**Introduction****Briefly introduce yourself and state your interest in serving on a specific Board, Commission, or Committee**

I enjoy participating in local boards and commissions for several reasons. I believe residents should be active in the decisions that are made in their community. I also believe it is important to share technical expertise with the community outside of typical professional roles. As an individual who is experienced serving on regional and local boards, I understand the important role of these entities. Thank you for consideration!
