File #: 14-0677, **Version:** 1

A resolution supporting advisory ballot question 1B submitted to the registered electors of the proposed PPRDA pursuant to City Code 5.2.304(a).

From:

Council President Keith King

Summary:

In November, voters will weigh in on Advisory Ballot Question 1B concerning the establishment of the Pikes Peak Regional Drainage Authority. The resolution expresses City Council's continued support for the issue, and addresses a concern by certain members of the business community relating to potential stormwater fees for contiguous commercial properties owned by different corporate entities.

Previous Council Action:

City Council adopted a joint resolution with the El Paso County Board of Commissioners in support of regional stormwater control (Resolution No. 84-13) in October 2013, and a resolution expressing support for an intergovernmental agreement to address regional stormwater concerns (Resolution 74-14) in July 2014.

Background:

City Code 5.2.304(A) authorizes City Council to adopt a resolution supporting an election issue in certain instances. The City Attorney's Office has reviewed the draft resolution for compliance.
