A Resolution rescinding Colorado Springs Utilities' Tariffs, City council volume Number 5

Presenter:

Sonya Thieme, Rates Manager
Eric Tharp, Acting CEO, Colorado Springs Utilities

Summary:

Colorado Springs Utilities will present on June 12, 2018 during the public hearing agenda item a summary of the tariff filing for the consideration of resolutions regarding Utilities Rules and Regulations and the Electric, Natural Gas, Water, and Wastewater Rate Schedule Tariffs, effective July 1, 2018 (with the exception of proposed changes to Accessory Dwelling Units effective January 1, 2019). City Council will be requested to suspension of Part 4 (I) (c) of the Rules and Procedures of City Council, Post-Hearing Procedures, waiving the requirement of a Decision and Order for the requested change at the conclusion of the City Attorney Instructions.

Previous Council Action:

On May 8, 2018 City Council approved the proposed public hearing date of June 12, 2018 at the regularly scheduled meeting of the City Council to consider changes to Colorado Springs Utilities' Utilities Rules and Regulations and the Electric, Natural Gas, Water, and Wastewater Rate Schedule Tariffs, effective July 1, 2018 (with the exception of proposed changes to Accessory Dwelling Units effective January 1, 2019).

Background:

On May 8, 2018 Colorado Springs Utilities submitted a 2018 Proposed Tariff Changes filing that included proposed changes to be effective July 1, 2018 and January 1, 2019. The filing includes all supporting documentation plus resolutions to rescind City Council Volume No. 5, adopt City Council Volume No. 6, and make changes related to Accessory Dwelling Units.

Both physical and electronic copies of the entire rate filing are available for public inspection in the City Clerk office. Electronic copies were provided to City Council members and a .pdf file version was also placed on Colorado Springs Utilities website at www.csu.org. Notice of the Public Hearing was made by publication in The Gazette and sent by U.S. mail to those Electric service customers outside the city limits on May 10, 2018.

Financial Implications:

There are no adjustments to current effective rates.

Board/Commission Recommendation:

On April 18, 2018 the Utilities Board supported filing proposed changes to Colorado Springs Utilities' Tariffs.
