RECITALS:

1. Authority exists in the law and funds have been budgeted, appropriated and otherwise made available and a sufficient uncommitted balance thereof remains available for payment of project and Local Agency costs in Fund Number 400, Function: 2300, GL Account: 4541000010, and Cost Center: R2594-010. (Contract Encumbrance Amount: \$332,880.00).
2. Required approval, clearance and coordination have been accomplished from and with appropriate agencies.
3. Section 43-2-102 and 103, C.R.S., require the State to maintain State highways (including where such highways extend through a city or an incorporated town), and Section 43-2-135(1)(i), C.R.S., as amended, requires the State to install, operate, maintain and control, at State expense, all traffic control devices on the State highway system within cities and incorporated towns.
4. The parties desire to enter this contract for the Local Agency to provide some or all of the certain Highway maintenance services on State highways that are the responsibility of the State under applicable law, and for the State to pay the Local Agency a reasonable negotiated fixed rate for such services.
5. The parties also intend that the Local Agency shall remain responsible to perform any services and duties on State highways that are the responsibility of the Local Agency under applicable law, at its own cost.
6. The State and the Local Agency have the authority, as provided in Sections 29-1-203, 43-1-106, 43-2-103, 43-2-104, and 43-2-144, C.R.S., as amended, and if applicable, in an ordinance or resolution duly passed and adopted by the Local Agency, to enter into contract with the Local Agency for the purpose of maintenance of traffic control devices on the State highway system as hereinafter set forth.
7. The Local Agency has adequate facilities to perform the desired maintenance services on State highways within its jurisdiction.

THE PARTIES NOW AGREE THAT:

Section 1. Scope of Work

The Local Agency shall perform all maintenance services for the specified locations located within the Local Agency's jurisdiction and described in **Exhibit A**. Such services and highways are further detailed in Section 5.

Section 2. Order of Precedence

In the event of conflicts or inconsistencies between this contract and its exhibits, such conflicts or inconsistencies shall be resolved by reference to the documents in the following order of priority:

1. Special Provisions contained in section 22 of this contract
2. This contract
3. **Exhibit A** (Scope of Work)
4. **Exhibit C** (Option Letter)
5. **Exhibit D** (Encumbrance Letter).

Section 3. Term

This contract shall be effective upon the date signed/approved by the State Controller, or designee, or on July 1, 2019, whichever is later. The term of this contract shall be for **a term of FIVE (5) years**. Provided, however, that the State's financial obligation for each subsequent, consecutive fiscal year of that term after the first fiscal year shall be subject to and contingent upon funds for each subsequent year being appropriated, budgeted, and otherwise made available therefor.

Section 4. Project Funding and Payment Provisions

- A. The Local Agency has estimated the total cost of the work and is prepared to accept the State funding for the work, as evidenced by an appropriate ordinance or resolution duly passed and adopted by the authorized representatives of the Local Agency, which expressly authorizes the Local Agency to enter into this contract

and to complete the work under the project. A copy of any such ordinance or resolution is attached hereto and incorporated herein as **Exhibit B**.

- B. Subject to the terms of this contract, for the satisfactory performance of the maintenance services on the Highways, as described in Section 5, the State shall pay the Local Agency on a lump sum basis, payable in monthly installments, upon receipt of the Local Agency's Statements, as provided herein.
- C. The State shall pay the Local Agency for the satisfactory operation and maintenance of traffic control devices under this agreement at the rates described in **Exhibit A**.
- D. The Local Agency will provide maintenance services as described in **Exhibit A**, for a **total maximum amount of \$332,880.00 per State fiscal year, and a maximum contract total shall not exceed the cumulative five-year total of \$1,664,400.00**. The negotiated rate per location shall remain fixed for the full five-year term of the contract, unless this rate is renegotiated in accord with the procedure set forth herein in Section 17. The total payments to the Local Agency during the term of this contract shall not exceed that maximum amount, unless this contract is amended. The Local Agency will bill the State monthly and the State will pay such bills within 45 days.
- E. The Statements submitted by the Local Agency for which payment is requested shall contain an adequate description of the type(s) and the quantity(ies) of the maintenance services performed, the date(s) of that performance, and on which specific sections of the highways such services were performed, in accord with standard Local Agency billing standards.
- F. If the Local Agency fails to satisfactorily perform the maintenance services or if the Statement submitted by the Local Agency does not adequately document the payment requested, after notice thereof from the State, the State may deduct and retain a proportionate amount from the monthly payment, based on the above rate, for that segment or portion.

Section 5: State & Local Agency Commitments:

- A. The Local Agency shall perform the maintenance services for the certain State highway system locations described herein. Such services and locations are detailed in **Exhibit A**.
- B. The Local Agency shall operate and maintain the specific traffic control devices, and at the particular locations, all as listed on **Exhibit A**, in a manner that is consistent with current public safety standards on State highways within its jurisdictional limits, and in conformance with applicable portions of the "Manual on Uniform Traffic Control Devices" and the "Colorado Supplement" thereto, which are referred to collectively as the "Manual" and which are incorporated herein by reference as terms and conditions of this agreement. The Local Agency shall provide all personnel, equipment, and other services necessary to satisfactorily perform such operation and maintenance.
- C. The Parties shall have the option to add or delete, at any time during the term of this agreement and subject to §17 of this agreement, one or more specific traffic control devices to the list shown in **Exhibit A** and therefore amend the maintenance services to be performed by the Local Agency under this agreement. The State may amend **Exhibit A** by written notice to the Local Agency using an Option Letter substantially equivalent to **Exhibit C**.
- D. The Local Agency may propose, in writing, other potential specific traffic control devices to be operated and maintained by the Local Agency during the term of this agreement, based on the same rates that had been initially agreed to by the Local Agency in **Exhibit A**. If the State determines in writing that operation and maintenance of those other devices by the Local Agency is appropriate, and is desirable to the State, and if the State agrees to add such devices to this agreement, then the State shall, by written Option Letter issued to the Local Agency in a form substantially equivalent to **Exhibit C**, add such devices to this contract.
- E. The Local Agency shall perform all maintenance services on an annual basis. The Local Agency's performance of such services shall comply with the same standards that are currently used by the State for the State's performance of such services, for similar type highways with similar use, in that year, as determined by the State. The State's Regional Transportation Director, or his representative, shall determine the then current applicable maintenance standards for the maintenance services. Any standards/directions provided by the State's representative to the Local Agency concerning the maintenance services shall be in writing. The Local Agency shall contact the State Region office and obtain those standards before the Local Agency performs such services.

Section 6. Record Keeping

The Local Agency shall maintain a complete file of all records, documents, communications, and other written materials that pertain to the costs incurred under this contract. The Local Agency shall maintain such records for a period of three (3) years after the date of termination of this contract or final payment hereunder, whichever is later,

or for such further period as may be necessary to resolve any matters which may be pending. The Local Agency shall make such materials available for inspection at all reasonable times and shall permit duly authorized agents and employees of the State and, if applicable, FHWA to inspect the project and to inspect, review and audit the project records.

Section 7. Termination Provisions

This contract may be terminated as follows:

- A. This contract may be terminated by either party, but only at the end of the State fiscal year (June 30), and only upon written notice thereof sent by registered, prepaid mail and received by the non-terminating party, not later than 30 calendar days before the end of that fiscal year. In that event, the State shall be responsible to pay the Local Agency only for that portion of the highway maintenance services actually and satisfactorily performed up to the effective date of that termination, and the Local Agency shall be responsible to provide such services up to that date, and the parties shall have no other obligations or liabilities resulting from that termination.

Notwithstanding subparagraph A above, this contract may also be terminated as follows:

- B. Termination for Convenience. The State may terminate this contract at any time the State determines that the purposes of the distribution of moneys under the contract would no longer be served by completion of the project. The State shall effect such termination by giving written notice of termination to the Local Agency and specifying the effective date thereof, at least twenty (20) days before the effective date of such termination.
- C. Termination for Cause. If, through any cause, the Local Agency shall fail to fulfill, in a timely and proper manner, its obligations under this contract, or if the Local Agency shall violate any of the covenants, agreements, or stipulations of this contract, the State shall thereupon have the right to terminate this contract for cause by giving written notice to the Local Agency of its intent to terminate and at least ten (10) days opportunity to cure the default or show cause why termination is otherwise not appropriate. In the event of termination, all finished or unfinished documents, data, studies, surveys, drawings, maps, models, photographs and reports or other material prepared by the Local Agency under this contract shall, at the option of the State, become its property, and the Local Agency shall be entitled to receive just and equitable compensation for any services and supplies delivered and accepted. The Local Agency shall be obligated to return any payments advanced under the provisions of this contract.

Notwithstanding the above, the Local Agency shall not be relieved of liability to the State for any damages sustained by the State by virtue of any breach of the contract by the Local Agency, and the State may withhold payment to the Local Agency for the purposes of mitigating its damages until such time as the exact amount of damages due to the State from the Local Agency is determined.

If after such termination it is determined, for any reason, that the Local Agency was not in default or that the Local Agency's action/inaction was excusable, such termination shall be treated as a termination for convenience, and the rights and obligations of the parties shall be the same as if the contract had been terminated for convenience, as described herein.

- D. Termination Due to Loss of Funding. The parties hereto expressly recognize that the Local Agency is to be paid, reimbursed, or otherwise compensated with federal and/or State funds which are available to the State for the purposes of contracting for the project provided for herein, and therefore, the Local Agency expressly understands and agrees that all its rights, demands and claims to compensation arising under this contract are contingent upon availability of such funds to the State. In the event that such funds or any part thereof are not available to the State, the State may immediately terminate or amend this contract.

Section 8. Legal Authority

The Local Agency warrants that it possesses the legal authority to enter into this contract and that it has taken all actions required by its procedures, by-laws, and/or applicable law to exercise that authority, and to lawfully authorize its undersigned signatory to execute this contract and to bind the Local Agency to its terms. The person(s) executing this contract on behalf of the Local Agency warrants that such person(s) has full authorization to execute this contract.

Section 9. Representatives and Notice

The State will provide liaison with the Local Agency through the State's Region Director, Region 2, 5615 Wills Blvd.. Said Region Director will also be responsible for coordinating the State's activities under this contract and will also issue a "Notice to Proceed" to the Local Agency for commencement of the work. All communications relating to the day-to-day activities for the work shall be exchanged between representatives of the State's Transportation Region 2 and the Local Agency. All communication, notices, and correspondence shall be addressed

to the individuals identified below. Either party may from time to time designate in writing new or substitute representatives.

Section 10. Successors

Except as herein otherwise provided, this contract shall inure to the benefit of and be binding upon the parties hereto and their respective successors and assigns.

Section 11. Third Party Beneficiaries

It is expressly understood and agreed that the enforcement of the terms and conditions of this contract and all rights of action relating to such enforcement, shall be strictly reserved to the State and the Local Agency. Nothing contained in this contract shall give or allow any claim or right of action whatsoever by any other third person. It is the express intention of the State and the Local Agency that any such person or entity, other than the State or the Local Agency receiving services or benefits under this contract shall be deemed an incidental beneficiary only.

Section 12. Governmental Immunity

Notwithstanding any other provision of this contract to the contrary, no term or condition of this contract shall be construed or interpreted as a waiver, express or implied, of any of the immunities, rights, benefits, protection, or other provisions of the Colorado Governmental Immunity Act, § 24-10-101, et seq., C.R.S., as now or hereafter amended. The parties understand and agree that liability for claims for injuries to persons or property arising out of negligence of the State of Colorado, its departments, institutions, agencies, boards, officials and employees is controlled and limited by the provisions of § 24-10-101, et seq., C.R.S., as now or hereafter amended and the risk management statutes, §§ 24-30-1501, et seq., C.R.S., as now or hereafter amended.

Section 13. Severability

To the extent that this contract may be executed and performance of the obligations of the parties may be accomplished within the intent of the contract, the terms of this contract are severable, and should any term or provision hereof be declared invalid or become inoperative for any reason, such invalidity or failure shall not affect the validity of any other term or provision hereof.

Section 14. Waiver

The waiver of any breach of a term, provision, or requirement of this contract shall not be construed or deemed as a waiver of any subsequent breach of such term, provision, or requirement, or of any other term, provision or requirement.

Section 15. Entire Understanding

This contract is intended as the complete integration of all understandings between the parties. No prior or contemporaneous addition, deletion, or other amendment hereto shall have any force or effect whatsoever, unless embodied herein by writing. No subsequent novation, renewal, addition, deletion, or other amendment hereto shall have any force or effect unless embodied in a writing executed by the parties and approved pursuant to the State Fiscal Rules.

Section 16. Survival of contract Terms

Notwithstanding anything herein to the contrary, the parties understand and agree that all terms and conditions of this contract and the exhibits and attachments hereto which may require continued performance, compliance or effect beyond the termination date of the contract shall survive such termination date and shall be enforceable by the State as provided herein in the event of such failure to perform or comply by the Local Agency.

Section 17. Modification and Amendment

This contract is subject to such modifications as may be required by changes in federal or State law, or their implementing regulations. Any such required modification shall automatically be incorporated into and be part of this contract on the effective date of such change as if fully set forth herein. Except as provided above, no modification of this contract shall be effective unless agreed to in writing by both parties in an amendment to this contract that is properly executed and approved in accordance with applicable law.

A. Amendment

Either party may suggest renegotiation of the terms of this contract, provided that the contract shall not be subject to renegotiation more often than annually, and that neither party shall be required to renegotiate. If the parties agree to change the provisions of this contract, the renegotiated terms shall not be effective until this contract is amended/modified accordingly in writing. Provided, however, that the rates will be modified in accordance with applicable cost accounting principles and standards (including sections 24-107-101, et seq., C.R.S. and implementing regulations), and be based on an increase/decrease in the "allowable costs" of performing the Work. Any such proposed renegotiation shall not be effective unless agreed to in writing by both parties in an amendment to this contract that is properly executed and approved by the State Controller or delegee. Any such rate change will go into effect on the first day of the first month following the amendment execution date.

B. Option Letter

- a. The State may increase/decrease the quantity of goods/services described in **Exhibit A** at the same unit prices (rates) originally established in the contract. The State may exercise the option by written notice to the Local Agency in a form substantially equivalent to **Exhibit C**.
- b. As a result of increasing/decreasing the locations, the State may also unilaterally increase/decrease the maximum amount payable under this contract based upon the unit prices (rates) originally established in the contract and the schedule of services required, as set by the terms of this contract. The State may exercise the option by providing a fully executed option to the Local Agency, in a form substantially equivalent to **Exhibit C**, immediately upon signature of the State Controller or an authorized delegate. The Option Letter shall not be deemed valid until signed by the State Controller or an authorized delegate. Any such rate change will go into effect on the first day of the first month following the option letter execution date.

C. State Encumbrance Letter

The State may encumber the funds up to the maximum amount allowed during a given fiscal year by unilateral execution of an encumbrance letter in a form substantially equivalent to **Exhibit D**. The State shall provide a fully executed encumbrance letter to the Local Agency after execution. Delivery/performance of the goods/services shall continue at the same rate and under the same terms as established in the contract.

Section 18. Disputes

Except as otherwise provided in this contract, any dispute concerning a question of fact arising under this contract, which is not disposed of by agreement, will be decided by the Chief Engineer of the Department of Transportation. The decision of the Chief Engineer will be final and conclusive unless, within 30 calendar days after the date of receipt of a copy of such written decision, the Local Agency mails or otherwise furnishes to the State a written appeal addressed to the Executive Director of the Department of Transportation. In connection with any appeal proceeding under this clause, the Local Agency shall be afforded an opportunity to be heard and to offer evidence in support of its appeal. Pending final decision of a dispute hereunder, the Local Agency shall proceed diligently with the performance of the contract in accordance with the Chief Engineer's decision. The decision of the Executive Director or his duly authorized representative for the determination of such appeals will be final and conclusive and serve as final agency action. This dispute clause does not preclude consideration of questions of law in connection with decisions provided for herein. Nothing in this contract, however, shall be construed as making final the decision of any administrative official, representative, or board on a question of law.

Section 19. Does not supersede other agreements

This contract is not intended to supersede or affect in any way any other agreement (if any) that is currently in effect between the State and the Local Agency for other "maintenance services" on State Highway rights-of-way within the jurisdiction of the Local Agency. Also, the Local Agency shall also continue to perform, at its own expense, all such activities/duties (if any) on such State Highway rights-of-ways that the Local Agency is required by applicable law to perform.

Section 20. SubLocal Agencies

The Local Agency may subcontract for any part of the performance required under this contract, subject to the Local Agency first obtaining approval from the State for any particular subLocal Agency. The State understands that the

Local Agency may intend to perform some or all of the services required under this contract through a subLocal Agency. The Local Agency agrees not to assign rights or delegate duties under this contract [or subcontract any part of the performance required under the contract] without the express, written consent of the State, which shall not be unreasonably withheld. Except as herein otherwise provided, this agreement shall inure to the benefit of and be binding only upon the parties hereto and their respective successors and assigns.

Section 21. Statewide Contract Management System

If the maximum amount payable to Local Agency under this contract is \$100,000 or greater, either on the Effective Date or at any time thereafter, this **§ 21. Statewide Contract Management System** applies.

Local Agency agrees to be governed, and to abide, by the provisions of CRS §24-102-205, §24-102-206, §24-103-601, §24-103.5-101 and §24-105-102 concerning the monitoring of Local Agency performance on state contracts and inclusion of contract performance information in a Statewide contract management system.

Local Agency's performance shall be subject to evaluation and review in accordance with the terms and conditions of this contract, State law, including CRS §24-103.5-101, and State fiscal rules, policies and guidance. Evaluation and review of the Local Agency's performance shall be part of the normal contract administration process and Local Agency's performance will be systematically recorded in the statewide contract management system. Areas of evaluation and review shall include, but shall not be limited to, quality, cost and timeliness. Collection of information relevant to the performance of Local Agency's obligations under this contract shall be determined by the specific requirements of such obligations and shall include factors tailored to match the requirements of Local Agency's obligations. Such performance information shall be entered into the Statewide contract management system at intervals established herein and a final evaluation, review and rating shall be rendered within 30 days of the end of the contract term. Local Agency shall be notified following each performance evaluation and review, and shall address or correct any identified problem in a timely manner and maintain work progress.

Should the final performance evaluation and review determine that Local Agency demonstrated a gross failure to meet the performance measures established hereunder, the Executive Director of the Colorado Department of Personnel and Administration (Executive Director), upon request by the Department of Transportation, and showing of good cause, may debar Local Agency and prohibit Local Agency from bidding on future contracts. Local Agency may contest the final evaluation, review and rating by: **(a)** filing rebuttal statements, which may result in either removal or correction of the evaluation (CRS §24-105-102(6)), or **(b)** under CRS §24-105-102(6), exercising the debarment protest and appeal rights provided in CRS §§24-109-106, 107, 201 or 202, which may result in the reversal of the debarment and reinstatement of Local Agency, by the Executive Director, upon showing of good cause.

Section 22. COLORADO SPECIAL PROVISIONS (COLORADO FISCAL RULE 3-3)

These Special Provisions apply to all contracts except where noted in *italics*.

A. STATUTORY APPROVAL. §24-30-202(1), C.R.S.

Pt. VI, Ch. 171 and 28 U.S.C. 1346(b), and the State's risk management statutes, §§24-30-1501, et seq. C.R.S. No term or condition of this Contract shall be construed or interpreted as a waiver, express or implied, of any of the immunities, rights, benefits, protections, or other provisions, contained in these statutes.

D. INDEPENDENT CONTRACTOR

The Local Agency shall perform its duties hereunder as an independent contractor and not as an employee. Neither Local Agency nor any agent or employee of Local Agency shall be deemed to be an agent or employee

of the State. The Local Agency shall not have authorization, express or implied, to bind the State to any agreement, liability or understanding, except as expressly set forth herein. **The Local Agency and its employees and agents are not entitled to unemployment insurance or workers compensation benefits through the State and the State shall not pay for or otherwise provide such coverage for Local Agency or any of its agents or employees. All suits or actions related to this Contract shall be filed and proceedings held in the State of Colorado and exclusive venue shall be in the City and County of Denver.

G. PROHIBITED TERMS.

Any term included in this Contract that requires the State to indemnify or hold Local Agency harmless; requires the State to agree to binding arbitration; limits Local Agency's liability for damages resulting from death, bodily injury, or damage to tangible property; or that conflicts with this provision in any way shall be void ab initio. Nothing in this Contract shall be construed as a waiver of any provision of §24-106-109 C.R.S. Any term included in this Contract that limits Local Agency's liability that is not void under this section shall apply only in excess of any insurance to be maintained under this Contract, and no insurance policy shall be interpreted as being subject to any limitations of liability of this Contract.

H. SOFTWARE PIRACY PROHIBITION.

State or other public funds payable under this Contract shall not be used for the acquisition, operation, or maintenance of computer software in violation of federal copyright laws or applicable licensing restrictions. The Local Agency hereby certifies and warrants that, during the term of this Contract and any extensions, Local Agency has and shall maintain in place appropriate systems and controls to prevent such improper use of public funds. If the State determines that Local Agency is in violation of this provision, the State may exercise any remedy available at law or in equity or under this Contract, including, without limitation, immediate termination of this Contract and any remedy consistent with federal copyright laws or applicable licensing restrictions.

J. VENDOR OFFSET AND ERRONEOUS PAYMENTS. §§24-30-202(1) and 24-30-202.4, C.R.S.

[*Not applicable to intergovernmental agreements*] Subject to §24-30-202.4(3.5), C.R.S., the State Controller may withhold payment under the State's vendor offset intercept system for debts owed to State agencies for: (i) unpaid child support debts or child support arrearages; (ii) unpaid balances of tax, accrued interest, or other charges specified in §§39-21-101, *et seq.*, C.R.S.; (iii) unpaid loans due to the Student Loan Division of the Department of Higher Education; (iv) amounts required to be paid to the Unemployment Compensation Fund; and (v) other unpaid debts owing to the State as a result of final agency determination or judicial action. The State may also recover, at the State's discretion, payments made to Local Agency in error for any reason, including, but not limited to, overpayments or improper payments, and unexpended or excess funds received by Local Agency by deduction from subsequent payments under this Contract, deduction from any payment due
