

ORDINANCE NO. 24 - \_\_\_\_\_

AN ORDINANCE AMENDING CHAPTER 7 (UNIFIED DEVELOPMENT CODE) OF THE CODE OF THE CITY OF COLORADO SPRINGS 2001, AS AMENDED, PERTAINING TO ACCESSORY DWELLING UNITS

WHEREAS, the City of Colorado Springs is a home rule municipality pursuant to Article XX of the Colorado Constitution, the Charter of the City of Colorado Springs, and the powers and authority conferred by the laws of the State of Colorado; and

WHEREAS, the authority to regulate land uses is a traditional home rule power within the purview of the City, and state laws that conflict with the same may be superseded by local law; and

WHEREAS, without waiving or abandoning the home rule authority that allows the City to promulgate land use regulations for Accessory Dwelling Units ("ADU"), the City desires to adjust its existing ADU regulations in response to the current housing affordability crisis and to align with State of Colorado House Bill 24-1152 approved on May 13, 2024 (the "Bill"); and

WHEREAS, the City of Colorado Springs desires to increase the number of ADUs within its jurisdiction, as fewer than sixty (60) ADUs have been constructed in the last five (5) years, and promote a regulatory environment that removes barriers and simplifies control measures; and

WHEREAS, the location and surrounding environs of the City of Colorado Springs are distinct and differ from the majority of large municipalities statewide, being adjacent to and within certain wildland areas subject to a high risk of wildfire that endangers life and property, necessitating the tailoring of ADU regulations within the City's jurisdiction to preserve public health, safety, and property within said wildland areas; and

WHEREAS, the Bill concerns increasing the number of ADUs and implementing regulations by June 30, 2025; and

WHEREAS, the City of Colorado Springs' seeks to affirm its status as a supportive jurisdiction established by the Bill.

\* \* \*

E. Dwelling, Accessory: ~~A single Accessory Dwelling Unit (ADU) is allowed on a lot that meets the dimensional requirements of Part 7.4.2 (Dimension Standards) and complies with the following standards as shown on an approved site plan. The ADU may be detached or integrated, pursuant to Part 7.3.2 (Allowed Use Tables).~~ **Accessory Dwelling Units (ADU) are only allowed as an accessory use to a single-family detached dwelling in any zone district, overlay district, or other location where single-family detached dwellings are allowed. The property owner must demonstrate that said property owner resides on the property when submitting an application to construct or convert an ADU, except that this requirement does not apply for any ADU being constructed simultaneously with a primary dwelling. Detached and attached ADUs are not allowed and may not be constructed in a Wildland Urban Interface Overlay (WUI-O) district, but integrated ADUs may be constructed in a Wildland Urban Interface Overlay (WUI-O) district.**

1. General Standards: The following standards apply to ~~detached and integrated~~**all** ADUs.

a. ~~Owner Occupancy~~

~~(1) Requirement: In the R-E, R-1-9, and R-1-6 zone districts, except as otherwise provided in this Subsection 7.3.304E (Dwelling, Accessory), for an ADU to be occupied, the principal dwelling on the site or the ADU must be occupied by the owner of the lot.~~

~~(b) The declaration of restrictions shall require the property owner to reside on the property in accordance with the definition of "owner occupied" in order to lease one of the two (2) units.~~

~~(c) The declaration of restrictions shall lapse upon removal of the ADU. Upon request of the owner and confirmation by the City that the accessory dwelling unit has been removed, the Mayor shall execute a recordable release of the declaration of restrictions and provide the release to the owner. The owner shall be responsible for recording the release and paying all costs of recordation.~~

~~(3) Zoning Enforcement Limitation: No zoning enforcement action pursuant to Part 7.5.9 (General Enforcement) may be brought against a tenant by the City for a failure of the owner to meet the owner occupancy requirement.~~

~~b. Waiver of Owner Occupancy Requirement:~~

~~(1) The Manager may waive the owner occupancy requirement for temporary absences of up to two (2) years, upon a determination that failure to waive the requirement would create an unreasonable hardship. The Manager may grant an additional one (1) year extension to the original waiver upon the expiration of the original waiver.~~

~~(2) The Manager may determine failure to waive the occupancy requirement creates an unreasonable hardship if:~~

~~(a) Enforcement of the requirements would create a temporary economic hardship that could be resolvable within two (2) years;~~

~~(b) The property is listed and actively marketed for sale; or~~

~~(c) The occupancy requirement is unreasonable due to temporary relocation by the owner for employment (including temporary relocation for military service members) or medical treatment, death of the owner, divorce or legal separation of the owner and a non-owner spouse, or similar circumstances.~~

~~e.a.~~ Restriction on Subdivision: In **all districts and locations where an ADU is allowed**~~the R-E, R-1-9, R-1-6, MX-M, MX-L, and LI zone districts and ADU-O district~~, the ADU shall not be sold separately from the principal dwelling unit, nor shall the lot on which an ADU is situated be subdivided unless subdivision is permissible in accordance with all provisions of Part 7.4.3 (Subdivision Standards). **The property owner shall not form a common interest community pursuant to C.R.S. 38-33.3-101 et seq. solely consisting of the principal dwelling unit and its associated ADU.** The following restrictions apply:

\* \* \*

~~e.b.~~ Off-Street Parking: One off-street parking space shall be provided in addition to the minimum parking required for the principal structure.

~~e.c.~~ Access: **Where possible**, All ADUs shall have a thirty-six (36) inch-wide clear access path from the front property line or from the property line where the principal dwelling unit gains its access. The clear access path may be gated. An ADU may share a clear access path with the principal dwelling unit.

~~f.d.~~ Prohibited Units: **The following are prohibited for ADUs:**

**(1)** A mobile home or recreational vehicle may not be used as an ADU. **This restriction applies whether or not the mobile home or recreational vehicle has been altered through the removal of wheels or other parts such that it is in a fixed location and unmovable.**

**(2)** ADUs shall not be allowed on parcels not served by a domestic water and sewage treatment system or served by a well with a permit that cannot supply an additional dwelling unit.

**(3)** Where a single-family detached dwelling is a historic property, listed in the National Register of Historic Places, the Colorado State Register of Historic Properties, or as a contributing structure or historic landmark by the City, an ADU shall be allowed only in accord with the design standards and procedures for said historic property.

~~g.e.~~ Number of Units: No more than one (1) ADU shall be located on any lot.

~~h.f.~~ Conflicts: If any provision of this Subsection 7.3.304E is found to be in conflict with any other provision of this UDC or Code, ~~the provision that establishes the higher or more restrictive standard~~**this provision** shall apply. **Legal nonconforming single-family detached dwellings may obtain an ADU in accord with this Subsection 7.3.304E.**

~~i.g.~~ \* \* \*

**h. Restrictive Design or Dimension Standards. No architectural style, building material, or landscaping requirement applicable to an ADU shall be more restrictive than that for a single-family detached dwelling in the same zoning location. Where this UDC, the FBZ Code, or other regulations would require an architectural style, building material, or landscaping requirement to be more restrictive, the design or dimensional standard shall instead be adjusted to match the architectural style, building material, or landscaping requirement for a single-family detached dwelling in the same zoning location. Further adjustments from such requirements may be available in accord with Section 7.5.524 and may be appealable pursuant to said provision.**

**i. Decision by Manager. In accord with C.R.S. § 29-35-101 et seq., ADUs will be reviewed through an administrative approval process. Pursuant to said process, an applicant for an ADU must submit a site plan for the proposed ADU and apply for a building permit, which shall be approved, approved with conditions, or denied by the Manager based solely on the proposed ADU's compliance with the objective standards set forth in this Chapter 7, UDC. An ADU may be appealable in accord with this UDC.**

**j. Notice Required. The Manager shall notify property owners in the immediate vicinity of the subject property of the ADU application by posted notice pursuant to Section 7.5.406.D.2 (Posted (Sign) Notice).**

c. **Setbacks:** **ADUs shall comply with established yard setbacks as follows:**
