An appeal of the City Planning Commission's decision to grant the appeal of the Notice of Violation & Order to Abate served on the property owner of 2215 North Farragut Avenue or violation of fence height.

(Quasi-Judicial)

Presenter:

Dennis Wolf, Land Use Inspector, Planning and Community
Department

Peter Wysocki, Planning and Community Development Director

Dennis Wolf, Land Use Inspector, provided an overview of the history and appeal in this case.

Councilmember Knight asked if Mr. Wolf has visited the property. Mr. Wolf stated he has been to the property multiple times and physically measured the height of the fence himself.

Leland Pilger, the appellant, presented a summary of his objections to the fence which borders his property.

William Louis, representing the applicant, Mr. Bowen, presented a summary of the situation.

Councilmember Knight asked how the height of a fence is measured. Mr. Wolf stated, per City Code, the height of the fence is measured from both sides and the greater height is considered. Councilmember Knight asked if this has been consistently applied by all property inspectors. Peter Wysocki, Director of Planning and Community Development, explained the previous version of City Code was silent on how to measure fences on top of retaining walls. There was interpretation by the previous Planning Directors that fences on retaining walls had to be off-set by six feet. The latest Code revision requires a fence on a

retaining wall be at least three feet from the property line. This structure was approved by the Planning Department based on the previous version of code and interpretation of Planning Directors. Mr. Wysocki confirmed that uniform standards have been applied since 2007. Councilmember Knight asked about other fences on retaining walls in the vicinity of this property. Mr. Wysocki stated Code is enforced on a complaint basis.

Motion by Councilmember King, seconded by Councilmember Bagley, to deny the appeal, upholding the City Planning Commission's decision to overturn the City's Zoning Enforcement Officer's Notice of Violation Order to Abate fence height, which was served on the property owner of 2215 North Farragut Avenue. The motion passed by a vote of 8-1-0

Aye: 8 - Bagley, Bennett, Collins, Gaebler, King, Murray, Pico, and Strand

No: 1 - Knight
