AGENCY REVIEW

Traffic Impact Study

No comments received.

School District

No comments received.

Parks

The Park Land Dedication Ordinance will be applicable for any residential development proposed, to be evaluated with the future development plan. The School Site Dedication Ordinance is also applicable to any residential development, though the presiding School District should make separate comments. Citywide Development Impact (Police & Fire) Fees will be applicable to any future residential or commercial development, to be evaluated with the future development plan.

SWENT

No comments received.

Colorado Springs Utilities

CSU has no comments on the proposed zone change application. Comments will be provided at time of the required Preliminary Utility and Public Facility Plan submittal associated with the development plan entitlement.

Airport

Airport staff recommends no objections with the following conditions: (1) Avigation Easement: An avigation easement is required or provided proof of previous recording (book/page or reception number). Add avigation note to plat. (2) FAA Form 7460-1: If use of equipment (permanent or temporary) will exceed 150 feet above ground level in height at this site, the applicant is to file an airspace evaluation case with the Federal Aviation Administration (FAA) and provide the results to the Airport before the commencement of construction activities.

Public Works

Request Condition of Record/Approval requiring the applicant to dedicate Airport Road right-of-way to the City by Plat or Deed to the City.

4880 AIRPORT ROAD REZONE

CITY PLANNING COMMISSION – November 11th Meeting

City Planning Commission voted 3-2-0-6 recommending to City Council denial of the Zoning Map Amendment. Below is the breakdown on the vote.

Aye: 3 – Chair Casey, Commissioner Clements and Commissioner Engel

No: 2 – Vice Chair Hensler and Commission Case

Absent: 6 – Commission Cecil, Commissioner Slattery, Commissioner Robbins, Commissioner Sipilovic, Commissioner Gigiano and Commissioner Willoughby

- Primary reasoning for recommending denial is related to meeting item # 4 of the Zone Map Amendment review criteria and the anticipate traffic impact on adjacent roadways based on public feedback.

APPLICATION REVIEW CRITERIA

7.5.704.D Zoning Map Amendment

Criteria for Approval

1. The proposed rezoning is consistent with the goals and policies of the Colorado Springs Comprehensive Plan, with other plans and policies adopted by the City Council; and with the purpose statement of the proposed zone district(s).
2. The rezoning will not be detrimental to the public interest, health, safety, convenience, or general welfare.
3. The location of the lands in the zoning map area being amended are appropriate for the purposes of the proposed zone district(s).
4. If the application proposes to rezone a small area of land, the application demonstrates that the size, scale, height density, and multimodal traffic impacts of the proposed rezoning are compatible with surrounding development or can be made compatible with surrounding development through approval conditions.
5. If the application proposes to rezone a relatively small area of land, the application demonstrates that the change in zoning will not create significant dislocations of tenants or occupants of the property, or that any impacts are outweighed by other public benefits or progress toward other Colorado Springs Comprehensive Plan goals that would be achieved by approval of the application.

Statement of Compliance

ZONE-24-0020

After evaluation of the Zoning Map Amendment Application, the application meets the review criteria .

APPLICATION REVIEW CRITERIA

7.5.704.D Zoning Map Amendment

Criteria for Approval

6. If a Land Use Plan or amendment to a Land Use Plan accompanies the application, the Land Use Plan or amendment complies with the applicable criteria in Subsection 7.5.514C.3 (Land Use Plan Criteria).
7. The application is consistent with any approved Concept Plans in the area for which the map is being amended or includes or is accompanied by a provision that approved Concept Plans that have been classified as implemented do not have to be amended in order to be considered consistent with an amended zoning map.
8. If the application is for creation of an ADS-O district, the approval criteria applicable to the creation of the text of the ADS-O district in Section 7.2.607D.47.5.702 (Decision) shall also apply to consideration of the zoning map amendment required to create or amend the boundaries of the ADS-O district.
9. If rezoning to a PDZ district, the proposed PDZ district provides significant community amenities or other benefits, as determined by the Manager, that promote the achievement of Colorado Springs Comprehensive Plan goals and would not otherwise be required of the applicant under this UDC or other City or governmental regulations.
10. Complies with the additional standards of the base zone district where the property is located (see Article 7.2 (Zone Districts)) or in an overlay district that applies to the property (see Part 7.2.6 (Overlay Districts)). (Ord. 23-03)

Statement of Compliance
