Proposed Motion:
CPC CU 18-00029

Approve the 430 West Pikes Peak Apartments Conditional Use Development Plan based on the findings that this project meets the conditional use and development plan review criteria in City Code Sections 7.5.704 and 7.5.502(E), subject to the following technical modifications:

- 1. Modify the plan to address the following minor technical issues
a. Correct the waiver of replat file number in the legal description note
b. Ensure that the construction schedule listed on sheet 1 is realistic
c. Ensure that the building footage calculations accurately reflect the new livable and

covered space within the proposed building.

- d. Correct the required parking figure to reflect that 16 parking stalls are required for the project.
  - e. Update the building setback note to accurately reflect the requested setback variance.
  - f. Add the required geologic hazard waiver statement on the cover page.
2. Update the accessible route information to address ADA compliance needs.
  3. Address all necessary Utility Plan needs.
  4. Revise the Fire Department Connection (FDC) design to meet City standards.
  5. Finalize acceptance of the drainage letter
  6. Confirm the status of existing or needed utility easements for the overhead electric lines at the northeastern corner of the site.
