A Resolution Approving an Agreement to Annex and to Provide Water and Wastewater Service Outside the City Limits to 5290 Turquoise Drive in Park Vista Estates Addition

Presenter:

Bryan English, PMP, Development Projects Manager, Customer Utilities Connections
Travas Deal, Chief Executive Officer, Colorado Springs Utilities

Summary:

Owners of 5290 Turquoise Drive, which is a developed property with an existing single-family residence located outside City limits, have requested Colorado Springs Utilities (Springs Utilities) water service. Springs Utilities is bringing forward a proposed resolution that would approve an Agreement to Annex and provide water and wastewater service outside the City limits to the subject property.

Background:

The property is located within the Park Vista Estates subdivision, which is an enclave of the City generally located north and east of Barnes Road and Austin Bluffs Pkwy. In accordance with City Code 7.5.701.J. Service Without Annexation, the City may provide water and wastewater services upon approval of City Council through an Agreement to Annex executed by the property owner. On June 21, 2023, Utilities Board made a recommendation of approval in accordance with City Code section 12.3.405 to extend water service to a property not presently located within the existing City limits.

Previous Council Action:

City Council has approved Agreements to Annex and/or provision of water and/or wastewater services to this area since 1978.

Financial Implications:

Revenue and costs would be nominal.
