OPERATING PLAN FOR THE
FIRST AND MAIN BUSINESS IMPROVEMENT DISTRICT

1. PURPOSE AND SCOPE OF THIS DISTRICT

A. Requirement for this Operating Plan. The Business Improvement District Act, specifically Section 31-25-1211, C.R.S., requires that the First and Main Business Improvement District (the “District”) file an operating plan and budget with the City Clerk no later than September 30 of each year.

Under the statute, the City is to approve the operating plan and budget within 30 days of the submittal of all required information.

The District operates under the authorities and powers allowed under the Business Improvement District Act, Section 31-25-1201, *et seq.*, C.R.S., as amended, as further described and limited by this Operating Plan.

B. What Must Be Included in the Operating Plan? Pursuant to the provisions of the Business Improvement District Act, Section 31-25-1201, *et seq.*, C.R.S., as amended, this Operating Plan specifically identifies: (1) the composition of the Board of Directors; (2) the services and improvements to be provided by the District; (3) the taxes, fees, and assessments to be imposed by the District; (4) the estimated principal amount of the bonds to be issued by the District; and (5) such other information as the City may require.

The District’s original 2004 and subsequent Operating Plans, previously approved by the City, are incorporated herein by reference, and shall remain in full force and effect except as specifically or necessarily modified hereby.

C. Purposes. As may be further articulated in prior years’ Operating Plans, the ongoing and/or contemplated purposes of this District for 2025 include financing, acquisition, construction, completion, installation, replacement and/or operation and maintenance of all of the services and public improvements allowed under Colorado law for business improvement districts. Specific improvements and services the District provides include parking facilities, roadways, lighting, driveways, public utilities and landscaping consistent with prior years’ activities.

D. Ownership of Property or Major Assets. The District owns certain street improvements.

E. Contracts and Agreements. Intergovernmental Agreement for Cost Sharing of Certain Public Improvements (January 28, 2009) between First and Main Business Improvement District and First and Main Business Improvement District No. 2; Intergovernmental Agreement for Operational Cost Sharing (January 1, 2014) between First and Main Business Improvement District and First and Main Business Improvement District No. 2, whereby the District transfers revenue from its operational mill levy to District No. 2, which is responsible for paying all operations and maintenance costs of the two Districts.

2. ORGANIZATION AND COMPOSITION OF THE BOARD OF DIRECTORS

A. **Organization.** The First and Main Business Improvement District was organized by the City of Colorado Springs, Colorado by Ordinance No. 03-37 on March 11, 2003.

B. **Governance.** The District is governed by an elected board of directors.

C. **Current Board.** The persons who currently serve as the Board of Directors are:

Timothy Seibert, President
Christopher S. Jenkins, Vice-President
David D. Jenkins, Secretary
Gregory Barbuto, Treasurer
Delroy L. Johnson, Assistant Secretary

Director and other pertinent contact information are provided in **EXHIBIT A**.

D. **Term Limits.** The District held a special election on November 7, 2006, at which time a ballot question was presented to eliminate term limits pursuant to Article 18, Section 11 of the Colorado Constitution. The ballot question passed.

E. **Advisory Board.** The Board of Directors may appoint one or more advisory boards to assist the Board of Directors on such matters as the Board of Directors desires assistance. The Board of Directors shall, upon the appointment of an advisory board, set forth its duties, duration, and membership. The Board of Directors may provide rules of procedure for the advisory board or may delegate to the advisory board the authority to provide such rules. No advisory boards have yet been appointed to date.

3. BOUNDARIES, INCLUSIONS AND EXCLUSIONS

The District map is depicted in **EXHIBIT C**. The District does not anticipate inclusion or exclusion requests in the coming year.

4. PUBLIC IMPROVEMENTS

The District will be primarily concerned with the provision of public improvements and services within the boundaries of the District; however, there may be instances to provide improvements or services outside of the boundaries of the District. The District shall have the authority to provide these improvements and services, but the revenue-raising powers of the District to recoup the costs of extraterritorial improvements and services shall be as limited by state law.

The Public Improvements that the District anticipates it will construct, install or cause to be constructed and installed, include those Public Improvements the costs of which may, in accordance with the Business Improvement District Act, Section 31-25-1201, *et seq.*, C.R.S., lawfully be paid for by the District, including, without limitation, water services, safety protection devices, sanitation services, marketing, streetscape improvements, street improvements, curbs, gutters, culverts, drainage facilities, sidewalks, parking facilities, paving, lighting, grading,

landscaping and storm and wastewater management facilities and associated land acquisition and remediation.

5. ADMINISTRATION, OPERATIONS, SERVICES, PROPERTY OWNERSHIP AND MAINTENANCE

The District shall provide for ownership, operation, and maintenance of District facilities as activities of the District itself or by contract with other units of government or the private sector.

6. FINANCIAL PLAN AND BUDGET

A. 2025 Budget. The 2025 Budget for the District is attached as **EXHIBIT B**.

B. Authorized Indebtedness. At an election held on November 2, 2004, the District's electors authorized the issuance of indebtedness in an amount of \$50,000 for operations and maintenance, \$19,000,000 for parking facilities, and \$3,000,000 for park and recreation. The election also allows the District to retain all revenues without regard to the limitations contained in Article X, Section 20 of the Colorado constitution. On November 1, 2005, the District's electors authorized the issuance of additional indebtedness in an amount of \$2,000,000 for water and \$500,000 for storm drainage. On November 7, 2006, the District's electors authorized additional indebtedness of \$19,000,000 for streets, \$3,000,000 for park and recreation, \$250,000 for operations and maintenance, and \$22,000,000 for refunding of debt. The voters also approved an annual increase in taxes of \$25,000 annually, at a mill levy rate not to exceed one mill for operations and maintenance.

As set forth in the District's Amended 2004 - 2005 Operating Plan, the City has limited the amount of debt to be issued to a total of \$22,000,000 in the authorized voted categories, without future approval by the City. The 2010 Operating Plan submitted to the City amended the total amount of debt authorized by the City to \$5,000,000. This maximum debt authorization amount shall not be exceeded without express prior approval by the City.

C. Maximum Debt and Operating Mill Levies. The mill levy limitations in the original Operating Plan remain unchanged. The Maximum Debt Mill Levy is fifty (50) mills. The Maximum Operating Mill Levy is one (1) mill. The mill levy caps set forth in this paragraph may be subject to upward or downward adjustments addressing any Mill Levy Adjustment or any abatement occurring after, but not before January 1, 2007. Such upward or downward adjustments are to be determined by the Board in good faith (such determination to be binding and final) so that to the extent possible, the actual tax revenue generated by the mill levy, as adjusted for changes occurring after January 1, 2007, are neither diminished nor enhanced as a result of such changes.

D. District Revenues. See 2025 Budget attached hereto as **EXHIBIT B**.

E. Existing Debt Obligations. The District issued its Series 2009 Limited Tax General Obligation Bonds in the principal amount of \$1,650,000 with an interest rate of 8.5% (the "Series 2009 Bonds"). The Series 2009 Bonds are subject to optional redemption beginning December 1, 2012 and mandatory redemption on December 1 of each year. As required by the District's 2008 Operating Plan, the issuance of the Series 2009 Bonds was approved by Resolution 52-09 of the City Council. The District also issued its Series 2011 Subordinate Limited Tax General Obligation

Bonds in the principal amount of \$55,816 (the “Series 2011 Bonds”). As required by the District’s 2008 Operating Plan, the issuance of the Series 2011 Bonds was approved by Resolution 107-11 of the City Council. The District will annually review the interest rate on its bonds regarding market interest rate and evaluate possibilities to refund such bonds to the extent allowed pursuant to the bond documents.

Notwithstanding the amount of debt authorized at previous or future elections held for that purpose, the total authorized debt of the District shall not exceed \$5,000,000 without the written approval of the City Council of the City of Colorado Springs.

F. *Future Debt Obligations.* The District anticipates issuing bonds in 2025 with a revenue pledge from First and Main Business Improvement District No. 2 for the purpose of financing Public Improvements, which bond issuance is anticipated to utilize the remaining debt authorization of the District. [

G. *Developer Funding Agreements.* The District does not have any outstanding developer advance obligations.

Any Developer Funding Agreements entered into by this District after January 1, 2023 shall be limited to a term of no greater than twenty (20) years, from the time of the first such agreement, after which time any remaining balances must be either converted to Debt or shall no longer be considered an obligation of the District. The Interest Rate on any Agreements initially entered into, or with additional costs added to after January 1, 2023, shall not exceed the Index Rate plus 400 basis points, and interest shall only accrue on the principal balance.

H. *Other Financial Obligations.* The District entered into an Intergovernmental Agreement for Operational Cost Sharing January 1, 2014 with First and Main Business Improvement District No. 2. The intergovernmental expenditures represent transfers to First and Main Business Improvement District No. 2 to provide funding for the overall administrative and operating costs of the District.

I. *City Charter Limitations.* In accordance with 7-100 of the City Charter, the District shall not issue any Debt instrument for any purpose other than construction of capital improvements with a public purpose necessary for development. As set forth in 7-100 of the City Charter, the total Debt of any proposed District shall not exceed 10 percent of the total assessed valuation of the taxable property within the District unless approved by at least a two-thirds vote of the entire City Council.

J. *Limited-Default Provisions.* Limited tax general obligation bonds issued by the District shall be structured and/or credit enhancements provided such that the bonds cannot default as long as the District is imposing the required maximum allowed mill levy.

K. *Privately Placed Debt and Related Party Privately Placed Debt.* Prior to the issuance of any Privately Placed Debt for capital related costs, the District shall obtain the certification of an External Financial Advisor regarding the fairness and feasibility of the interest rate and the structure of the Debt. The Interest Rate for Related Party Privately Placed Debt shall

not exceed the Index Rate by more than 400 basis points. Related Party Privately Placed Debt shall not be issued with an optional call date of greater than five (5) years from the date of issuance.

L. *End User Fee Limitation.* The District shall not impose an End User Fee for the purpose of servicing District Debt without prior approval of City Council.

M. *Debt Not an Obligation of the City.* The debt of the District will not constitute a Debt or obligation of the City in any manner. The faith and credit of the City will not be pledged for the repayment of the debt of the District. This will be clearly stated on all offering circulars, prospectus, or disclosure statements associated with any securities issued by the District.

N. *Land Development Entitlements.* The District shall not issue Debt, enter into any other Long Term Financial Obligation or certify a Debt Mill Levy unless a Land Development Entitlement has been approved for the Property.

7. MUNICIPAL OVERSIGHT OF DISTRICT ACTIVITIES

A. *Audit.* The District agrees to submit an annual audit to the City Finance Department no later than March 31st of each year which is performed by an independent certified public accounting firm. Notwithstanding the foregoing, the District may submit a completed audit exemption application to the City Finance Department in lieu of an annual audit if the District qualifies for an audit exemption.

B. *SID and Authority Formation.* The District affirms that it will provide an Amended Operating Plan and seek prior approval of City Council prior to formation of any Special Improvement District within its boundaries in the future.

C. *City Authorization Prior to Debt Issuance.* In accordance with the City's Special District Policy, and notwithstanding any statements of intent in the Budget and Operating Plan, this District shall request and obtain approval of City Council prior to issuance of any Debt in accordance with the financing plan for the District as previously approved. The standards for City approval shall generally be consistency with the City's Special District Policy as it may be amended along with the most recently approved operating plan and budget and any requirements or limitations contained therein to the extent that they are consistent with the financing plans for the District.

D. *Public Improvement Fees.* This District will not utilize any revenues from a new, increased or expanded public improvement fee ("PIF") unless specifically authorized in this or a subsequent operating plan and budget, or separately approved by City Council. The imposition of a PIF and any provisions for adjustment of a PIF that have been previously approved by City Council shall not be subject to this restriction.

E. *Condemnation.* The Colorado Revised Statutes do not authorize BIDs to use powers of eminent domain. The exercise of eminent domain authority by any City-authorized district is also specifically prohibited without express prior City Council approval.

F. *Concealed Carry Prohibition.* The District shall not adopt or enact an ordinance, resolution, rule or other regulation that prohibits or restricts an authorized permittee from carrying

a concealed handgun in a building or specific area under the direct control or management of the District.

G. *Eligible Expenses or Costs for Reimbursement.* In addition to any limits or prohibitions contained in Colorado Revised Statutes, the District shall not issue debt for or otherwise fund any costs or expenses not allowed for by the Special District Policy.

H. *Intergovernmental Agreements.* The District entered into an Intergovernmental Agreement for Operational Cost Sharing January 1, 2014 with First and Main Business Improvement District No. 2. The intergovernmental expenditures represent transfers to First and Main Business Improvement District No. 2 to provide funding for the overall administrative and operating costs of the District.

I. *Overlapping Districts.* There are currently no districts that overlap with the District.

**FIRST & MAIN BUSINESS IMPROVEMENT DISTRICT
2025 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

The District was organized by Ordinance of the City of Colorado Springs on March 11, 2003, to provide the financing, acquisition, construction, completion, installation, replacement and/or operation and maintenance of all of the services and public improvements allowed under Colorado law for business improvement districts. Specific improvements and services provided by the District include parking facilities, roadways, lighting, driveways, public utilities and landscaping. The District's service area is located entirely within the City of Colorado Springs, El Paso County, Colorado.

At an election held on November 2, 2004, the District's electors authorized the issuance of indebtedness in an amount of \$50,000 for operations and maintenance, \$19,000,000 for parking facilities, and \$3,000,000 for park and recreation. The election also allows the District to retain all revenues without regard to the limitations contained in Article X, Section 20 of the Colorado constitution. On November 1, 2005, the District's electors authorized the issuance of additional indebtedness in an amount of \$2,000,000 for water and \$500,000 for storm drainage. On November 7, 2006, the District's electors authorized additional indebtedness of \$19,000,000 for streets, \$3,000,000 for park and recreation, \$250,000 for operations and maintenance, and \$22,000,000 for refunding of debt. The voters also approved an annual increase in taxes of \$25,000 annually, at a mill levy rate not to exceed one mill for operations and maintenance. As set forth in the District's Amended 2004 - 2005 Operating Plan, the City has limited the amount of debt to be issued to a total of \$22,000,000 in the authorized voted categories, without future approval by the City. The 2010 Operating Plan submitted to the City amended the total amount of debt authorized by the City to \$5,000,000.

The District has no employees and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those difference may be material.

Revenues

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The budget assumes that the District's share will be equal to approximately 10% of the property taxes collected.
