Proposed Motion:

Approve the Conditional Use Development Plan based on the findings that the Conditional Use criteria found in Section 7.5.704 of the City Code will be met once the following technical modifications are addressed:

Technical modifications to the Conditional Use plan:

1. Add the file number (CPC CU 19-00101) to the bottom right-hand corner of all plan sheets.
2. Add the necessary tabular data per the applicable checklist to the first sheet of the plan (e.g. address, ownership, zoning, size, uses, etc.).
3. Add page numbers to the bottom corner of each plan sheet.
4. Clarify the proposed façade changes as the last two sheets of the plan appear to be inconsistent with each other.
5. Clearly illustrate the location and design of the roof-top deck on the plan.
