Proposed Motions:

AR R 19-00118
Deny the appeals, thereby upholding Staff's administrative approval, allowing 961 feet of separation between the proposed MMC at 1645 S. Tejon St. and the closest existing MMC based upon the finding that the request complies with the administrative relief review criteria in City Code Section

7.5.1102, as well as the finding that the appeal criteria found in Section 7.5.906.A.4. are not met.
