WHEREAS, the City Council (the "Council") of the City of Colorado Springs, Colorado (the "City"), a municipal corporation duly organized and existing as a home rule city under Article XX of the Constitution of the State of Colorado and the City Charter ("Charter"), has determined that extending the existing temporary City sales and use tax for road repairs and improvements within the City is in the best interest of the residents of the City; and

WHEREAS, the Council does hereby determine that the Coordinated Election conducted by mail ballot on November 5, 2024, is designated as a Special Municipal Election pursuant to the Charter (the "Election") at which the question of extending for ten (10) years the existing temporary City sales and use tax for road repairs and improvements shall be submitted to the City's electors qualified and registered to vote thereon.

**NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF COLORADO SPRINGS:**

Section 1. Council hereby submits and refers to the vote of the registered qualified electors of the City to be held at the Election (as defined in Section 2), the question of approving the extension for ten (10) years of the existing temporary City sales and use tax for road repairs and improvements within the City, which appears in full in Section 3 of this resolution.

Section 4. The City Council finds and declares that: If the question set forth in Section 3 is approved by the electors voting thereon, the City of Colorado Springs shall be authorized to extend its temporary sales and use tax for road repairs and improvements for ten (10) years from its present expiration to continue funding only road repairs and improvements, and shall be permitted to retain and expend all such revenues generated only for road repairs and improvements, including major and residential streets, and access roads for parks and open spaces, exempt from spending and revenue limitations which would otherwise apply. This extension of the tax will sunset (expire) on December 31, 2035 and will not affect or apply to purchases of food for domestic home consumption, prescriptions, residential utility bills or other items now exempt from City sales and use tax under the City Code. The revenues from this extension of the sales and use tax for road repairs and improvements will be placed in a dedicated

fund to be used only for funding the cost to repair roads and streets throughout all areas of the City, including cost of road reconstruction where severe deterioration does not allow repair. None of the additional sales and use tax revenue will be used to hire additional City employees or purchase additional equipment for City road projects. The repair work will be contracted out to the private sector.

Section 5. A listing of the road and street segments intended and scheduled to be repaired or improved with the revenues from the extension of the temporary sales and use tax for road repairs and improvements is attached hereto as Exhibit "A".

During the period the temporary sales and use tax increase is in effect, the City will continue to maintain spending on repair and maintenance of roads and streets at the average of the City's annual spending amount for such repair and maintenance during the three fiscal years preceding imposition of the temporary sales and use tax for road repairs (i.e., fiscal years 2012, 2013 and 2014). The City Auditor has heretofore calculated such average spending amount. Subject to City Charter limitations on preparation, submission and approval of the annual budget and annual appropriation ordinance, during such period, the City will annually expend at least the amount so computed on repair and maintenance of roads and streets.

Section 6. The City Clerk and officers of the City are hereby authorized and directed to take all action necessary or appropriate to effectuate the provisions of this resolution. The City Clerk shall assist and cooperate with the County Clerk and Recorder in conducting the Special Municipal Election held as part of a Coordinated Election.

Section 7. All actions heretofore taken by the Council and officers of the City, not inconsistent with the provisions of this resolution and toward the Election, are hereby ratified, approved and confirmed.

Section 8. If any section, paragraph, clause or provision of this resolution shall for any reason be held to be invalid or unenforceable, the invalidity or unenforceability of that section, paragraph, clause or provision shall not affect any of the remaining provisions of this resolution.

Section 9. All resolutions, bylaws and regulations of the City in conflict with this resolution, are hereby repealed to the extent of any conflict. This repealer shall not be construed to revive any ordinance, resolution, bylaw or regulation, in whole or in part, previously repealed.

Section 10. This resolution shall be effective upon passage.

Dated at Colorado Springs, Colorado this \_\_\_\_\_ day of \_\_\_\_\_, 2024.
