A Resolution correcting a clerical error in Resolution No. 78-17, a Resolution rescinding Resolution No. 120-11 and Resolution No. 153-11 and establishing medical marijuana business application and license fees and charges

Presenter:

Sarah Johnson, City Clerk

Summary:

Correct a clerical error in Manager Registration fee on the Medical Marijuana fee schedule

Previous Council Action:

On June 27, 2017, City Council adopted Resolution No. 78-17, A Resolution Rescinding Resolution No. 120-11 and Resolution No. 153-11 and Establishing Medical Marijuana Business Application and License Fees and Charges.

Background:

Upon updating the licensing database for the new Medical Marijuana fee schedule pursuant to City Council Resolution No. 78-17 effective August 1, 2017, a clerical error was discovered in the Manager Registration fee.

Although the City publically discussed and announced that the Medical Marijuana Manager Registration fee would be decreasing from \$500 to \$200, and the City staff notified all Medical Marijuana business licensees of the recommendation along with the increase in application and license fees, and the legislative file includes a fee comparison reflecting the lower fee, the actual Exhibit A attachment to the Resolution reflected the old Manager Registration fee.
