

Colorado Springs City Council Presentation

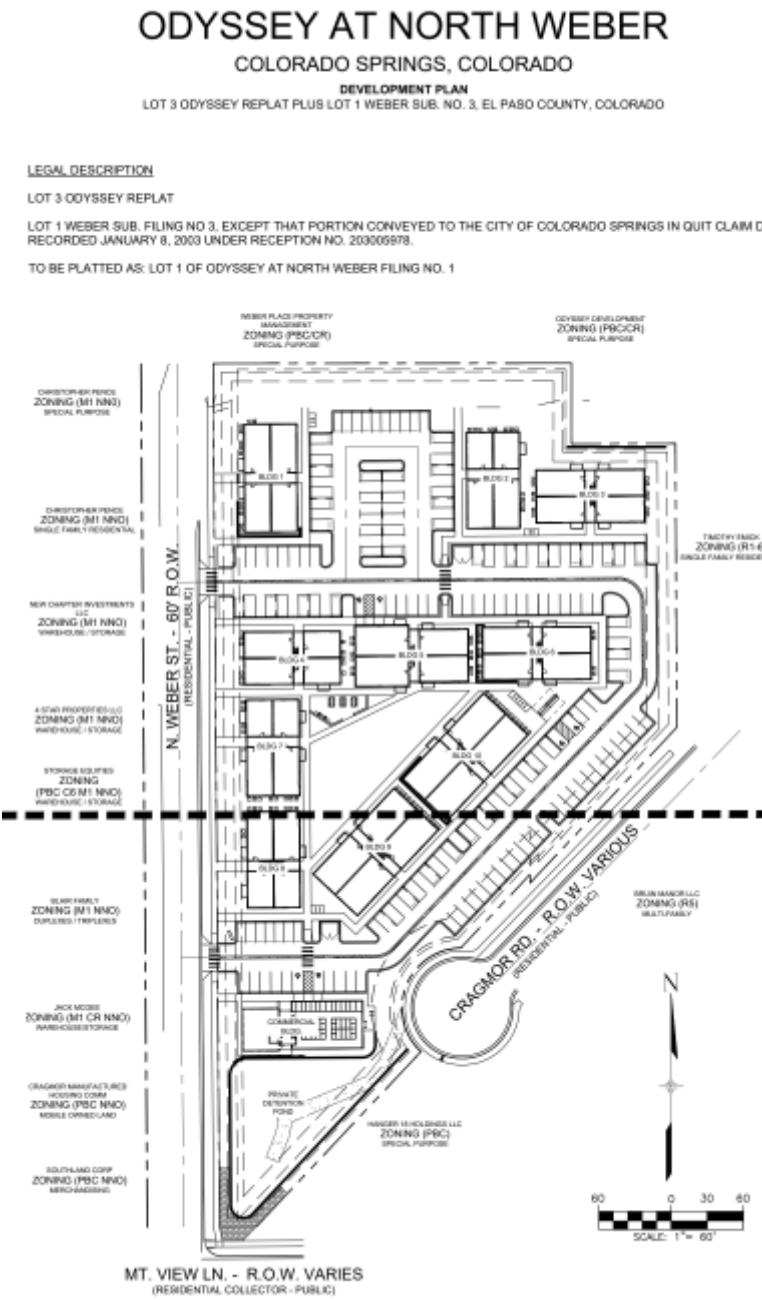

Odyssey at North Weber
3981 N. Weber St.
Colorado Springs, CO 80907

PROJECT OVERVIEW

- Colorado Springs District 5
- 4.4 acre site located in the influence area of the Renew North Nevada Avenue Master Plan
- Approved Development Plan/Currently being Permitted
- 120 unit Multifamily with Market Rate Office
- Targeted towards the Work Force housing need
- Mix of 1 bed/ 1 bath, 2 bed/2 bath and 3 bed/2 bath units

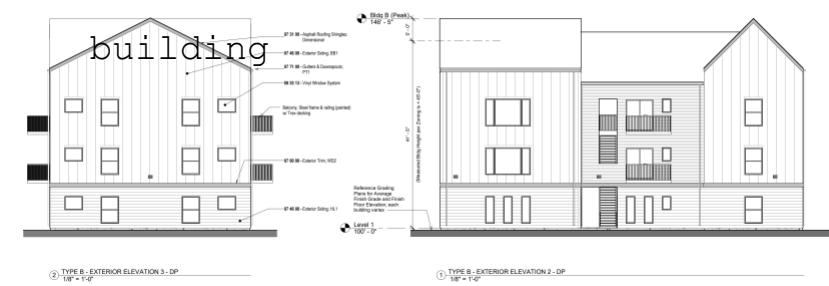

PROJECT OVERVIEW

Design Aspects

- 12 DU/Building vs. 2 DU/Building
- Mix of modern and traditional design
- Open Space in between buildings
- Covered Parking available
- Community space in the Commercial

HOUSING NEEDS

COLORADO

Division of Housing

Affordable Housing Toolkit for Local Officials

THE HOUSING CONTINUUM

The housing continuum depicts housing affordability at different AMI levels. AMI will vary across different regions due to market differences.

Renew North Nevada Avenue Master Plan

CREATING OPPORTUNITY IN THE NORTH NEVADA AVENUE CORRIDOR

Figure 5.2: North Nevada Avenue Planning Zones

*Apartment Appraisers & Consultants, Inc. (2024, February)
Odyssey at North Weber market study report.
Prepared for Mr. Stephen Chasteen, Regions Bank.

SUPPLY AND DEMAND

Colorado Springs Metro Wide Supply:

Metropolitan demand is estimated to be 2,350 units per year, indicating a **5.7-year supply** in the pipeline during the **next 3 years**. These supply and demand conditions are expected to result

Primary Market Supply:

must be absorbed. We have projected average demand for approximately 250 units per year, indicating **1.8 years of supply** in the pipeline during the **next 3 years**. Affordable and age restricted

Odyssey at North Weber Primary Market Area

SUPPLY/DEMAND TREND ANALYSIS Primary Market Area					
Category	Input	Yr. 1	Yr. 2	Yr. 3	
All properties in the PMA including affordable & senior					
Total Supply/Inventory, Beg. of Year (BoY)	6,747	6,747	6,931	7,016	
Less: Annual Demolitions/Conversions	0.20%	-13	-14	-14	
Plus: New Units Added					
Under Construction, Not In Lease-up	296	197	99	0	
Proposed, Excluding Subject	0	0	0	0	
Subject Units	120	0	0	120	
= Total Supply Additions	416	197	99	120	
Supply/Inventory, End of Year (EoY)		6,931	7,016	7,122	
Demand: Occupied Units, BoY	6,230	6,230	6,480	6,730	
Annual Rental Household Growth	250	250	250	250	
Demand: Occupied Units, EoY		6,480	6,730	6,980	
Vacant Units, EoY		451	286	142	
Overall Vacancy *	7.7%	6.5%	4.1%	2.0%	
Less: Stable Vacant Units	5%	347	351	356	
Total Supply Surplus (+)/Deficit (-)		104	-65	-214	
Annual Supply Surplus (+)/Deficit (-)		-66	-165	-144	

* Includes stabilized properties of all types and properties in lease-up.

RENEW NORTH NEVADA MASTER PLAN

Figure 5.3: North Zone Existing Land Use Plan

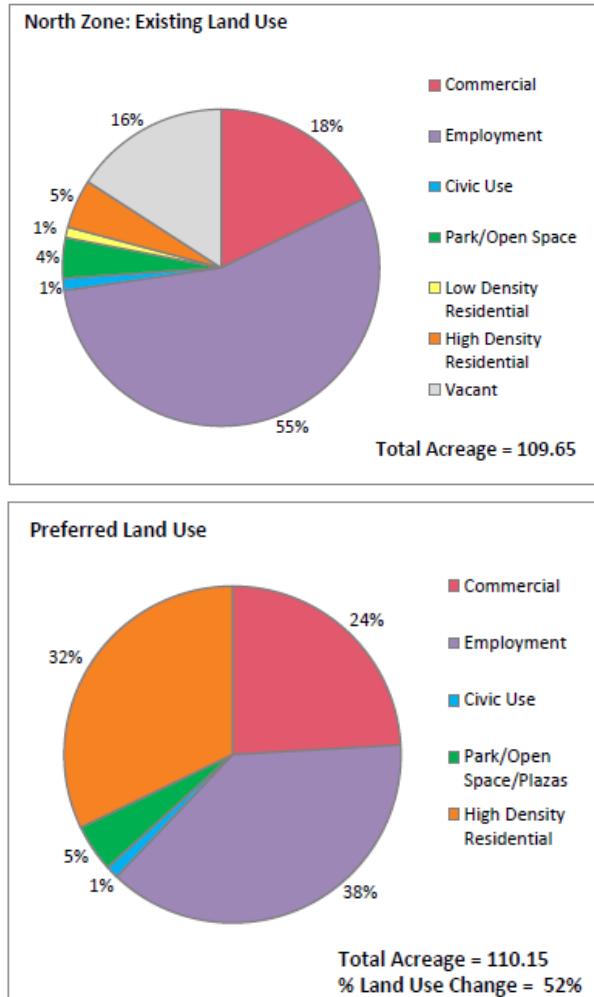

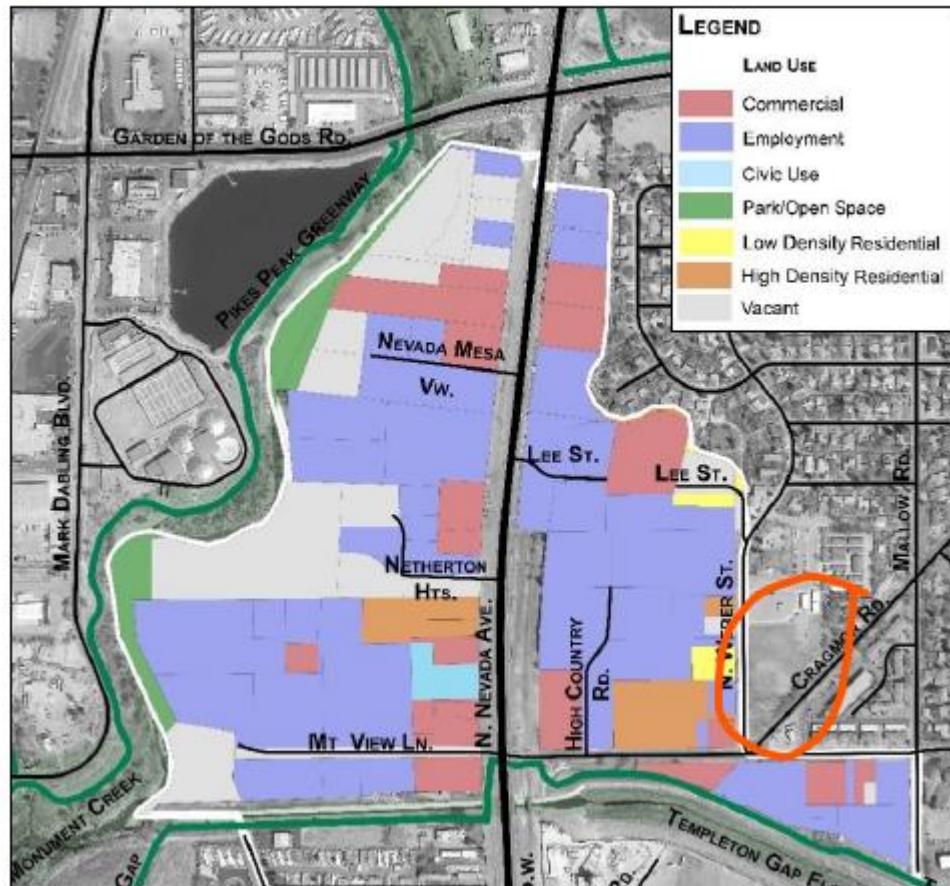

Figure 5.5: North Zone Plan Goals

Land Use Goals:

- ❖ Build upon the existing neighborhood center by encouraging the inclusion of residential adjacent and above and incorporating an urban plaza.
- ❖ Capitalize on the mountain views on the west side of the area with hotel and/or market rate high-density housing.
- ❖ Create a student village with housing and local retail/restaurants.
- ❖ Encourage adaptive reuse of properties in this zone to support UCCS activities and student population.
- ❖ Encourage employment uses that support UCCS medical programs.
- ❖ Relocate ComCor to facilitate redevelopment.
- ❖ Create a pocket park at the Southeast corner of Mount View Lane/North Nevada Avenue that could double as a water quality facility.

Mobility Goals:

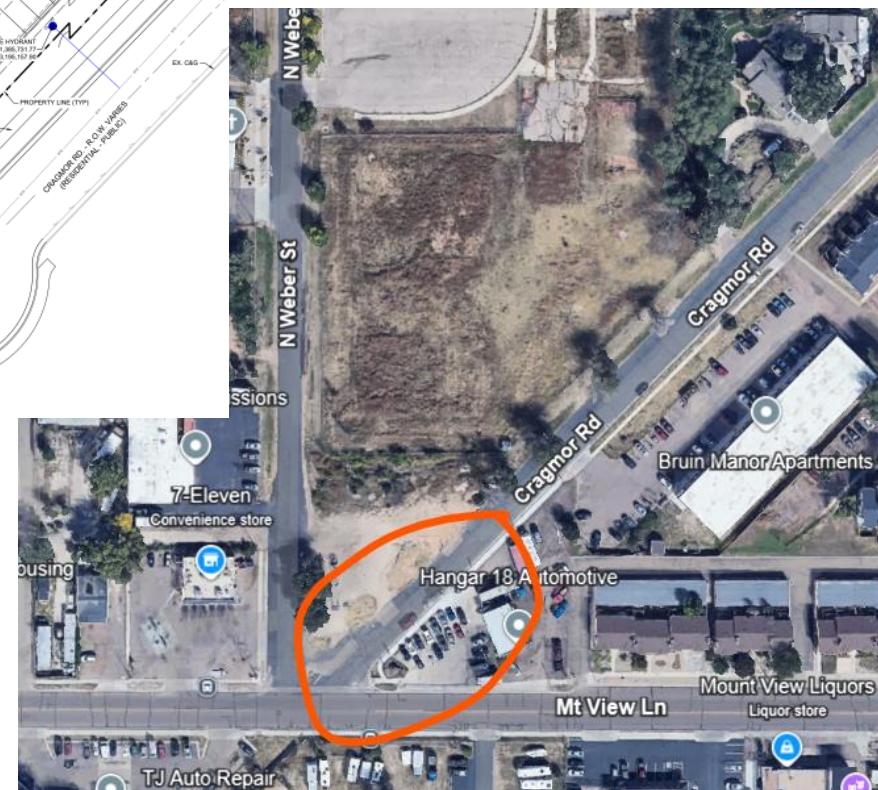

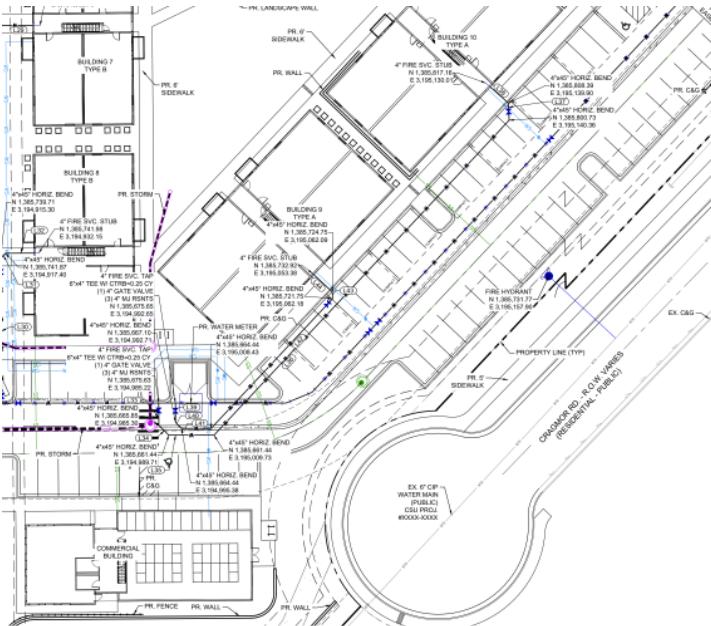

- ❖ Include curb, gutter, sidewalk and bike lanes on North Nevada Avenue.
- ❖ Improve vehicular connectivity across Templeton Gap drainage by extending Cascade Avenue north and Mallow Road south.
- ❖ Provide a transit stop at Mount View Lane intersection.
- ❖ Encourage the connection of Lee Street to Weber Street.
- ❖ Improve the Templeton Gap trail crossing at Nevada Avenue, preferably via an underpass.
- ❖ Utilize the railroad right of way for trail and transit use.

Preferred Uses:

- ❖ Hotel
- ❖ Independent retail/restaurants
- ❖ **Student housing**
- ❖ Medical Office/Research & Innovation
- ❖ Local employment
- ❖ **Market rate multi-family residential**

PUBLIC IMPROVEMENTS

- Cul-de-Sac at Cragmor and Mountview that will eliminate a dangerous intersection
- Well lit walkways and improved streetscape
- New sidewalks along both Cragmor and Weber
- Art
- New housing in an area that has been lacking new development for decades
- Will kickstart development for the North Segment of the Master Plan

ELIIGIBILITY

Blight Factors:

- (d) Unsanitary or Unsafe Conditions.
 - Campers have left needles and trash creating unsafe and unsanitary conditions
 - Illegal Dumping and Fires by homeless
- (b) Predominance of defective or inadequate street layout.
 - Intersection of Cragmor and Mountview creates a dangerous intersection
 - Lack of protection for civilians without adequate sidewalks or crosswalks
- (k.5) The existence of health, safety, or welfare factors requiring high levels of municipal services or substantial physical underutilization or vacancy of sites, buildings, or other improvements
 - Empty lot has attracted urban campers that are interfering with neighboring business with litter and theft. PD has had multiple calls to the site for complaints
- (I) If there is no objection by the property owner or owners and the tenant or tenants of such owner or owners, if any, to the inclusion of such property in an urban renewal area, "blighted area" also means an area that, in its present condition and use and, by reason of the presence of any one of the factors specified in paragraphs (a) to (k.5) of this subsection (2), substantially impairs or arrests the sound growth of the municipality, retards

"But For" Project Gap

- liability, and is a menace to the public health, safety, morals, or welfare. For purposes of this paragraph (1), the fact that an owner of an interest in barely a ~~les~~ and current ~~equity~~ is requiring at renewal area does not mean that the owner has waived any rights of such owner in connection with laws governing condemnation.
- ~~Current project costs create a yield on cost at~~
~~with help from the URA and implementing a property~~
~~tax~~
~~renewal area~~

VIABILITY

Financing:

- Currently working on a HUD 221 (d) (4) loan with Regions Bank
- Through Concept and working on Firm Application
 - 3rd and Last Step prior to approval
 - Received positive feedback and support from HUD for the P

Reports:

- Completed a Market study showing excess demand in primary area
- First round HUD appraisal confirming rents and expense estimates

Status:

- Building plans are currently in review with PPRBD
- Approved Development Plan from the City

Team:

- Experienced Operators
- Experienced developers
- Dedicated to Colorado Springs

DEVELOPMENT TEAM

Odyssey at North Weber is a Joint Venture between Blue Truck Capital and Narrate Holdings.

Blue Truck Capital is a value add and ground-up development group that has participated in every aspect of a property's life cycle. The principals have led in closing or operating real estate deals and businesses in excess of \$150MM. Blue Truck Capital specializes in off-market deals that are structured to decrease investor risk and provide above-market returns.

Narrate Holdings is a Denver-based real estate firm specializing in the development of multifamily and mixed-use properties as well as existing value-add opportunities in select metropolitan markets. We are an experienced team of professionals focused on acquiring and developing multifamily/mixed-use properties in quality locations that deliver long-term stable cash flow and asset appreciation.
