Hannah Van Nimwegen, Senior Planner, Planning and Community Development, presented a vicinity map of the proposed site for the Falcon Park and Ride facility. She gave an overview of the site details and proposed development plan. Ms. Van Nimwegen identified the public notification and involvement process and the neighborhood opposition of a possible increase in crime for the area.

Elizabeth Staton, representing the applicant, presented the El Paso County project plan which would connect Old Meridian Road with New Meridian Road.

Citizen Carrie Bower spoke in opposition of the Falcon Park and Ride facility and stated that she has concerns with the lack of lighting proposed for the lot, the shortage of law enforcement in the area due to the distance involved and stated that people will not use the facility.

President Pro Tem Gaebler asked for El Paso County's vision for the facility. Jennifer Irvine, El Paso County Engineer, stated that the Pikes Peak Area Council of Governments (PPACG) conducted a study identifying the need for the project. She said the growth of Falcon necessitates the need for the park and ride and said that it is consistent with El Paso County's land use initiative. Ms. Irvine said that lighting will be provided and that citizens are currently using the Walmart parking lot as a park and ride. She stated that this a long term plan that is finally coming to fruition and that it is funded by federal funds through the PPACG and the Pikes Peak Rural Transportation Authority (PPRTA).

Councilmember Murray asked when transit services will be implemented and where people are traveling to. Ms. Irvine said the facility will be able to accommodate Mountain Metropolitan Transit when the City is ready to implement transit service and that riders are typically going to Colorado Springs, Pueblo and Denver.
