Britt Haley, Director, Parks Recreation and Cultural Services Department, introduced the Ordinance amending City Code pertaining to park traffic offenses.

Councilmember Leinweber recognized Ms. Haley's leadership over the City's park system.

Citizen Gerald White spoke in opposition of the proposed Ordinance because he feels it is too simple and does not meet the needs concerning motorized vehicles. He stated the existing Ordinance states it is unlawful to drive any vehicle which would include bicycles, but it does address snowmobiles which are not a problem on the trails. Mr. White stated high powered scooters and electric one-wheels have not been properly addressed in the proposed Ordinance and requested the Ordinance be postponed to take the time to fix the deficiencies and add in descriptions of

motor vehicles that are consistent with what they are seeing on trails. He stated there are a great amount of infrastructure within the City that look like a Park's trail that are actually within the Public Works Department and the Ordinance should apply across the entire City.

Councilmember Henjum requested this item be postponed to the January 27, 2026 City Council meeting to allow time for the Colorado Transportation Advisory Committee (CTAB) to review and define motorized vehicles better. Caitlin Moldenhaur, Associate Attorney, City Attorney's Office, stated the Ordinance identifies the exceptions to in the second paragraph.

Councilmember Leinweber asked if the Park Rangers will have the capacity to issue citations. Eric Becker, Maintenance and Operations Manager, Parks, Recreation and Cultural Services Department, stated they will not, they will be working with Colorado Springs Police Department Officers regarding citations.

Councilmember Leinweber asked what the fee structure would be. Mr. Becker stated that it has not been determined yet.

Councilmember Donelson asked if Ms. Haley would prefer this Ordinance move forward today with possible future amendments added by CTAB if needed. Ms. Haley confirmed that is their preference so they can address the natural spaces.

Councilmember Henjum asked how long it would take to complete a more comprehensive Ordinance. Ms. Haley stated the earliest would be in March of 2026.

Motion by Councilmember Henjum, seconded by Councilmember Leinweber, to postpone the Ordinance amending Section 101 (Vehicular Traffic Limited) of Article 27 (Park Traffic Offenses) of chapter 10 (Motor Vehicle and Traffic) vehicular traffic limited of the code of the City of Colorado Springs 2001, as amended, pertaining to park traffic offenses to the January 27, 2026 City Council meeting. Deputy Chief John Koch, Colorado Springs Police Department (CSPD), presented the Ordinances pertaining to CSPD technology surcharge, and failure to pay fines, costs, and surcharges. He provided an overview of the current Ordinance, current violation information, proposed Ordinances, reasons behind the change, cost comparison, and implementation.

President Crow-Iverson asked how this program would be funded once behaviors have changes and the number of violations is reduced. Charae McDaniel, Chief Financial Officer, stated they would prioritize the efficiencies of the CSPD through the budget process.

President Crow-Iverson and President Pro Tem Risley stated instead of junk fees, their preference is an increase of the Public Safety Sales Tax (PSST).

Councilmember Henjum stated she does not believe that these penalties are junk fees because they are applied to people who are breaking the law.

Councilmember Rainey and Councilmember Bailey stated the City needs to find better ways of managing and forecasting the budget.

Councilmember Donelson and Councilmember Bailey stated they believe the public would support targeting the people who have broken the law to be responsible for the costs.

Motion by Councilmember Henjum, seconded by Councilmember Donelson, that the Ordinance amending Section 201 (General Penalty) of Part 2 (General Penalty) of Article 1 (Administration) of Chapter 1 (Administration, Personnel And Finance) of the Code of the City of Colorado Springs 2001, as amended be approved as amended on first reading. Councilmember Donelson introduced the Ordinance amending the Ordinance repealing and amending the City Code sections pertaining to camping regulations and providing penalties for the violation thereof.

Emily Vandenberg, Prosecuting Attorney, City Attorney's Office, stated they have been working closely with the Homeless Outreach Team (HOT), to identify their needs and provide the resources requested.

Lieutenant Ryan Tepley, HOT, CSPD, provided an overview of their current

practice.

Ms. Vandenberg identified the current violation information, CSPD/court outreach efforts, proposed Ordinance, major changes, reasons behind the change, and implementation.

Councilmember Bailey asked how the process would work. Lt. Tepley stated once CSPD receives notice of violation, they post a 24-hour notice for the camp/vehicle to be moved.

Councilmember Bailey asked how many of the 114 notices given, how many moved their camp/vehicle. Lt. Tepley stated usually when people are contacted, they move, but it depends on the individual.

Councilmember Henjum asked what happens when someone receives a citation. Lt. Tepley stated they are issued a Serve and Release ticket with a court date and resources such as The Springs Rescue Mission.

Councilmember Henjum asked what occurs when someone refuses resources. Lt. Tepley provided an overview of what is considered accepting resources.

Councilmember Henjum asked if CSPD Officers will be addressing individuals camping in their vehicles. Lt. confirmed it would be.

Councilmember Henjum asked what the penalties are for illegal camping. Ms. Vandenberg stated the penalty is subject to a fine up to \$2,500, probation, and jail up to 189 days, or any combination of those.

Councilmember Henjum asked how many people have gone to jail for this violation. Ms. Vandenberg stated they would have to obtain that information from municipal court.

Councilmember Henjum asked if the El Paso County Sherriff was in support of this Ordinance. Councilmember Donelson stated he had spoken with Sherriff Roybal in the past, but they do not see this Ordinance creating a large impact on the jail system.

Councilmember Henjum stated the biggest concern she has with this Ordinance is where people would go.

Councilmember Leinweber stated the City does need an Ordinance to address the camping, but the City also needs to have a strategic plan to deal with homelessness.

Councilmember Donelson asked if fines and court costs are waived for people experiencing homelessness. Ms. Vanderberg confirmed they did.

Citizens David Valliancourt and Rick Herman, spoke in support of the proposed Ordinance.

Citizens Susan Bolduc, Alisa Rizo, Tim Close, Rabbi Iah Pillsbury, Codi Natelli, Mark Johnson, Katherine Romber, Kayla Murphy, Dr. Jason Fournier, Mia McCall, Jacqueline Deutsch, Eric Deutsch, Mary Sprunger-Froese, Beth Roalstad, Gerald White, Oli Glesner, Bug Peterson, EmRhys Jenkins, Eliza Blanning, Maryah Lauer, and Merrina Mendez spoke in opposition of the proposed Ordinance.

Councilmember Henjum asked how many shelter beds are being prepared for this upcoming winter and if this Ordinance will affect that number. Aimee Cox, Chief Housing Officer, Housing and Homeless Response, stated they are planning for seven hundred shelter beds for temperatures 19 degrees or less and 850 shelter beds for temperatures ten degrees or less for two days in a row and their calculations were based on a slight increase of shelter usage in 2024, not vehicle camping impacts.

Councilmember Henjum asked what providing a safe place for individuals camping in their cars would look like. Ms. Cox stated the goal is safety, to be effective, and solve the problem and they are continuing to work with providers to find long-term solutions.

Councilmember Leinweber asked if there was any safe parking for vehicle camping available within the City. Ms. Cox stated not that she was aware of.

Councilmember Leinweber asked if overnight parking was available at churches. Kevin Walker stated parking and housing is an accessory use for churches.

Councilmember Leinweber asked why some vehicle parking is allowed 72

hours and some are only allowed 24 hours. Lt. Tepley stated it depends on what property they are located at such as private property, parks, or public property.

Councilmember Leinweber stated he will propose an amendment to change the 24 hours to 72 hours.

Councilmember Williams asked if the Administration had an opinion regarding this Ordinance. Jamie Fabos, Chief of Staff, stated the Mayor supports the proposed Ordinance in order to give CSPD a tool to move people along as a public safety interest, and she agrees that the City needs to have public service providers to help people experiencing homelessness.

Councilmember Donelson stated even if this Ordinance is passed, they can continue to work on solutions.

Councilmember Donelson asked how often children are involved when CSPD receives complaints regarding vehicle camping in front of homes or businesses. Lt. Tepley stated it is very often that complaints involve concern for their children.

Councilmember Bailey asked what is expected to happen between now and May 13, 2026 if this item is postponed because providing services is not the purview of the City. Councilmember Henjum stated it would give the opportunity for more involvement from other agencies regarding the potential consequences or amendments needed for this Ordinance.

Councilmember Leinweber asked where individuals experiencing homelessness who are younger than 18 years old could go. Ms. Cox stated they are working with El Paso County, but currently, there is not a place for unaccompanied youth to go.

Councilmember Rainey asked if the CSPD Police Chief supports this Ordinance. Ms. Fabos stated she believes he supports it and it is the discretion of his officers to enforce it.

Motion by Councilmember Henjum, seconded by Councilmember Gold, to postpone the Ordinance amending Section 110 (Camping on Public Property Prohibited) and repealing Section 111 (Camping and Waste Deposit Within Public Stream/Public Stream Riparian Zone Prohibited) of Part 1 (General Offenses) of Article 6 (Offenses Affecting Property) and

repealing Section 404 (Camping Restrictions) of Part 4 (Offenses Relating to Persons) of Article 9 (Park Offenses) of Chapter 9 (Public Offenses) of the Code of the City of Colorado Springs 2001, as amended, pertaining to camping regulation, and providing penalties for the violation thereof to the May 12, 2026 City Council meeting. Chris Sullivan, Senior Planner, City Planning Department, presented the Resolutions and Ordinances adopting findings of fact and conclusions of law based thereon and determining the eligibility for annexation, annexing the area known as Peach Ranch Addition No. 1 Annexation located consisting of 42.43 acres located southeast of North Powers Boulevard and Research Parkway intersection off Tutt Boulevard, establishing a R-Flex Low/AP-O/SS-O (Residential Flex Low Scale with Airport and Streamside Overlays) zone district, and establishment of the Peach Ranch Land Use Plan for proposed Single Family Use. He provided an overview of the vicinity map, applications, project summary, site plan, title, timeline of review, stakeholder involvement, agency review, PlanCOS compliance, application review criteria, and optional motions.

Bryan English, Development Projects Manager, Colorado Springs Utilities (CSU), went over CSU's application of City Code 12.4.305.B./12.4.305, current water resources, full-buildout water requirements, balanced portfolio-planned water supplies, City Code 7.5.701.A.4.-requirements of annexation, City Code 7.5.701.A.3.b.-conditions for annexation, electric service area overlap, water/wastewater/natural gas/electric/fiber infrastructure, CSU capital cost estimate, developer capital cost estimate, CSU operations and management (O&M) costs at full buildout, and Summit

View annexation cost summary.

Councilmember Bailey requested additional information regarding full buildout and the ability to develop additional resources to fill the gap. Mr. English stated the 129,000 is the need for full buildout over a fifty-year planning horizon.

Councilmember Henjum asked how common it is for wastewater services and water development to be contracted out. Mr. English stated that is CSU's current development policy

Chris Lieber, Principal, NES Inc, representing the applicant, introduced Brad Dixon and David Osborne, Toll Brothers.

Mr. Osborne provided a brief overview of their organization.

Mr. Lieber identified the request, site location, surrounding zoning, annexation, zone establishment, Land Use Plan, review criteria, PlanCOS compliance, neighborhood concerns, and compatibility/surrounding neighborhood.

Councilmember Henjum asked if the proposed open space is in the annexation agreement. Mr. Lieber stated the open space is identified within the Land Use Plan which accompanies the zoning action and is consistent with the Development Plan.

Councilmember Leinweber asked if there are plans to improve the Cottonwood Trail. Mr. Lieber stated the West Creek Trail connects to the Cottonwood Trail which will improve the trail corridor.
