this Bond. It is hereby further recited,

certified, and warranted that the total indebtedness of the District, including that of this Bond, does not exceed any limit prescribed by the constitution or laws of the State of Colorado; and that at the election lawfully held within the District on November 2, 2004, the issuance of this Bond was duly authorized by a majority of the electors of the District qualified to vote and voting at said election.

All of the Bonds, together with the interest thereon and any premium due in connection therewith, shall be payable from and to the extent of certain moneys held under the Indenture and the "Pledged Revenue," as defined by the Indenture. The Bonds constitute an irrevocable lien upon the Pledged Revenue, but not necessarily an exclusive such lien. Subject to expressed conditions, obligations in addition to the Bonds of this issue may be issued and made payable from the Pledged Revenue having a lien thereon subordinate and junior to the lien of the Bonds of this issue or, subject to additional expressed conditions, having a lien thereon on a parity with the lien of the Bonds of this issue, in accordance with the provisions of the Indenture.

Reference is hereby made to the Indenture for an additional description of the nature and extent of the security for the Bonds, the accounts and revenues pledged to the payment thereof, the rights and remedies of the registered owners of the Bonds, the manner in which the Indenture may be amended, and the other terms and conditions upon which the Bonds are issued, copies of which are on file for public inspection at the office of the District Secretary.

By acceptance of this instrument, the owner of this Bond agrees and consents to all of the limitations in respect of the payment of the principal of and interest on this Bond contained herein and in the resolution of the District authorizing the issuance of this Bond. This Bond does not constitute an indebtedness, obligation or liability of the City in any manner, and the faith and credit of the City is not pledged for the payment of the Bond.

The Bonds are subject to redemption prior to maturity as provided in the Indenture. The Bonds will be redeemed only in integral multiples of \$1,000. In the event a Bond is of a denomination larger than \$1,000, a portion of such Bond may be redeemed, but only in the principal amount of \$1,000 or any integral multiple thereof. Such Bond will be treated for the purposes of redemption as that number of Bonds which results from dividing the principal amount of such Bond by \$1,000. In the event a portion of this Bond is redeemed, the Trustee shall, without charge to the registered owner of this Bond, authenticate and deliver a replacement Bond or Bonds for the unredeemed portion.

Notice of prior redemption shall be given by mailing a copy of the redemption notice or by electronic means to DTC or its successors, not less than 30 days prior to the date fixed for redemption, to the registered owner of this Bond at the address shown on the registration books maintained by the Trustee, in the manner set forth in the Indenture. The redemption of the Bonds may be contingent or subject to such conditions as may be specified in the notice. All Bonds called for redemption will cease to bear interest after the specified redemption date, provided funds for their redemption are on deposit at the place of payment at that time.

The District and Trustee shall not be required to issue or transfer any Bonds: (a) during a period beginning at the close of business on the Record Date and ending at the opening of business on the first Business Day following the ensuing Interest Payment Date or (b) during the

period beginning at the opening of business on a date 45 days prior to the date of any redemption of Bonds and ending at the opening of business on the first Business Day following the day on which the applicable notice of redemption is mailed. The Trustee shall not be required to transfer any Bonds selected or called for redemption, in whole or in part.

The District and the Trustee may deem and treat the registered owner of this Bond as the absolute owner hereof for all purposes (whether or not this Bond shall be overdue), and any notice to the contrary shall not be binding upon the District or the Trustee.

This Bond may be exchanged at the principal office of the Trustee for a like aggregate principal amount of Bonds of the same series and maturity of other authorized denominations. This Bond is transferable by the registered owner hereof in person or by his attorney duly authorized in writing, at the principal office of the Trustee, but only in the manner, subject to the limitations, and upon payment of the charges provided in the Indenture and upon surrender and cancellation of this Bond. This Bond may be transferred upon the registration books upon delivery to the Trustee of this Bond, accompanied by a written instrument or instruments of transfer in form and with guaranty of signature satisfactory to the Trustee, duly executed by the owner of this Bond or his attorney-in-fact or legal representative, containing written instructions as to the details of the transfer of the Bond, along with the social security number or federal employer identification number of such transferee. In the event of the transfer of this Bond, the Trustee shall enter the transfer of ownership in the registration books and shall authenticate and deliver in the name of the transferee or transferees a new fully registered Bond or Bonds of authorized denominations of the same series, maturity, and interest rate for the aggregate principal amount which the registered owner is entitled to receive at the earliest practicable time. The Trustee shall charge the owner of this Bond for every such transfer or exchange an amount sufficient to reimburse it for its reasonable fees and for any tax or other governmental charge required to be paid with respect to such transfer or exchange.

If the date for making any payment or the last day for performance of any act or the exercising of any right, as provided in this Indenture, shall be a Saturday, Sunday, legal holiday or a day on which banking institutions in the city in which the principal office of the Trustee are located are authorized or required by law to remain closed, such payment may be made or act performed or right exercised on the next succeeding day which is not a Saturday, Sunday, legal holiday or a day on which such banking institutions are authorized or required by law to remain closed, with the same force and effect as if done on the nominal date provided in the Indenture.

This Bond shall not be valid or become obligatory for any purpose or be entitled to any security or benefit under the Indenture until the certificate of authentication hereon shall have been signed by the Trustee.

IN TESTIMONY WHEREOF, the Board of Directors of Interquest South Business Improvement District has caused this Bond to be signed by the manual or facsimile signature of the President of the District, sealed with a manual impression or a facsimile of the seal of the District, and attested by the manual or facsimile signature of the Secretary thereof, all as of \_\_\_\_\_, 2017.
