Swan House Manor Wedding and Event Center

From:

Peter Wysocki, Planning and Development Director, Planning and Development Department

Summary:

The applications propose rezoning a 6.99-acre, platted lot from PUD/AO/SS (Planned Unit Development for a religious institution, with a 32-foot maximum building height and Airport and Streamside Overlays) to PUD/AO/SS (Planned Unit Development for a religious institution and/or public assembly, with a 32-foot maximum building height and Airport and Streamside Overlays) and the approval of a development plan to permit the inclusion of a wedding and event center (public assembly) within the existing building while continuing to allow religious functions.

Previous Council Action:

In 2000, City Council rezoned the property to PUD/AO/SS with Ordinance No. 00-81 to permit a religious institution.

Background:

The property was initially platted in 1964 with Rustic Hills Subdivision No. 3 as three large, single-family lots and a public street (Mountain Greenery Lane). The street was not built and was vacated with Ordinance 00-99. The property was not developed residentially but instead used as a garden center and nursery (Iver's Mountain Greenery) until the mid-1990's. In 1998, the property was rezoned to PUD for a townhome development. This project was not built. In 2000, the property was rezoned to PUD with a religious institution as the only permitted use. The two-story, 19,700 square-foot church was constructed in 2001. A one story, 3,100 square-foot building constructed in 1981 is used for church offices. Vehicular access is provided from a single driveway onto Palmer Park Boulevard with on-site parking for 177 vehicles.

Financial Implications:

None

Board/Commission Recommendation:

The Planning Commission unanimously approved the applications at their June 19, 2014 meeting as a consent calendar item.

Stakeholder Process:

Public notification consisting of an on-site poster and 214 postcards mailed to property owners within 1,000 feet of the property were provided: 1) for a neighborhood meeting at the pre-application stage, 2) after the receipt of the applications, and 3) prior to the Planning Commission meeting.

Fifteen people attended the neighborhood meeting held on March 11, 2014. Issues discussed included the operational aspects of the wedding and event center and the possibility of expansion (none proposed at this time). No comments were received in response to the public notice sent after the applications were submitted. No members of the public commented on the applications at the Planning Commission hearing.

Agency review comments on the initial development plan were addressed with the submittal of a revised development plan.

Alternatives:

1. Uphold the action of the City Planning Commission;
2. Modify the decision of the City Planning Commission;
3. Reverse the action of the City Planning Commission; or
4. Refer the matter back to the City Planning Commission for further consideration.
