A development plan for CVS Pharmacy Store Number 11001 consisting of 1.46 acres for the purpose of a 13,111 square foot pharmacy and retail store

(Quasi-Judicial)

**Presenter:**

Peter Wysocki, Director Planning and Community Development  
Michael Schultz, Principal Planner, Planning and Community Development

**Summary:**

Applicant: Kimley Horn Associates  
Owners: Slate Carefree Holdings, LLC & Thomas Stoen  
Location: Southeast corner of North Academy Boulevard and North Carefree Circle

This project includes concurrent applications for change of zone from PBC (Planned Business Center) and C-6 (General Business) to PBC (Planned Business Center) zone district consisting of 1.46 acres and a development plan for a 13,111 square foot pharmacy and retail store.

**Previous Council Action:**

No previous action has been taken.

**Background:**

The request is to rezone a portion of property to be acquired from the Carefree Shopping Center to include with the proposed replatting and redevelopment of the subject lot for a 13,111 square foot retail pharmacy store. The subject property is improved with a vacant bank building. That building would be razed to clear the site for the proposed retail building.

The proposal by CVS is to acquire additional property from the adjacent Carefree Shopping Center in order to own and maintain two (2) access drives (one at North Academy Boulevard and the other at North Carefree Circle) that will serve both the subject property and the shopping center. The proposed CVS store site is zoned PBC and the Carefree Shopping Center is zoned C-6. City Code Section 7.2.105.B requires that platted lots have only one base zone. With the addition of the adjacent property to the redevelopment of the subject site, the new lot configuration would have two (2) base zone districts (PBC and C6); thus the need to rezone to establish a single base zone. The applicant is seeking to include the acquired property from the C-6 (General Business) zone district to PBC (Planned Business Center); the change of zone would create one base zone for the entire 1.46 acre site.

**Stakeholder Process:**

Upon submittal of the requests public notice was mailed to 103 property owners within a 1,000-foot radius of the subject site and the property was posted as part of the internal review notification. Staff did not receive any public comments. Prior to the City Planning Commission hearing the site was posted with the public hearing information and a postcard was mailed to the same 103 property owners located within 1,000 feet of the site.

Staff sent plans to the standard internal and external review agencies for comments including Colorado Springs Utilities, City Engineering, City Traffic Engineering, Water Resources Engineering, City Fire, City Police, Enumerations, Floodplain, Real Estate Services, City Landscape, Comcast, E-911 and Parks and Recreation. There are no outstanding major review comments regarding this project.
