

PIKES PEAK AREA CRIME STOPPERS

SERVING OUR COMMUNITY

WHAT WE DO

Pikes Peak Area Crime Stoppers (PPACS) promotes the active engagement of citizens in the protection of our community.

CRIME STOPPERS PRINCIPLE

“Someone other than the criminal has information that can solve a crime or locate a wanted person.”

HOW WE WORK

Pikes Peak Area Crime Stoppers directs and manages a crime reporting platform and cash reward program that offers an alternative avenue for citizens to provide information on criminal activity in the local area, while remaining anonymous.

We serve El Paso and Teller Counties.

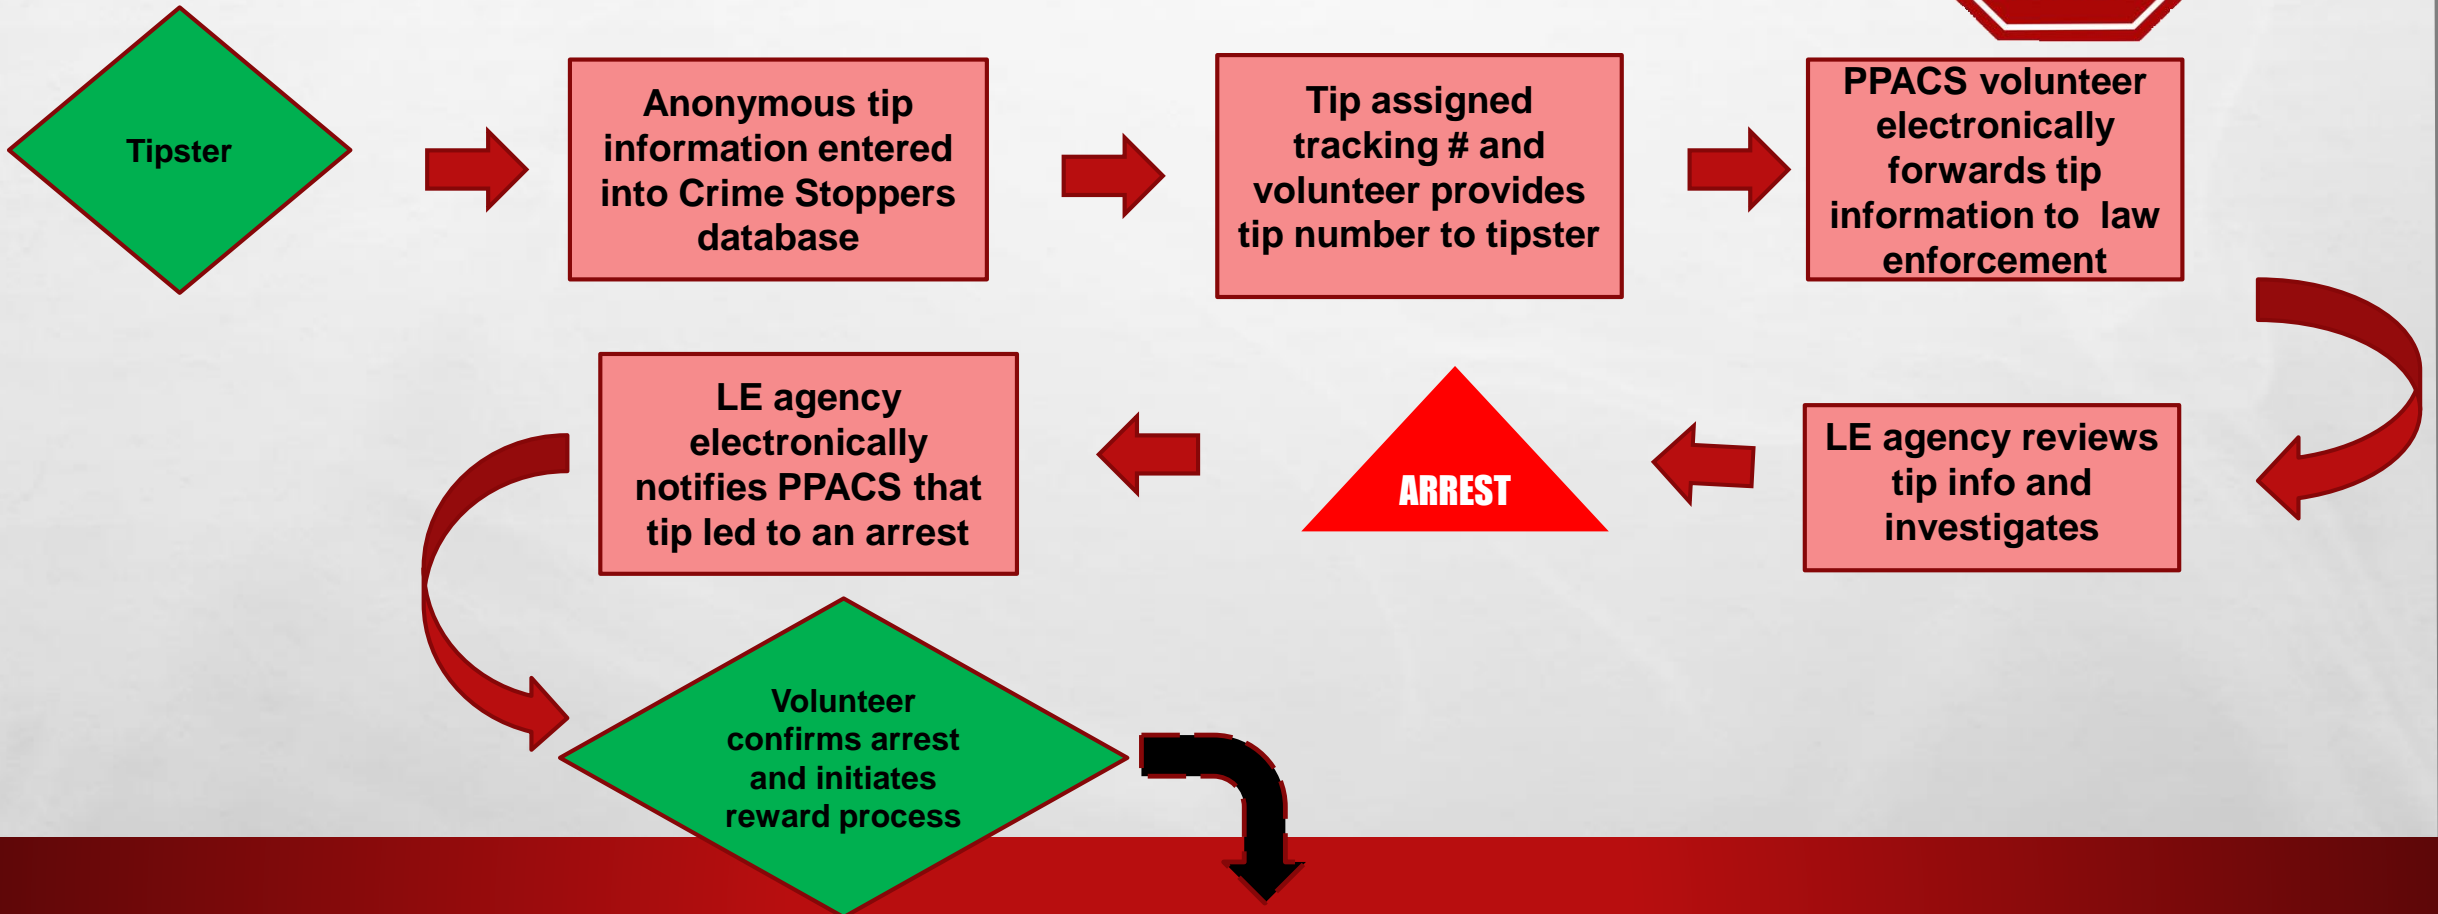

WHY ANONYMITY?

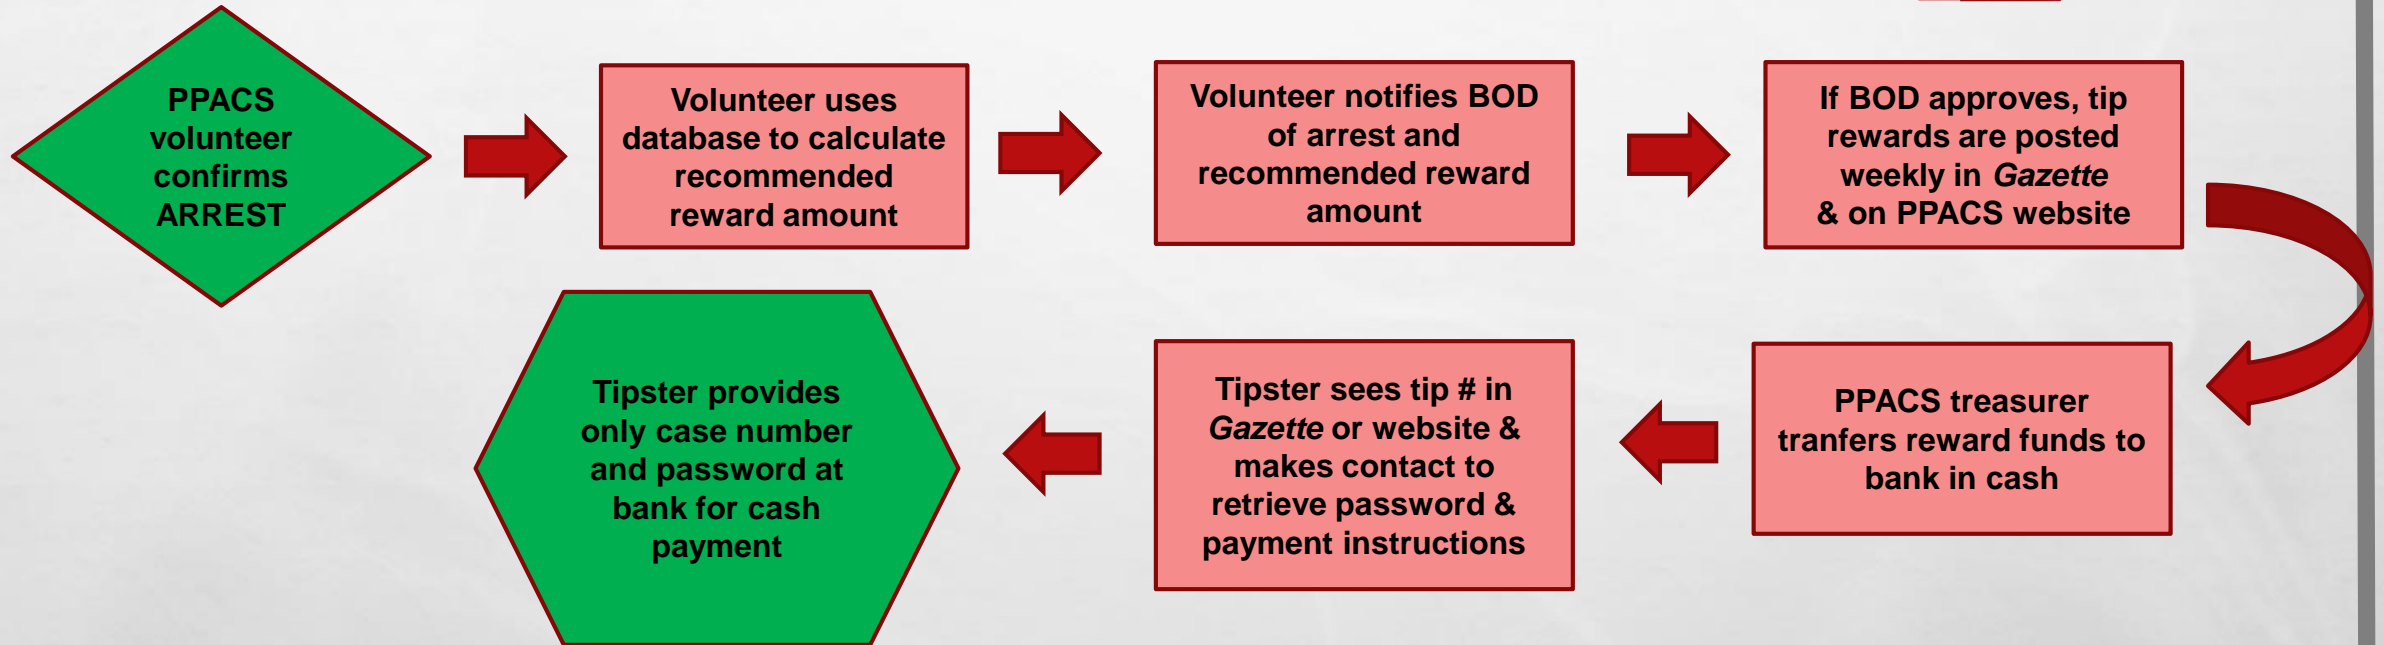

CRIME STOPPERS aims to combat three major problems faced by law enforcement in obtaining information from community members:

- Fear of REPRISAL
 - An attitude of APATHY
 - RELUCTANCE to get involved
- Offering anonymity and paying rewards helps mitigate these problems.
 - The promise of confidentiality is the cornerstone to the success of Crime Stoppers.
 - Our system is protected by Colorado statutes (undiscoverable by attorneys).
