A non-use variance from City Code Section 7.4.206(K) to allow recycled asphalt surface material in the drive aisles and maneuvering aisles where paving is required at 3980 Galley Road.

(Quasi-Judicial)

Presenter:

Katelynn Wintz, Senior Planner, Planning & Community Development

Proposed Motion:

CPC NV 20-00165

Approve the nonuse variance request from City Code Section 7.4.206(K) allowing recycled asphalt as a surface material where paving is required, based upon the findings that the request complies with the non-use variance criteria in City Code Section 7.5.802(B).
