2014 Revenue Above the 2014 TABOR Revenue/Spending Limit

August 10, 2015

Kara Skinner, Chief Financial Officer Chris Lieber, Park Development Manager

TABOR Calculation

- Fiscal Year (FY) revenue/spending is allowed to grow by inflation plus City growth in the prior calendar year
 - City growth equals net change in assessment roll value
- FY calculation includes 16 funds of the City
 - Not just a sales tax calculation
 - Includes all revenue that is not specifically excluded in TABOR (exclusion include sale of assets, market adjustments, gifts)
- 2014 FY spending allowable increase of 4.82%
 - 2013 city growth: 2.05%
 - 2013 inflation: 2.77%
- From 2013 to 2014, FY spending increased 5.74%
 - \$2,100,000 of revenue over the allowable limit

YES [

Ballot Text

If approved by the electors, the City of Colorado Springs shall be authorized to retain and spend up to \$ 2,100,000 only for the purposes of repair, renovation and improvement to existing segments of priority multi-use park trails in the City, which amount is the estimated amount by which 2014 fiscal year revenues exceeded the 2014 Fiscal Year revenue and spending limitations set forth in Article X § 20 of the Colorado Constitution and Section 7-90 of the City Charter, often referred to as the Taxpayer's Bill of Rights or TABOR. These revenues will be earmarked and used only for repair, renovation and improvement to existing segments of such trails in the City, which work will be contracted out to the private sector. There is no tax increase of any kind associated with the measure. These funds are intended to be used for work on existing segments of the following trail corridors:

- Homestead Trail
- Palmer Mesa Trail
- Pikes Peak Greenway
- Rock Island Trail
- Sand Creek Trail
- Shooks Run Trail
- Sinton Trail
- Skyline Trail
