Ms. Brackin:

I am all for the senior housing to be built in my neighborhood. It is something that is desperately needed.

I do think on the overall Colorado Springs allows too many people to be in too a small a space. You have created a breeding ground for crime by allowing too many huge multi unit apartment complexes in too small a space in the 80916 zip code. You need to increase the police present by fourfold due to the lack of planning.
