Consideration of a Resolution Regarding Adopting the Interstate Open Access Transmission Tariff in its Entirety

Presenter:

Chris Bidlack, City Attorney's Office-Utilities Division
Jerry A. Forte, P.E., CEO, Colorado Springs Utilities

Summary:

The City Attorney's Office-Utilities Division will present a decision and order and resolution for the 2018 Open Access Transmission Tariff rate case based upon the November 14, 2017 public hearing held on Colorado Springs Utilities' October 10, 2017 rate case filing.

Previous Council Action:

City Council held a public hearing on November 14, 2017 regarding Colorado Springs Utilities' October 10, 2017 rate case filing. City Council reviewed a draft decision and order and a resolution at the November 27, 2017 City Council Work Session Meeting.

Background:

On October 10, 2017 Colorado Springs Utilities submitted a 2018 rate case filing that included proposed changes to the Open Access Transmission Tariff to be effective January 1, 2018. In accordance with Colorado Springs City Code § 12.1.107, City Council held a public hearing on November 14, 2017 regarding Colorado Springs Utilities' 2018 Open Access Transmission Tariff rate case.

The decision and order summarizes Colorado Springs Utilities' 2018 rate filing and the record of the public hearing held on November 14, 2017. The decision and order also contains City Council's initial directions at that public hearing regarding the 2018 Open Access Transmission Tariff rate case. Any revisions to the draft decision and order or to the draft resolution directed by City Council were incorporated into the final decision and order and final resolution presented for approval by City Council on November 28, 2017.

Financial Implications:

The decision and order and the resolution regarding adopting the proposed interstate Open Access Transmission Tariff in its entirety authorizes Colorado Springs Utilities to charge Open Access Transmission Tariff rates under City Council Volume No. 3

Board/Commission Recommendation:
