Educational Background: bachelor's degree in architecture from Kansas State University - 1995

Professional Licenses and/or Associations:

Licensed Architect 1999, AIA (American Institute of Architects) member since 2004, LEED (Leadership in Energy and Environmental Design) 2010

Special Knowledge or Skills:

I have been the project manager or architect of several housing projects including: Blue Dot Place in Colorado Springs, Boulder County Housing Authority - Josephine Commons and Aspinwall in Lafayette Colorado, Rio Grande Village - Colorado Springs Housing Authority. I have reviewed home designs for La Plata Communities for over 14 years.

Civic and/or Service Membership:

Served as president of the AIA Colorado South board in 2013

Served as a volunteer on the Enterprise Green Communities board in 2014

Habitat for Humanity - ongoing

Volunteered as a CASA SEPT supervisor in 2010

Civic Interests:

How will your qualifications best serve the needs of the community?:

My perspective as an architect will give the board several perspectives including:

Design and renovation of housing, Code requirements, Construction types, building standards, livable communities and Enterprise Green Communities requirements.

Why do you want to serve on the board?:

To give back to my community, provide design and construction expertise where helpful and develop a more complete picture of how the Housing Authority functions.
