Dear Mr. Lange,

The folks at 8475 are good neighbors and provide a necessary service to parents seeking childcare. Despite that, bringing more traffic to the neighborhood, both in close proximity and for the greater banning lewis, will cause traffic congestion. This traffic congestion during school start and stop times is causing safety issues. Furthermore, the parents of these children park along the street, causing blind spots for the children biking to school. I don't have strong opposition to this project, but I am concerned for the safety of the children in this neighborhood.
