2023 Pikes Peak Regional Building Code (PPRBC) Revisions - International Building Code Adoption

(Informational Only)

Presenter:
Roger Lovell, Regional Building Official, Regional Building Department

Summary:

The proposed 2023 PPRBC adopts and modifies the 2021 family of the International Codes. The 2023 PPRBC does not include any changes or modification to the administration of the Department, licensing provisions, enumeration requirements or floodplain requirements. The 2023 PPRBC maintains the current administrative provisions of the PPRBC and only modifies specific technical code requirements.

The Executive Summary of the proposed revisions is attached.
