Hello, my name is Renate Fiedler, I live at 227 E Las Vegas St, Colorado Springs, CO 80903. I bought my home in 1986 and have seen this neighborhood go through all kinds of changes, mainly bad, especially

when the liquor store opened in the Las Vegas Plaza Shopping Center. Now the Rescue Mission has expanded all the way up to Nevada Ave.

I am totally opposed to an alcohol serving bar adding to already existing problems. The corner of Las Vegas and Nevada is a problem area. The homeless hang around all day and night. There are fights, shootings, car/pedestrian accidents, and overall mayhem. I'm a 67 year old retired RN and I have to deal with this on a daily basis.

The police are busy enough in this neighborhood, without adding an alcohol serving bar. The liquor store is already more than enough. I really, really think this is not a good idea. Please consider us older people who have to live here. I've been told by law enforcement to move, it's easier said than done. I'm stuck here and would like to live the remainder of my life in a moderate peaceful manner, which is becoming more difficult by the day. So please, consider the situation with the homeless population sharing this area with us law abiding homeowners. We do not need any more problems.

Thank you for your time,

Renate Fiedler

Record Number FBZN-24-0007 I am writing to comment on the Utility Bar and Grill proposal. I am a resident of the Las Vegas Neighborhood, 313 E. Las Vegas Street. I am 88 years old and have seen this neighborhood become a haven for homeless encampments and daily wandering homeless. We already have a liquor store on that corner. This Bar and Grill would be another "attractive nuisance" to add to our already deteriorated

neighborhood. Police presence is constant as it is. Please, save us any more grief by refusing this proposal. Thank you. JoAnne Romero
