

RESOLUTION NO. _____

**A RESOLUTION AUTHORIZING THE DISPOSAL OF SURPLUS, CITY PROPERTY
CONSISTING OF AN 18.12-ACRE PARCEL TO THE LEGAL ENTITY KNOWN AS
OPUS DEVELOPMENT COMPANY, L.L.C., A DELAWARE LIMITED LIABILITY
COMPANY, OR ITS ASSIGN**

WHEREAS, the City of Colorado Springs ("**City**"), by and through its enterprise, the Colorado Springs Municipal Airport ("**Airport**"), is the legal owner of that certain real property and overall mixed-use development project known as Peak Innovation Park located in the City of Colorado Springs, State of Colorado, containing approximately 1,600 acres of land which is generally described and depicted in **Exhibit A** attached hereto and incorporated herein by this reference (the "**Project**"); and

WHEREAS, Opus Development Company, LLC ("**Purchaser**") desires to purchase a portion of the Project consisting of approximately 18.12 acres, more or less (the "**Land**" or "**Land Parcel**"). The Land to be purchased by Purchaser is currently platted Lot 3 ("Lot 3") and a portion of platted Lot 5 (such portion, the "Lot 5 Portion") within that certain Colorado Springs Airport Filing No. 1F recorded on September 20, 2022, at Reception No. 2022715016 in the El Paso County, Colorado Records (the "**Plat**"). The general legal description of the Land Parcel is set forth in **Exhibit B-1** and a depiction of the Land Parcel is attached hereto as **Exhibit B-2**; and

WHEREAS, the Land Parcel, in accordance with the *City of Colorado Springs Procedure Manual for the Acquisition and Disposition of Real Property Interest* ("**RES Manual**"), Chapter 5, § 5.7, has been listed for sale and lease with a real estate consultant since 2006 and

WHEREAS, Peak Innovation Park, which includes the Land Parcel, was purchased with Federal Aviation Administration ("**FAA**") grant funds on November 6, 1970, for the purpose of noise abatement and runway approach protection; and

WHEREAS, on June 14, 2006, the FAA issued the Airport a letter releasing Peak Innovation Park land from aeronautical use requirements which frees that land for Airport business park development. See **Exhibit C**; and

WHEREAS, no other department or City enterprise has expressed an interest in the Land Parcel; and

WHEREAS, Federal statutes and grant assurances require, among other things, the Airport to remain self-sustainable. This mandate is a primary basis for establishing the business park Project. As a large-scale development endeavor, portions of the Project must be strategically sold while other portions will be leased on a long-term basis. To further this goal, in accordance with the RES Manual § 5.7, the Airport retained consultants to list the Project Land Parcel for sale and lease.

WHEREAS, Purchaser initiated discussions with the Airport for the sale of the Land Parcel for the purpose of constructing one or more office and warehousing and distribution facilities of not less than 200,000 square feet in the aggregate, and to construct and complete an access roadway and related improvements on the Lot 5 Portion.

WHEREAS, the Airport initiated discussions with the FAA for the release of the Land Parcel to the Purchaser as fee simple sale transaction. The FAA verbally expressed agreement that the intended use would be compatible with the Airport and concurs with the sale of the Land Parcel to stimulate growth of the Project and the Airport; and

WHEREAS, in accordance with the RES Manual, Chapter 9, the Airport and Real Estate Services cooperate to determine the fair market value ("FMV") of the Land Parcel; and

WHEREAS, the sale of the Land Parcel supports economic development and therefore the Airport recommends disposal of the Land Parcel to the Purchaser, in accordance with the Real Estate Manual, the City Charter, and the City Code.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF COLORADO SPRINGS:

Section 1. City Council finds that the sale of the 18.12 acre Land Parcel, described and depicted in **Exhibits B-1 and B-2** is in compliance with the City's Real Estate Manual, the City Charter, the City Code, and all other applicable laws.

Section 2. City Council finds that the Land Parcel is unneeded for proper conduct of City Affairs and therefore authorizes the sale of the Land Parcel to Purchaser in accordance with the Real Estate Manual, Chapter 5, § 5.7; and Chapter 9: (i) for not less than FMV as established by the City's real estate appraisal process; (ii) subject to the applicable terms and conditions of the Real Estate Manual; (iii) subject to FAA regulations, including all required deed restrictions; and (iv) subject to all contractual terms, conditions, and obligations negotiated by the parties.

Section 4. Pursuant to the Real Estate Manual, Chapter 2, § 2.11, the City's Real Estate Services Manager is authorized to execute all documents necessary to complete

the disposition of the Land Parcel and to obtain the Mayor's signature on the Quitclaim Deed and other necessary documents to convey the Land Parcel to Purchaser.

DATED at Colorado Springs, Colorado this ____ day of _____, 2025.

INSTRUMENT OF RELEASE

THIS INSTRUMENT OF RELEASE, made by the United States of America, acting through the Federal Aviation Administration to the City of Colorado Springs, Colorado.

WHEREAS,

The United States, acting by and through the Administrator, Federal Aviation Administration granted Federal Funds for land acquisition and development of the Colorado Springs Municipal Airport, in Grant Agreements numbered 6-08-0010-02 and 06-08-0010-05; and

WHEREAS,

Said Grant Agreements provide that said land is for airports use, and

WHEREAS,

The Administrator of the Federal Aviation Administration has determined that the hereinafter described land no longer serves the purpose for which it was acquired and made subject to certain terms, conditions, reservations and restrictions in said Grant Agreement.

NOW THEREFORE, for and in consideration of the City of Colorado Springs, Colorado, expending funds on grant eligible terminal development and the further benefits to accrue to the United States and to civil aviation, the Administrator of the Federal Aviation Administration, on behalf of the United States, hereby releases unto the City of Colorado Springs, Colorado, the hereinafter described real property subject to the following provisions and reservations:

1. That the City of Colorado Springs, Colorado agrees to continue to be bound by and further agrees to reserve unto itself, its successors and assignees in any instruments of transfer conveying title or interest in the hereinafter described real property, for the use and benefit of the public, a right of flight for the passage of aircraft in the airspace above the surface of the real property hereinafter described, together with the right to cause in said airspace such noise as may be inherent in the operation of aircraft now known or hereafter used for navigation of or flight in the said airspace and for the use of said airspace for landing on, taking off from, or operating on the Colorado Springs Airport.

2. That the City of Colorado Springs, Colorado expressly agrees for themselves, their successors and assignees to restrict the height of structures, objects of natural growth and other obstructions on the hereinafter described real property to a height consistent with 14 CFR Part 77. The City of Colorado Springs pledges that any necessary 7460-1 analysis will be completed prior to commencing vertical construction within the subject parcels. As of the date of this letter, the Federal Aviation Administration recommends that building heights not exceed 6,126 feet above sea level on Section 5 and westerly portion of Section 4; and 6,133 feet above sea level on Section 6 of Parcels 19A-B, 10B, 17, 21A, 20A-B and 21B2-B. However, both parties acknowledge that these allowable heights serve as a guide and buildings heights may exceed these limits or may be restrictive under these limits based on the appropriate 14 CFR Part 77 analysis to be completed prior to vertical construction commencing.
3. That the City of Colorado Springs, Colorado expressly agrees for themselves, their successors and assignees to prevent any use of the hereinafter described real property which would interfere with landing or taking off of aircraft at the Colorado Springs Airport, or otherwise constitute an airport hazard. In the event the aforesaid covenant is breached, the grantor is to reserve the right to enter upon the land released hereunder and to remove the offending structure or object and to cut the offending growth, all of which shall be at the expense of the grantees.

By this Instrument of Release, the United States of America by and through the Administrator, Federal Aviation Administration, hereby releases the real property described below from all the remaining conditions, reservations and restrictions except those reserved herein, contained in the identified Grant Agreements.

The real property is located in the County of El Paso, State of Colorado, and legally described as follows:
