Subject: Robbin Place Appeal

Michael,

I've received your notice City Clerk has confirmed the appeal date with City Council as September 27 at 1pm.

I have a trip planned one year ago that is taking me out of country for three weeks starting on September 27th at 7am in the morning.

I respectfully ask that you move the appeal date to October 25th when I am back in the country.

Thank you

Paul Rising
