A Proclamation declaring October 19th as World Singing Day

**Presenter:**  
Council Member, Andy Pico

**Summary:**  
World Singing Day is an event where people all over the world gather in groups of all sizes to sing. Colorado musician Scott Johnson founded this event, which is not religious or political, nor does it promote any one country or culture. Rather, it encourages people to put aside their differences and celebrate what we all share as human beings.
