

Columbarium 2, Side A
Niches 1-24

Columbarium 3, Side A
Niches 1-24

The diagram shows a rectangular wall structure representing a columbarium. It features a grid of 24 niches, arranged in 4 rows and 6 columns. The niches are separated by thin lines. The wall is bounded by a thicker, shaded border on the top, bottom, left, and right sides, indicating the structure of the wall itself.
