Background:

Please see the attached City Planning Commission Staff Report for a complete analysis of the proposed applications.

Review Criteria:

The review criteria for a Land Use Plan, file number: LUPL-24-0002 as set forth in City Code Section 7.5.514 (UDC) are noted below:

1. Consistency with the Colorado Springs Comprehensive Plan and other plans and policies adopted by City Council;
2. Consistency with development standards the zone district in which the property is located, or would be located after a requested zone district change;
3. Compatibility with the land uses and development intensities surrounding the property;
4. Impacts of the permitted or requested uses, appropriate to the type of development, the neighborhood, and the community;
5. Adequacy of proposed ingress/egress points and traffic circulation, both on and off the site;
6. Capacity of the existing streets, utilities, parks, schools, and other public facilities to serve the proposed development;
7. Promotion of transitions in height, intensity, or character between proposed non-residential or mixed-use development and nearby low-density residential zone districts.

City Planning Commission and Staff finds the proposed application meets the review criteria for a Land Use Plan.
