IV. CONDITIONS FOR INCENTIVE AND PROCEDURAL REQUIREMENTS FOR THE COMPANY TO RECEIVE INCENTIVE

A. General Conditions for All Incentives:

1. The Company agrees to invest not less than \$1,000,000 (the "Minimum Investment") in Facilities Construction and Building Materials and business personal property, including furniture and fixtures, and machinery and equipment, as described in Section II.A of this Agreement. The Company or its contractors and agents shall be responsible for obtaining

and maintaining all necessary permits, licenses, and approvals to operate the Facilities and equipment and shall pay all fees related to such permits, licenses, and approvals. The Minimum Investment must be made not later than one (1) year after the Employment Commencement Date, as defined below in Section IV.A.2 of this Agreement, to receive the Incentives in year one (1) of this Agreement. Provided, however, if the Minimum Investment is not achieved in year one (1), the Company can add expenditures in subsequent years until the Minimum Investment is reached, and the Company may qualify for the Incentives during the year in which it satisfies the Minimum Investment.

2. The Company will commence operations at the Facilities and will employ not less than ten (10) new Full Time Employees in New Jobs at the Facilities on or before December 31, 2026 (the “Employment Commencement Date”) and maintain those New Jobs thereafter during each calendar year during the Term as a condition and requirement to qualify for the Incentives provided in this Agreement during the Term. For purposes of determining the new Full Time Employees and New Jobs, such new Full Time Employees must be residents of the City or El Paso County, Colorado.
3. For each year of the Term of this Agreement, the Company must provide the City with otherwise confidential taxpayer information demonstrating to the City’s satisfaction that Company is meeting its employment commitment and entitlement to receive the Incentives and that allows the City to verify purchases and determine Incentive amounts. More specifically but without limiting the foregoing, the Company shall, at its sole cost and expense, prepare and submit reports to the City within thirty (30) days after the end of each calendar year during the Term of this Agreement stating the number of Full Time Employees employed in New Jobs. All reports shall be prepared from the Company’s records and supported by payroll records, invoices, and other appropriate documentation. The Company shall provide copies of any reasonable additional documentation as requested by the City within seven (7) days after the City’s request.
4. If the Company complies with the Conditions for Incentive and provides the reports and other documentation as required in Sections IV.A.1 through 3 above, the City will pay to the Company the appropriate Incentive amounts specified by and in accordance with the terms of this Agreement, the Resolution and/or City Code § 2.12.101, *et seq.*, as applicable to the CAZ.
5. All Incentives provided under this Agreement are related solely to the Facilities and the Company’s operations within the City of Colorado Springs.
6. In addition, the Company shall make available to the City if requested, true and complete records, which support expense, payroll, tax, payment, or billing statements, reports, performance indices, and all other documentation related to the Parties’ respective obligations under this Agreement. The City’s authorized representatives shall have access during reasonable hours to all records, which are deemed appropriate to auditing expense, payroll, tax, payment, or billing statements, reports, performance indices, and all other related documentation. The Company agrees that it will keep and preserve for at least seven (7) years all documents related to this Agreement that are routinely prepared, collected or compiled by the Company during the Term of this Agreement.
7. It is the City’s intention that the Incentive amounts will be incorporated into the City’s annual budget submitted to City Council for consideration and approval.

8. All Incentives are subject to annual appropriation by the City Council of the City of Colorado Springs. This Agreement is expressly made subject to the limitations of the Colorado Constitution and Section 7-60 of the Charter of the City of Colorado Springs. Nothing herein shall constitute, nor be deemed to constitute, the creation of a debt or multi-year fiscal obligation or an obligation of future appropriations by the City Council of Colorado Springs, contrary to Article X, § 20, Colo. Const., or any other constitutional, statutory, or charter debt limitation. Notwithstanding any other provision of this Agreement, with respect to any financial obligation of the City which may arise under this Agreement in any fiscal year after the year of execution, in the event the budget, appropriation ordinance or other means of appropriation for any such year fails to provide funds in sufficient amounts to discharge such obligation, such failure, (i) shall act to terminate this Agreement at such time as the then-existing and available appropriations are depleted, and (ii) neither such failure nor termination shall constitute a default or breach of this Agreement, including any sub-agreement, attachment, schedule, or exhibit thereto, by the City. As used herein, the term “appropriation” shall mean and include the due adoption of an appropriation ordinance and budget and the approval of a Budget Detail Report (Resource Allocations) which contains an allocation of sufficient funds for the performance of fiscal obligations arising under this Agreement.

To ensure timely processing, the submission must be thorough and complete, with all required materials included in the packet.
4. If the Company chooses not to pursue Incentives, it must notify the City Sales Tax Office with a formal statement indicating its decision. Please note that timely filed refund claims are a prerequisite for any incentive payments.
