### Interests & Experiences

#### Why are you interested in serving on a board or commission?

I have been an active member of the fire alarm community in Colorado Springs for over 15 years. Starting as a fire alarm installer, advancing to the Foreman position and supervising fire alarm projects such as the Olympic Museum and Weidner Field. One of my passions is giving back to the industry that has given so much to me. It would be a privilege to serve the community on the Fire Board of Appeals.

**Introduction**

**Briefly introduce yourself and state your interest in serving on a specific Board, Commission, or Committee**

I am a Florida native that moved here to Colorado Springs in July of 2021. I am a father of 5 children that attend local k-12 schools and higher education schools here in Colorado Springs. I volunteer coaching baseball at both the youth and high school level here. I have recently started a position with a well-established commercial construction company here in Colorado Springs. I would love as part of my position to be able to give back to our community by helping serve.

**Relevant Experience and Community Involvement**

**Highlight any volunteer work, previous service on boards or committees, and community involvement that demonstrates your commitment to public service and the community.**

---

I served as a Firefighter/EMT for 7 years in Florida until I had to leave due to an injury. Over my years of service, I fought many structure fires and completed many building and fire alarm/suppression system inspections with my engine company. During my time with Orlando Fire Department, I served on the board of the Orlando Firefighters Benevolent Association. I was also a member of my local Rotary Club in DeLand Florida.
