Proposed Motion:

Approve the proposed sign warrant based on the findings that the warrant criteria found in section 5.4 of the Form-Based Code will be substantially met once the following modifications are made:

Technical modifications to the warrant plan:

- 1. Add the file number to the bottom right-hand corner of each plan sheet.
2. Add the standard property information to the plan's legend to include site, owner, and application information.
3. Add a note documenting the approval of a warrant to allow the temporary signage as illustrated.
4. Add a note indicating that the temporary signage must be permitted by a separate sign permit.
5. Add a note indicating that the temporary signage must be removed prior to certificate of occupancy.
