## PlanCOS MAP IMAGE

## PlanCOS Compliance

- **“Changing Neighborhood”**

The goal of this neighborhood is to retrofit, reinvent, and introduce new features to enhance the identity, quality and affordability, and attractiveness of these neighborhoods

- **“Housing for All” Big Idea**

- PV adds quality, affordability and attractiveness to the neighborhood.
- PV is an affordable housing development that includes a social service component that together helps to elevate young adults to work, live and contribute positively to our society be it here in Colorado Springs or other communities.
- Application(s) is aligned with the vision, goals, and strategies of PlanCOS.

- SWENT

The Final Drainage Letter is ready for approval once minor revisions are addressed by the Applicant.

- ENGINEERING

Required additional street R.O.W. to establish a uniform width for Prospect Street and Arcadia Street. The new R.O.W. is included in the Development Plan and its dedication to the city will be done with the Subdivision Final.

Determined that minimal geologic hazards exist in this area and a Geologic Hazard Not Applicable Form is in process.

- SCHOOLS/PARKS.

Required to pay fees in lieu of dedication for schools and parks.

- TRAFFIC ENGINEERING.

Meets Traffic Criteria Manual Standards

- CSU

Well use will require an Augmentation Plan.

Plans need revised to meet horizontal clearance requirements for water and wastewater service lines.

- FIRE

Resolved issues with hose reach and fire access road standards.

Plans need updated to include Fire Access Sign on the Access Gate.

# APPLICATION REVIEW CRITERIA

## 7.5.704: Zone Map Amendment (Rezoning)

1. The proposed rezoning is consistent with the goals and policies of the Colorado Springs Comprehensive Plan, with other plans and policies adopted by the City Council; and with the purpose statement of the proposed zone district(s).
2. The rezoning will not be detrimental to the public interest, health, safety, convenience, or general welfare.
3. The location of the lands in the zoning map area being amended are appropriate for the purposes of the proposed zone district(s).
4. If the application proposes to rezone a small area of land, the application demonstrates that the size, scale, height density, and multimodal traffic impacts of the proposed rezoning are compatible with surrounding development or can be made compatible with surrounding development through approval conditions.
5. If the application proposes to rezone a relatively small area of land, the application demonstrates that the change in zoning will not create significant dislocations of tenants or occupants of the property, or that any impacts are outweighed by other public benefits or progress toward other Colorado Springs Comprehensive Plan goals that would be achieved by approval of the application.
6. If a Land Use Plan or amendment to a Land Use Plan accompanies the application, the Land Use Plan or amendment complies with the applicable criteria in in Subsection 7.5.514C.3 (Land Use Plan Criteria).
7. The application is consistent with any approved Concept Plans in the area for which the map is being amended or includes or is accompanied by a provision that the approved Concept Plans have been classified as implemented and do not have to be amended to be considered consistent with an amended zoning map.

# APPLICATION REVIEW CRITERIA

## 7.5.704: Zone Map Amendment (Rezoning)

### Criteria for Approval (Continued)

8. The application is consistent with any approved Concept Plans in the area for which the map is being amended or includes or is accompanied by a provision that the approved Concept Plans have been classified as implemented and do not have to be amended to be considered consistent with an amended zoning map.
9. If rezoning to a PDZ district, the proposed PDZ district provides significant community amenities or other benefits, as determined by the Manager, that promote the achievement of Colorado Springs Comprehensive Plan goals and would not otherwise be required of the applicant under this UDC or other City or governmental regulations.
10. Complies with the additional standards of the base zone district where the property is located (see Article 7.2 (Zone Districts)) or in an overlay district that applies to the property (see Part 7.2.6 (Overlay Districts)).

## Statement of Compliance

### ZONE-24-0017

After review of the application, Staff finds the approval criteria for a zone map amendment are met.

# APPLICATION REVIEW CRITERIA

## 7.5.601: Conditional Use

### **An application for Conditional Use is subject to the following Criteria for Approval:**

- a. The application complies with any use-specific standards for the use in Part 7.3.3 (Use-Specific Standards)
- b. The size, scale, height, density, multimodal traffic impacts, and other impacts of the use are compatible with existing and planned uses in the surrounding area, and any potential adverse impacts are mitigated to the extent feasible; and
- c. The City's existing infrastructure and public improvements, including but not limited to its street, trail, and sidewalk systems, have adequate capacity to serve the proposed development and any burdens on those systems have been mitigated to the maximum extent feasible.

## Statement of Compliance

### **CUDP-24-0014**

After review of the application, Staff finds the approval criteria for a conditional use are met with conditions.

# APPLICATION REVIEW CRITERIA

## 7.5.515: Development Plan

1. The decision-making criteria in Section 7.5.409 (General Criteria for Approval) apply unless modified by this Subsection 4; and
2. The application complies with all applicable Use-specific standards in Part 7.3.3 related to the proposed use(s); and
3. The details of the site design, building location, orientation, and exterior building materials are compatible and harmonious with the surrounding neighborhood, buildings, and uses, including not-yet-developed uses identified in approved Development Plans; and
4. Significant off-site impacts reasonably anticipated as a result of the project are mitigated or offset to the extent proportional and practicable; and
5. The Development Plan substantially complies with any City-adopted plans that are applicable to the site, such as Land Use Plans, approved master plans for a specific development, neighborhood plans, corridor plans, facilities plans, urban renewal plans, or design manuals; and
6. The project meets dimensional standards applicable to the zone district, or any applicable requirement in an FBZ or PDZ district; and
7. The project grading, drainage, flood protection, stormwater quality, and stormwater mitigation comply with the City's Engineering Criteria, the drainage report prepared for the project on file with the Stormwater Enterprise Manager, and other federal, state, and City regulations; and
8. The project complies with all the development standards of Article 7.4 (Development Standards and Incentives), including access and connectivity requirements in Part 7.4.4 (Access and Connectivity), the landscaping and green space requirements in Part 7.4.9 (Landscaping and Green Space), and the parking and loading requirements in Part 7.4.10 (Parking and Loading); and
9. The project complies with all applicable requirements of any Overlay District in which the property is located, as listed in Part 7.2.6 (Overlay Districts); and

# APPLICATION REVIEW CRITERIA

## 7.5.515: Development Plan

### Criteria for Approval (Continued)

10. The project preserves, protects, integrates, or mitigates impacts to any identified sensitive or hazardous natural features associated with the site; and If rezoning to a PDZ district, the proposed PDZ district provides significant community amenities or other benefits, as determined by the Manager, that promote the achievement of Colorado Springs Comprehensive Plan goals and would not otherwise be required of the applicant under this UDC or other City or governmental regulations.
11. The project connects to or extends adequate public utilities to the site. As required by Colorado Springs Utilities, the project will extend the utilities to connect to surrounding properties; and
12. If necessary to address increased impacts on existing roadways and intersections, the project includes roadway and intersection improvements to provide for safe and efficient movement of multi-modal traffic, pedestrians, and emergency vehicles in accordance with the Engineering Criteria, public safety needs for ingress and egress, and a City accepted traffic impact study, if required, prepared for the project.

## Statement of Compliance
