A resolution fixing and certifying the 2014 tax levy for taxes payable in 2015 at 3.858 mills upon each dollar of assessed valuation within the Stetson Hills Special Improvement Maintenance District

From:

Kara Skinner, Chief Financial Officer
Charae Moore, Budget Manager

Summary:

City Council approval of the attached resolution is required to fix and certify the 2014 tax levy for the taxes payable in 2015 for the Stetson Hills Special Improvement Maintenance District (District). Also attached for reference is a boundary map of the District.

Previous Council Action:

City Council annually approves a resolution fixing and certifying the District's mill levy.

Background:

There are seven special improvement maintenance and/or security districts (commonly referred to as SIMDs) within the City of Colorado Springs that require Council's approval by resolution to fix and certify the 2014 tax levies for the taxes payable in 2015.

These districts are used to maintain medians, landscaping, fencing, entry islands, neighborhood theme signage, accent lighting, and other public improvements that are not normally maintained by the City. These districts are authorized under Chapter 3, Article 7 of City Code and were formed by developers primarily in the 1980s in lieu of homeowner associations due to the increased amenities within the developments.

Financial Implications:

The recommended 2014 tax levy, payable in 2015, is 3.858 mills. This is the same amount that was levied for the 2013 tax levy, payable in 2014.

The District's 2015 budget is included in the 2015 City Budget and approved as part of that ordinance for all funds of the City.

Board/Commission Recommendation:

The 2015 budget recommendation letter from the Stetson Hills SIMD active advisory committee is attached.
