EXHIBIT E

Description of Permitted Services to be Provided by the District

Description of Services:

The provision of regional park and recreation services and improvements, including but not limited to the planning, design, financing, construction, ownership, operation and maintenance of parks, open space, trails, and recreational facilities throughout the District's Service Area.

The District may also provide any and all services related and necessary to the foregoing regional park and recreation services, including but not limited to irrigation and stormwater management services.

In addition, the District may provide any other services and improvements authorized by one or more intergovernmental agreements with the City.

IGA Required (Yes or No):
No.
