The property is located northwest of the Dublin Boulevard and Sandyford Lane intersection, south of Vickie Lane and consists of 5.0 acres.

**Previous Council Action:**

**Background:**

This is a simple addition to an existing development plan and allows for an additional 22 lots. Please see the attached Planning Commission staff report for a more details project summary and analysis.

**Financial Implications:**

The City Finance Department prepared a fiscal impact analysis report for this annexation; they found a positive cumulative cash flow for the City.

**Board/Commission Recommendation:**

The City Planning Commission unanimously approved the applications at their September 18, 2014, regular meeting.

**Stakeholder Process:**

The standard City notification process was used for the applications' internal review and included posting the property with a notice poster and mailing postcards to approximately 202 property owners within 1,000 feet of the project area. No e-mail or letters of concerns were received.

The same posting and notification process was utilized prior to the CPC public hearing.

All applicable agencies and departments were asked to review and comment. No significant concerns were identified. All issues and concerns were incorporated into the annexation agreement or amended development plan.
