ARTICLE I

DEFINITIONS, INTERPRETATION, RATIFICATION AND EFFECTIVE DATE

Section 101. Short Title. This ordinance shall be known as and may be cited by the short title “2025A and B Utilities Bond Ordinance” (the “ordinance”).

Section 102. Meanings and Construction.

A. Definitions. The terms defined in this Section for all purposes of this ordinance and of any ordinance amendatory hereof or supplemental hereto, or relating hereto, and of any other ordinance or any other document pertaining hereto, except where the context by clear implication otherwise requires, shall have the meanings herein specified:

“acquire” or “acquisition” means the opening, laying out, establishment, purchase, construction, securing, installation, reconstruction, lease, gift, grant from the Federal Government, the State, any body corporate and politic therein, or any other Person, the endowment, bequest, devise, transfer, assignment, option to purchase, other contract, or other acquisition, or any combination thereof, of any properties pertaining to the System, or an interest therein, or any other properties herein designated.

“Average Annual Principal and Interest Requirements” means the sum of the principal of and interest on the Bonds and any other Outstanding Parity Bonds, excluding any securities the principal of which is payable within less than one year from the date on which issued, but including any proposed Parity Bonds in the computation under Section 703 hereof, to be paid during each Fiscal Year for the period beginning with the Fiscal Year in which such computation is made and ending with the Fiscal Year in which any Bond or other such security last becomes due at maturity or on a Redemption Date, whichever time is later (but excluding any reserve requirement to secure such payments unless otherwise expressly provided) divided by the number of full Fiscal Years during the period beginning with the Fiscal Year in which such computation is made and ending with the last Fiscal Year in which any Bond or other such security last becomes due at maturity or on a Redemption Date, whichever time is later. The word “principal,” as used in the preceding sentence, means for all purposes of this paragraph, the principal which must be paid to security Owners, whether on stated maturity dates or on mandatory redemption dates, or otherwise. Any such computation shall be adjusted for all purposes in the same manner as is provided in Section 703E hereof. For the purposes of this computation, it shall be assumed that (a) Variable Rate Bonds Outstanding at the time of such determination will bear interest during any period (i) if the interest rate such Variable Rate Bonds bear or shall bear during such period has not been determined, at the fixed interest rate estimated by the remarketing agent for such Variable Rate Bonds and approved by the Finance Director or, if there is no such remarketing agent, by the Finance Director that, having due regard for prevailing financial market conditions, is necessary, but does not exceed the interest rate necessary, to sell such Variable Rate Bonds at 100% of the principal amount thereof in an open market transaction, assuming the Variable Rate Bonds had a term equal to the then remaining term of the Variable Rate Bonds (taking into account any mandatory redemption for such Variable Rate Bonds), or (ii) if the interest rate such Variable Rate Bonds bear or shall bear during such period has been determined and is not subject to fluctuation, at such interest rate thus determined, and (b) any Tender Bonds Outstanding at the time of such determination shall mature on the stated maturity or mandatory Redemption Date or Dates thereof.

For purposes of this calculation, if a Parity Financial Products Agreement has been entered into by the City with respect to the Bonds or any Parity Bonds, interest on the Bonds or such Parity Bonds shall be included in the calculation of such principal and interest by including for each Fiscal Year an amount equal to the amount of interest payable on the Bonds or such Parity Bonds in such Fiscal Year during such period determined as hereinabove provided plus any Financial Products Payments payable in any such Fiscal Year minus any Financial Products Receipts receivable in any such Fiscal Year; provided that in no event shall any calculation made pursuant to this sentence result in a number less than zero being included in the calculation of such interest.

In determining the amount of any Financial Products Payments or Financial Products Receipts on any interest rate swaps or other similar Financial Products Agreement which Payments or Receipts are based on interest rates which are not fixed in percentage for the entire term of the Financial Products Agreement, such amount shall be calculated by assuming such variable interest rate is a fixed interest rate equal to (a) if the Parity Financial Products Agreement relates to Variable Rate Bonds, the fixed rate of interest estimated for such Variable Rate Bonds as hereinabove provided, or (b) if the Parity Financial Products Agreement relates to the Bonds or Parity Bonds which bear interest at a fixed interest rate, the average daily interest rate for such Payments or Receipts under such Financial Products Agreement during the twelve months preceding the calculation or during the time the Financial Products Agreement has been in effect if less than twelve months and if such Financial Products Agreement is not then in effect, the variable interest rate shall be deemed to be a fixed interest rate equal to the average daily interest rate for such Payments or Receipts which would have been applicable if such Financial Products Agreement had been in effect for the preceding 12-month period, which average daily interest rate shall be set forth in a certificate of the Finance Director.

In determining the amount of any Financial Products Payments or Financial Products Receipts on any interest rate cap, floor, collar or other similar Financial Products Agreement with respect to Parity Bonds which are Variable Rate Bonds, such amount shall be calculated by assuming the interest rate on the related Variable Rate Bonds will be a fixed interest rate equal to the average daily interest rate on such Variable Rate Bonds during the twelve months preceding the calculation or during the time the Variable Rate Bonds are Outstanding if less than twelve months and if such Variable Rate Bonds are not at the time of calculation Outstanding, the variable interest rate shall be deemed to be a fixed interest rate equal to the average daily interest rate which such Bonds would have borne if they had been Outstanding for the preceding 12-month period as estimated by the Finance Director, all as set forth in a certificate of the Finance Director. In determining the amount of any Financial Products Payments or Financial Products Receipts on any interest rate cap, floor, collar or other similar Financial Products Agreement with respect to Parity Bonds bearing interest at a fixed rate, such amount shall be the amount payable or receivable annually determined as of the date of issuance of the Parity Bonds as set forth in a certificate of the Finance Director.

For the purposes of this calculation, if Commercial Paper Notes are then Outstanding or are the Parity Bonds proposed to be issued, it shall be assumed that (a) the principal amount of any Commercial Paper Notes Outstanding is that amount forecasted by the City as of the date of the calculation of Average Annual Principal and Interest Requirements to have been issued and be Outstanding at the expiration date of the program established for the Commercial Paper Notes, (b) only interest will be payable on the Commercial Paper Notes prior to the expiration date of the program established for the Commercial Paper Notes, and such amount shall be calculated by assuming such interest rate is a fixed interest rate equal to the average daily interest rate for all

Commercial Paper Notes issued as part of such program during the twelve months preceding the calculation or during the time the Commercial Paper Notes have been Outstanding if less than twelve months and if such Commercial Paper Notes are not then Outstanding, the interest rate shall be deemed to be a fixed interest rate equal to the average daily interest rate which would have been applicable if such Commercial Paper Notes had been Outstanding for the preceding 12-month period as estimated by the Finance Director, and (c) the Commercial Paper Notes so forecasted to have been issued and Outstanding will mature over 25 years from the expiration date of the program established for the Commercial Paper Notes, will bear interest on the unpaid principal amount thereof at the fixed rate of interest equal to the Bond Buyer 30 Year Revenue Index of 25 Revenue Bonds as published in the most recent issue of The Bond Buyer (or any successor thereto) preceding the date of such determination or if such Index is no longer published, of a comparable index selected by the Finance Director and will be payable on a level annual debt service basis over such 25 year period, all as set forth in a certificate of the Finance Director. For the purposes of this paragraph, the term “expiration date of the program established for the Commercial Paper Notes” shall mean the earlier of (i) such expiration date as set forth in the ordinance of the City authorizing the issuance of the Commercial Paper Notes, or (ii) 5 years from the initial date of issuance of any Commercial Paper Note under such program.

“Build America Bond Credit” means the credit provided in Section 6431 of the Code in lieu of any credit otherwise available to the owners under Section 54AA(a) of the Code or credits from similar programs authorized in the future.

“Build America Mutual” means Build America Mutual Assurance Company, a mutual insurance corporation organized under the laws of, and domiciled in, the State of New York, or any successor thereto or assignee thereof.

“Balloon Bonds” means any securities payable from Net Pledged Revenues 25% or more of the original principal amount of which matures during any consecutive 12-month period if such maturing principal amount is not required to be amortized by mandatory redemption or prepayment prior to such period and if such 12-month period overlaps the Fiscal Year in which the Combined Maximum Annual Principal and Interest Requirements occur (without regard to the assumptions contained in clause (c) of the first paragraph of the definition of Combined Maximum Annual Principal and Interest Requirements).

“Beneficial Owner” means each Owner of Bonds whose ownership is recorded under the book-entry only system maintained by the Depository.

“Bond Fund” means the special account designated as the “City of Colorado Springs, Colorado, Utilities System Improvement Revenue Bonds, Series 2025A and City of Colorado Springs, Colorado, Utilities System Refunding Revenue Bonds, Series 2025B Bond Fund” created pursuant to Section 505 hereof.

“Bond Requirements” means the principal of, any prior redemption premiums due in connection with, and the interest on any Bonds or other securities payable from the Net Pledged Revenues and heretofore or hereafter issued, if any, or such part of such securities as may be designated.

“Bonds” has the meaning ascribed to such term in the recitals hereof.

“Business Day” means any day other than (a) a Saturday or Sunday or a day on which banking institutions in the State or the State of New York are authorized to close, or (b) a day on which the New York Stock Exchange is closed.

“Capital Improvements” means those property improvements or any combination of property improvements which will constitute enlargements, extensions or betterments to the System and will be incorporated into the System.

“Charter” means the home rule charter of the City, as from time to time amended.

“City” means the City of Colorado Springs, Colorado, or any successor municipal corporation owning the System.

“Clerk” means the city clerk of the City, or his or her successor in functions, if any.

“Code” means the Internal Revenue Code of 1986, as amended to the date of delivery of the Bonds, and the regulations promulgated thereunder.

“Combined Maximum Annual Principal and Interest Requirements” means the largest sum of the principal of and interest on the Bonds and any other Outstanding Parity Bonds, excluding any securities the principal of which is payable within less than one year from the date on which issued, to be paid during any one Fiscal Year for the period beginning with the Fiscal Year in which such computation is made and ending with the Fiscal Year in which any Bond or other such security last becomes due at maturity or on a Redemption Date, whichever time is later (but excluding any reserve requirement to secure such payments unless otherwise expressly provided). The word “principal,” as used in the preceding sentence, means for all purposes of this paragraph, the principal which must be paid to security Owners, whether on stated maturity dates or on mandatory Redemption Dates, or otherwise. Any such computation shall be adjusted for all purposes in the same manner as is provided in Section 703E hereof. For the purposes of this computation, it shall be assumed that (a) Variable Rate Bonds Outstanding at the time of such determination will bear interest during any period (i) if the interest rate such Variable Rate Bonds bear or shall bear during such period has not been determined, at the fixed interest rate estimated by the remarketing agent for such Variable Rate Bonds and approved by the Finance Director or, if there is no such remarketing agent, by the Finance Director that, having due regard for prevailing financial market conditions, is necessary, but does not exceed the interest rate necessary, to sell such Variable Rate Bonds at 100% of the principal amount thereof in an open market transaction, assuming the Variable Rate Bonds had a term equal to the then remaining term of the Variable Rate Bonds (taking into account any mandatory redemption for such Variable Rate Bonds), or (ii) if the interest rate such Variable Rate Bonds bear or shall bear during such period has been determined and is not subject to fluctuation, at such interest rate thus determined, (b) any Tender Bonds Outstanding at the time of such determination shall mature on the stated maturity or mandatory Redemption Date or Dates thereof, and (c) any Balloon Bonds Outstanding at the time of such determination will mature over 30 years from the date of issuance of the Balloon Bonds, will bear interest on the unpaid principal amount thereof at the fixed rate of interest equal to the Bond Buyer 30 Year Revenue Index of 25 Revenue Bonds as published in the most recent issue of The Bond Buyer (or any successor thereto) preceding the date of such determination or if such Index is no longer published, of a comparable index selected

by the Finance Director and will be payable on a level annual debt service basis over a thirty year period.

For purposes of this calculation, if a Parity Financial Products Agreement has been entered into by the City with respect to the Bonds or any Parity Bonds, interest on the Bonds or such Parity Bonds shall be included in the calculation of such principal and interest by including for each Fiscal Year an amount equal to the amount of interest payable on the Bonds or such Parity Bonds in such Fiscal Year during such period determined as hereinabove provided plus any Financial Products Payments payable in any such Fiscal Year minus any Financial Products Receipts receivable in any such Fiscal Year; provided that in no event shall any calculation made pursuant to this sentence result in a number less than zero being included in the calculation of such interest.

In determining the amount of any Financial Products Payments or Financial Products Receipts on any interest rate swaps or other similar Financial Products Agreement which Payments or Receipts are based on interest rates which are not fixed in percentage for the entire term of the Financial Products Agreement, such amount shall be calculated by assuming such variable interest rate is a fixed interest rate equal to (a) if the Parity Financial Products Agreement relates to Variable Rate Bonds, the fixed rate of interest estimated for such Variable Rate Bonds as hereinabove provided, or (b) if the Parity Financial Products Agreement relates to the Bonds or Parity Bonds which bear interest at a fixed interest rate, the average daily interest rate for such Payments or Receipts under such Financial Products Agreement during the twelve months preceding the calculation or during the time the Financial Products Agreement has been in effect if less than twelve months and if such Financial Products Agreement is not then in effect, the variable interest rate for such Payments or Receipts shall be deemed to be a fixed interest rate equal to the average daily interest rate which would have been applicable if such Financial Products Agreement had been in effect for the preceding 12-month period, which average daily interest rate shall be set forth in a certificate of the Finance Director.

In determining the amount of any Financial Products Payments or Financial Products Receipts on any interest rate cap, floor, collar or other similar Financial Products Agreement with respect to Parity Bonds which are Variable Rate Bonds, such amount shall be calculated by assuming the interest rate on the related Parity Bonds will be a fixed interest rate equal to the average daily interest rate on such Variable Rate Bonds during the twelve months preceding the calculation or during the time the Variable Rate Bonds are Outstanding if less than twelve months and if such Variable Rate Bonds are not at the time of calculation Outstanding, the variable interest rate shall be deemed to be a fixed interest rate equal to the average daily interest rate which such Bonds would have borne if they had been Outstanding for the preceding 12-month period as estimated by the Finance Director, all as set forth in a certificate of the Finance Director. In determining the amount of any Financial Products Payments or Financial Products Receipts on any interest rate cap, floor, collar or other similar Financial Products Agreement with respect to Parity Bonds bearing interest at a fixed rate, such amount shall be the amount payable or receivable annually determined as of the date of issuance of the Parity Bonds, as set forth in a certificate of the Finance Director.

For the purposes of this calculation, if Commercial Paper Notes are then Outstanding or are the Parity Bonds proposed to be issued, it shall be assumed that (a) the principal amount of any Commercial Paper Notes Outstanding is that amount forecasted by the City as of the date of the calculation of Combined Maximum Annual Principal and Interest Requirements to have been issued and be Outstanding at the expiration date of the program established for the Commercial

Paper Notes, (b) only interest will be payable on the Commercial Paper Notes prior to the expiration date of the program established for the Commercial Paper Notes, and such amount shall be calculated by assuming such interest rate is a fixed interest rate equal to the average daily interest rate for all Commercial Paper Notes issued as part of such program during the twelve months preceding the calculation or during the time the Commercial Paper Notes have been Outstanding if less than twelve months and if such Commercial Paper Notes are not then Outstanding, the interest rate shall be deemed to be a fixed interest rate equal to the average daily interest rate which would have been applicable if such Commercial Paper Notes had been Outstanding for the preceding 12-month period as estimated by the Finance Director, and (c) the Commercial Paper Notes so forecasted to have been issued and Outstanding will mature over 25 years from the expiration date of the program established for the Commercial Paper Notes, will bear interest on the unpaid principal amount thereof at the fixed rate of interest equal to the Bond Buyer 30 Year Revenue Index of 25 Revenue Bonds as published in the most recent issue of The Bond Buyer (or any successor thereto) preceding the date of such determination or if such Index is no longer published, of a comparable index selected by the Finance Director and will be payable on a level annual debt service basis over such 25 year period, all as set forth in a certificate of the Finance Director. For the purposes of this paragraph, the term “expiration date of the program established for the Commercial Paper Notes” shall mean the earlier of (i) such expiration date as set forth in the ordinance of the City authorizing the issuance of the Commercial Paper Notes, or (ii) 5 years from the initial date of issuance of any Commercial Paper Note under such program.

Section 302. Bond Details.

A. Basic Provisions. The Bonds shall be issuable as fully registered Bonds and shall be in denominations of \$5,000 and any integral multiple thereof. Each series of the Bonds shall be lettered “R” and shall be numbered separately from 1 upward. The Bonds shall be dated as of the date of their delivery. The Bonds shall bear interest from the most recent interest payment date to which interest has been paid, or if no interest has been paid, from the date of the Bonds. Interest shall be payable on each May 15 and November 15, commencing November 15, 2025. The Bonds shall bear interest at the rates per annum and shall mature on November 15 in the years and in the principal amounts set forth in the Supplemental Public Securities Act Certificate.

The principal of each Bond shall be payable at the Principal Corporate Trust Office of the Paying Agent, upon presentation and surrender of the Bond. Payment of interest on any Bond shall be made to the Person who is the Owner thereof at the close of business on the Record Date for such interest payment date (or, if such interest payment date is not a Business Day, on the next succeeding Business Day) by check mailed by the Paying Agent on each payment date to such Owner at his or her address as it appears on the registration records kept by the Paying Agent, but any such interest not so timely paid shall cease to be payable to the Person who is the Owner thereof at the close of business on the Record Date and shall be payable to the Person who is the Owner thereof at the close of business on a Special Record Date for the payment of any such defaulted interest. Such Special Record Date shall be fixed whenever moneys become available for payment of the defaulted interest, and notice of the Special Record Date shall be given to the Owners of the Bonds not less than ten days prior thereto by first-class postage prepaid mail to each such Owner as shown on the registration records, stating the date of the Special Record Date and the date fixed for the payment of such defaulted interest. The Paying Agent may make payments of interest on any Bond by such alternative means as may be mutually agreed to in writing between the Owner of such Bond and the Paying Agent. If any Bond is not paid upon its presentation and surrender at or after its maturity or prior redemption, interest shall continue at its stated rate per annum until the principal thereof is paid in full. Interest on the Bonds shall be calculated based on a 360-day year, consisting of twelve 30-day months. All such payments shall be made in lawful money of the United States of America.

B. Mandatory Sinking Fund Redemption. The Bonds are subject to mandatory sinking fund redemption at a Redemption Price equal to 100% of the principal amount thereof plus accrued interest to the Redemption Date to the extent, if any, designated in the Supplemental Public Securities Act Certificate. The principal amount of the Bonds to be redeemed and the dates of such redemption shall be as set forth in the Supplemental Public Securities Act Certificate.

On or before the fortieth day prior to any sinking fund Redemption Date, the Paying Agent shall proceed to select for redemption (by lot within a Maturity-Rate in such manner as the Paying Agent shall deem equitable and fair) from all Series 2025A Bonds and Series 2025B Bonds of the Maturity-Rate then subject to mandatory sinking fund redemption, \$5,000 units of such Bonds equal in the aggregate to the total principal amount of Bonds redeemable with the required sinking fund payment, and shall call such Bonds, or portions thereof, for redemption from the sinking fund on the next November 15, and give notice of such call, as provided in Section 304 hereof. At the option of the City to be exercised by delivery of a written certificate to the Paying Agent on or before the forty-fifth day next preceding any sinking fund Redemption Date, it may (a) deliver to the Paying Agent for cancellation Bonds of the series and Maturity-Rate then subject to mandatory sinking fund redemption or portions thereof (\$5,000 or any integral multiple thereof) in an aggregate principal amount desired by the City, or (b) specify a principal amount of Bonds of the series and Maturity-Rate then subject to mandatory sinking fund redemption or portions thereof (\$5,000 or any integral multiple thereof) which prior to said date have been redeemed (otherwise than through the operation of the respective sinking fund) and canceled by the Paying Agent and not theretofore applied as a credit against any sinking fund redemption obligation for Series 2025A Bonds and Series 2025B Bonds of the series and Maturity-Rate then subject to mandatory sinking fund redemption. Each Series 2025A Bond and Series 2025B Bond, or portion thereof so delivered or previously redeemed shall be credited by the Paying Agent at 100% of the principal amount thereof against the obligation of the City on such sinking fund Redemption Date and any excess over such amount shall be credited against future sinking fund redemption obligations for the Bonds of the series and Maturity-Rate then subject to mandatory sinking fund redemption, in chronological order or any other order specified by the City. In the event the City shall avail itself of the provisions of clause (a) of the second sentence of this paragraph, the certificate required by the second sentence of this paragraph shall be accompanied by the Series 2025A Bonds and Series 2025B Bonds, or portions thereof to be canceled.

Section 303. Optional Prior Redemption. Bonds maturing on and after November 15 of the year designated in the Supplemental Public Securities Act Certificate shall be subject to redemption prior to maturity, at the option of the City, on November 15 of the year designated in the Supplemental Public Securities Act Certificate, or any date thereafter, in whole or in part at a Redemption Price equal to 100% of the principal amount thereof plus accrued interest thereon to the Redemption Date.

In the event that less than all of the Outstanding Bonds of a series shall be redeemed as provided in this Section, the Bonds of such series redeemed shall be redeemed from any Maturity-Rate specified by the City. If less than all of a series of the Bonds of a single Maturity-Rate are to be redeemed, they shall be selected by lot within a Maturity-Rate in such manner as the Paying Agent may determine. The Paying Agent shall not be required to give notice of any such optional prior redemption unless it has received written instructions from the City in regard thereto at least 30 days prior to such Redemption Date.

Section 304. Notice of Prior Redemption. Notice of any prior redemption (mandatory or optional) shall be given by the Paying Agent on behalf of the City by mailing a copy of the redemption notice by first-class postage prepaid mail, not less than 20 nor more than 30 days prior to the Redemption Date to the Owners of the Bonds to be redeemed at their addresses as shown on the registration records kept by the Paying Agent.

With respect to any redemption of the Bonds in accordance with Section 303 hereof, unless, upon the giving of the notice of such redemption, such Bonds shall be deemed to have been paid within the meaning of Section 1101 hereof, such notice shall state that such redemption shall be conditional upon the receipt by the Paying Agent on or prior to the date fixed for such redemption of moneys sufficient to pay the principal of and interest on such Bonds to be redeemed, and that if such moneys shall not have been so received said notice shall be of no force and effect and the City shall not be required to redeem such Bonds. In the event that such notice of redemption contains such a condition and such moneys are not so received, the redemption shall not be made and the Paying Agent shall within a reasonable time thereafter give notice, in the manner in which the notice of redemption was given, that such moneys were not so received.

Such notice shall specify the series and number or numbers of the Bonds to be so redeemed (if less than all Bonds of a series are to be redeemed), the Redemption Price to be paid and the date fixed for redemption; and such notice shall further state that, upon satisfaction of any condition to such redemption, on the Redemption Date there will become and will be due and payable upon each Bond or portion thereof (\$5,000 or any integral multiple thereof) so to be redeemed at the Paying Agent (designated by name) the Redemption Price, and that from and after such date interest on the Bonds (or portions thereof) called for redemption will cease to accrue. If a notice of redemption shall be unconditional, or if the conditions of a conditional notice of redemption shall have been satisfied, then, upon notice having been given in the manner hereinabove provided, the Bond or Bonds so called for redemption shall become due and payable on the Redemption Date so designated and upon presentation thereof at the Paying Agent, the City will pay the Bond or Bonds so called for redemption. No further interest shall accrue on the principal of any such Bond (or portion thereof) called for redemption from and after the Redemption Date, provided sufficient funds are on deposit with the Paying Agent on the Redemption Date. Except as provided in Section 310 hereof, upon surrender of any Bond redeemed in part only, the Paying Agent shall execute and deliver to the Owner thereof, at no expense to such Owner, a new Bond or Bonds of authorized denominations and of the same series and Maturity-Rate equal in aggregate principal amount to the unredeemed portion of the Bond surrendered.

Section 305. Execution of Bonds. The Bonds shall be executed in the name of the City by the manual or facsimile signature of the Director and the Finance Director. Any Bond may be signed (manually or by facsimile), sealed or attested on behalf of the City by any person who, at the date of such act, shall hold the proper office, notwithstanding that at the date of authentication, issuance or delivery, such person may have ceased to hold such office. The Director and the Finance Director may adopt as and for his or her own facsimile signature the facsimile signature of his or her predecessor in office in the event that such facsimile signature appears on any of the Bonds. Before the execution of any Bond, the Director and the Finance Director shall each file with the Secretary of State of the State his or her manual signature certified by him or her under oath.

Section 306. Paying Agent's Authentication Certificate. The authentication certificate upon the Bonds shall be substantially in the form and tenor provided in the forms of the Bonds attached to this ordinance as Exhibit A. No Bond shall be secured hereby or entitled to the benefit

hereof, nor shall any Bond be valid or obligatory for any purpose, unless the certificate of authentication, substantially in such form, has been duly executed by the Paying Agent; and such certificate of the Paying Agent upon any Bond shall be conclusive evidence that such Bond has been authenticated and delivered hereunder. The Paying Agent's certificate of authentication shall be deemed to have been duly executed by it if manually signed by an authorized officer or employee of the Paying Agent, but it shall not be necessary that the same officer or employee sign the certificate of authentication on all of the Bonds.

Section 307. Registration and Payment. The Paying Agent shall keep or cause to be kept sufficient records for the registration and transfer of the Bonds, which shall at all times be open to inspection by the City. Upon presentation for such purpose, the Paying Agent shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred, on said records, Bonds as herein provided. The Person in whose name any Bond shall be registered on the registration records kept by the Paying Agent shall be deemed and regarded as the absolute owner thereof for the purpose of making payment of the Bond Requirements thereof and for all other purposes; neither the City nor the Paying Agent shall be affected by any notice to the contrary; and payment of or on account of the Bond Requirements of any Bond shall be made only to the Owner thereof or his or her legal representative, but such registration may be changed upon transfer of such Bond in the manner and subject to the conditions and limitations provided herein. All such payments shall be valid and effectual to discharge the liability upon such Bond to the extent of the sum or sums so paid. The foregoing provisions of this Section are subject to the provisions of Section 310 hereof.

Section 308. Transfer and Exchange. Any Bond may be transferred upon the records required to be kept pursuant to the provisions of Section 307 hereof by the Person in whose name it is registered, in person or by his or her duly authorized attorney, upon surrender of such Bond for cancellation, accompanied by delivery of a written instrument of transfer in a form approved by the Paying Agent, duly executed. Whenever any Bond or Bonds shall be surrendered for transfer, the Paying Agent shall authenticate and deliver a new Bond or Bonds for a like aggregate principal amount of Bonds of the same series and Maturity-Rate and of any authorized denominations. The Bonds may be exchanged by the Paying Agent for a like aggregate principal amount of Bonds of the same series and Maturity-Rate and of other authorized denominations. The execution by the City of any Bond of any denomination shall constitute full and due authorization of such denomination and the Paying Agent shall thereby be authorized to authenticate and deliver such Bond.

The Paying Agent shall not be required to transfer or exchange (a) any Bond subject to redemption during a period beginning at the opening of business 15 days before the day of the mailing of a notice of redemption of Bonds and ending at the close of business on the day such notice is mailed, or (b) any Bond so selected for redemption in whole or in part after the mailing of notice calling such Bond or any portion thereof for prior redemption except the unredeemed portion of Bonds being redeemed in part.

The Paying Agent shall require the payment by any Owner requesting exchange or transfer of any tax or other governmental charge required to be paid with respect to such exchange or transfer, and may charge a sum sufficient to pay the cost of preparing each new Bond upon each exchange or transfer and any other expenses of the City or the Paying Agent incurred in connection therewith.

The foregoing provisions of this Section are subject to the provisions of Section 310 hereof.

Section 309. Bond Replacement. Upon receipt by the City and the Paying Agent of evidence satisfactory to them of the ownership of and the loss, theft, destruction or mutilation of any Bond and, in the case of a lost, stolen or destroyed Bond, of indemnity satisfactory to them, and in the case of a mutilated Bond upon surrender and cancellation of the Bond, (a) the City shall execute and the Paying Agent shall authenticate and deliver a new Bond of the same series, date, Maturity-Rate and denomination in lieu of such lost, stolen, destroyed or mutilated Bond, or (b) if such lost, stolen, destroyed or mutilated Bond shall have matured or have been called for redemption, in lieu of executing and delivering a new Bond as aforesaid, the City may pay such Bond. Any such new Bond shall bear a number not previously assigned. The applicant for any such new Bond shall be required to pay all expenses and charges of the City and of the Paying Agent in connection with the issuance of such Bond. All Bonds shall be held and owned upon the express condition that, to the extent permitted by law, the foregoing conditions are exclusive with respect to the replacement and payment of mutilated, destroyed, lost or stolen Bonds, negotiable instruments or other securities.

Section 310. Custodial Deposit. Notwithstanding the provisions of Sections 307 and 308 hereof, the Bonds of each series shall initially be evidenced by one Bond for each Maturity-Rate and in denominations equal to the aggregate principal amount of the Bonds of such Maturity-Rate and such series. Such initially delivered Bonds shall be registered in the name of “Cede & Co.,” as nominee for The Depository Trust Company (“DTC”), the securities depository for the Bonds. So long as the Bonds are held by DTC, the Paying Agent and the City may treat DTC (or its nominee) as the sole and exclusive owner of the Bonds registered in its name for the purposes of payment of the Bond Requirements of the Bonds, selecting the Bonds or portions thereof to be redeemed, giving any notice permitted or required to be given to the Owners under this ordinance, registering the transfer of such Bonds, obtaining any consent or other action to be taken by the Owners and for all other purposes whatsoever, and neither the Paying Agent nor the City shall be affected by any notice to the contrary. Neither the Paying Agent nor the City shall have any responsibility or obligation to any DTC participant or indirect participant, any Beneficial Owner of the Bonds, or any other Person which is not shown on the registration records of the Paying Agent as being an Owner, with respect to the accuracy of any records maintained by DTC or any DTC participant or indirect participant; the payment by DTC or any DTC participant or indirect participant of any amount in respect of the Bond Requirements of the Bonds; any notice which is permitted or required to be given to the Owners under this ordinance; the selection by DTC or any DTC participant or indirect participant of any Person to receive payment in the event of a partial redemption of the Bonds or any consent given or other action taken by DTC as Owner. After such initial issuance of the Bonds, the Bonds may not thereafter be transferred or exchanged except:

A. to any successor of DTC or its nominee, which successor must be both a “clearing corporation” as defined in Section 4-8-102(a)(5), Colorado Revised Statutes, as amended, and a qualified and registered “clearing agency” under Section 17A of the Securities Exchange Act of 1934, as amended; or

B. upon the resignation of DTC or a successor or new Depository under paragraph A or this paragraph B, or a determination by the City that DTC or such successor or new Depository is no longer able to carry out its functions, and the designation by the City of another Depository acceptable to the Depository then holding the Bonds, which new Depository must be both a “clearing corporation” as defined in Section 4-8-102(a)(5), Colorado Revised Statutes, as amended, and a qualified and registered “clearing agency” under Section 17A of the Securities Exchange Act of 1934, as amended, to carry out the functions of DTC or such successor or new Depository; or

C. upon the resignation of DTC or a successor or new Depository under paragraph A or paragraph B, or a determination by the City that DTC or such successor or new Depository is no longer able to carry out its functions, and the failure by the City, after reasonable investigation, within 90 days thereafter to locate another qualified Depository under paragraph B to carry out such depository functions or upon a determination by the City that it is in the best interest of the Beneficial Owners of the Bonds that they be able to obtain Bond certificates and the delivery by the City of written notice thereof to the Paying Agent.

In the case of a transfer to a successor of DTC or its nominee as referred to in paragraph A above or designation of a new Depository pursuant to paragraph B above, upon receipt of the Bonds by the Paying Agent, together with written instructions for transfer satisfactory to the Paying Agent, a new Bond for each Maturity-Rate of Bonds of each series shall be issued to such successor or new Depository, as the case may be, or its nominee, as is specified in such written transfer instructions. In the case of a resignation or determination under paragraph C above and, if applicable, the failure after reasonable investigation within 90 days thereafter to locate another qualified Depository for the Bonds as provided in paragraph C above, and upon receipt of the Bonds by the Paying Agent, together with written instructions for transfer satisfactory to the Paying Agent, new Bonds shall be issued in the denominations of \$5,000 or any integral multiple thereof, as provided in Section 302 hereof, registered in the names of such Persons, and in such denominations as are requested in such written transfer instructions; provided, however, the Paying Agent shall not be required to deliver such new Bonds within a period of less than 60 days from the date of receipt of such written transfer instructions.

The City and the Paying Agent shall endeavor to cooperate with DTC or any successor or new Depository named pursuant to paragraph A or B above in effectuating payment of the Bond Requirements of the Bonds by arranging for payment in such a manner that funds representing such payments are available to the Depository on the date they are due.

Upon any partial redemption of any Maturity-Rate of any of the Bonds, Cede & Co. (or its successor) in its discretion may request the City to issue and authenticate a new Bond or shall make an appropriate notation on the Bond indicating the date and amount of prepayment, except in the case of final maturity, in which case the Bond must be presented to the Paying Agent prior to payment.

Section 311. Bond Cancellation. Whenever any Bond shall be surrendered to the Paying Agent upon payment thereof, or to the Paying Agent for transfer, exchange or replacement as provided herein, such Bond shall be promptly canceled and destroyed by the Paying Agent, and a certificate of such cancellation and destruction shall be furnished by the Paying Agent to the City.

Section 312. Incontestable Recital in Bonds. Pursuant to Article XX of the State Constitution, the Supplemental Public Securities Act and this ordinance, each Bond shall recite that it is issued under the authority of this ordinance and the Supplemental Public Securities Act and that it is the intention of the City that such recital shall conclusively impart full compliance with all the provisions of this ordinance and shall be conclusive evidence of the validity and the regularity of the issuance of the Bonds after their delivery for value and that all the Bonds issued containing such recital shall be incontestable for any cause whatsoever after their delivery for value.

Section 313. Bond Form. Subject to the provisions of this ordinance, each Bond shall be in substantially the form attached hereto as Exhibit A, with such omissions, insertions, endorsements and variations as to any recitals of fact or other provisions as may be required by the circumstances,

be required or permitted by this ordinance, be consistent with this ordinance or be necessary or appropriate to conform to the rules and requirements of any governmental authority or any usage or requirement of law with respect thereto.

ARTICLE IV

USE OF BOND PROCEEDS AND OTHER MONEYS

Section 401. Disposition of Bond Proceeds and Other Moneys.

A. Series 2025A Bonds. The proceeds of the Series 2025A Bonds (including any original issue premium but net of underwriting and any original issue discount and the allocable premium payable to Surety Provider for the Surety Bond), upon the receipt thereof, shall be credited to the special and separate account hereby created and to be known as the “City of Colorado Springs, Colorado, Utilities System Improvement Revenue Bonds, Series 2025A Acquisition Fund.” Except as otherwise provided herein, the moneys in the Series 2025A Acquisition Fund shall be used solely for the purpose of paying the Cost of the Series 2025A Project and for the purposes set forth in Section 404 hereof.

B. Series 2025B Bonds. The proceeds of the Series 2025B Bonds (including any original issue premium but net of underwriting and any original issue discount and the allocable premium payable to Surety Provider for the Surety Bond), upon the receipt thereof, shall be accounted for in the following manner and priority:

(1) Series 2025B Escrow Fund. An amount of the net proceeds derived from the sale of the Series 2025B Bonds which, together with amounts, if any, available therefor from the bond fund or funds and the reserve fund or funds for the Refunded Bonds, is sufficient to provide for the refunding of the Refunded Bonds shall be credited to the special and separate account hereby created and to be known as the “City of Colorado Springs, Colorado, Utilities System Refunding Revenue Bonds, Series 2025B Escrow Fund” to be held by the Escrow Bank under the Series 2025B Escrow Agreement.

(2) Income Fund. The remaining proceeds derived from the sale of the Series 2025B Bonds shall be credited to the Income Fund. Except as otherwise provided herein, the proceeds of the Bonds deposited in the Income Fund shall be used solely for the purposes set forth in Section 404 hereof.

Section 402. Use of Series 2025B Escrow Fund. Moneys shall be applied by the Escrow Bank from the Series 2025B Escrow Fund in the manner provided in the Series 2025B Escrow Agreement. Any moneys remaining in the Series 2025B Escrow Fund after the payment in full of the Refunded Bonds shall be applied as provided in the Series 2025B Escrow Agreement. Amounts in the Series 2025B Escrow Fund are not subject to a lien thereon or pledge thereof for the benefit of the Owners of the Outstanding Bonds.

Section 403. Insufficiency of Series 2025B Escrow Fund. If for any reason the amount in the Series 2025B Escrow Fund shall at any time be insufficient for the purposes of Section 402 hereof and of the Series 2025B Escrow Agreement, the City shall forthwith from moneys available therefor in the Income Fund under Section 512 hereof deposit in the Series 2025B Escrow Fund such additional moneys as shall be necessary to permit the payment of the Bond Requirements of the related Refunded Bonds as provided in the Series 2025B Escrow Agreement.

Section 404. Payment of Expenses. Moneys deposited in the Income Fund pursuant to Section 401B(2) hereof shall be used and paid out by the City to defray the administrative costs of

the Refunding Project and the Series 2025A Project, including, without limitation, fees and expenses of the Paying Agent, for custodial fees, legal fees, accounting fees, financial advisory fees, printing costs and rating fees and all other fees and expenses in connection with the Refunding Project and for reimbursing the City for any such administrative costs of the Refunding Project which the City has paid prior to the delivery of the Bonds. The City may defray any such costs from time to time as Operation and Maintenance Expenses to the extent the moneys deposited in the Income Fund pursuant to Section 401A(2) and Section 401B(2), hereof are insufficient therefor.

Section 405. Purchasers Not Responsible. The validity of the Bonds is not dependent upon nor affected by the validity or regularity of any proceedings relating to the application of the Bond proceeds. The Purchasers and any subsequent Owners of any of the Bonds are not responsible for the application or disposal by the City or by any of its officers, agents and employees of the moneys derived from the sale of the Bonds or of any other moneys herein designated.

Section 406. Prior Redemption and Defeasance of Refunded Bonds. If any Refunded Bonds are to be refunded, as set forth in the Supplemental Public Securities Act Certificate, the Council elects and declares its intent to exercise on the behalf and in the name of the City its option to redeem on the date provided in the Supplemental Public Securities Act Certificate such portion of the Outstanding Refunded Bonds as are designated in the Supplemental Public Securities Act Certificate to be redeemed at the redemption price equal to 100% of the principal amount of such Refunded Bonds and accrued interest thereon to the redemption date.

Section 407. Notice of Redemption. If any series of the Refunded Bonds are to be refunded, the notice of prior redemption of the such series of the Refunded Bonds shall be given by the paying agent for the Refunded Bonds, in accordance with the Series 2014A Bond Ordinance.

ARTICLE V

ADMINISTRATION OF AND ACCOUNTING FOR PLEDGED REVENUES

Section 501. Pledge Securing Bonds. Subject only to the right of the City to cause amounts to be withdrawn and paid on account of Operation and Maintenance Expenses, the Gross Pledged Revenues and all moneys and securities paid or to be paid to or held or to be held in any account under this Article or under Section 401 hereof, other than moneys and securities held in the Rebate Fund to the extent such amounts held in the Rebate Fund are required to be paid to the United States, are hereby pledged to secure the payment of the Bond Requirements of the Outstanding Bonds and to secure the obligations of the City to the Surety Provider under the Surety Bond and hereunder. The pledge of the Net Pledged Revenues is on a parity with the pledge of the Net Pledged Revenues for, and lien thereon of, any Outstanding Parity Bonds heretofore or hereafter authorized, any Parity Credit Facility Obligations and Reserve Fund Insurance Policy repayment obligations relating thereto and any Parity Financial Products Agreements heretofore or hereafter entered into, the liens of which on the Gross Pledged Revenues shall be on a parity with the lien thereon of the Outstanding Bonds. This pledge shall be valid and binding from and after the date of the delivery of the Bonds, and the moneys as received by the City and hereby pledged shall immediately be subject to the lien of this pledge without any physical delivery thereof, any filing, or further act.

Section 502. Income Fund Deposits. So long as any of the Bonds shall be Outstanding, as to any Bond Requirements, the entire Gross Pledged Revenues, upon their receipt from time to time by the City, shall be set aside and credited immediately to the Income Fund, which is hereby continued.

Section 503. Administration of Income Fund. So long as any of the Bonds shall be Outstanding, as to any Bond Requirements, the following payments shall be made from the Income Fund, as provided in Sections 504 through 512 hereof.

Section 504. Operation and Maintenance Expenses. Firstly, as a first charge on the Income Fund, from time to time there shall continue to be held therein moneys sufficient to pay Operation and Maintenance Expenses, as they become due and payable, and thereupon they shall be promptly paid.

Section 505. Bond Fund Payments. Secondly, from any remaining Net Pledged Revenues, there shall be credited to the special and separate account hereby created and to be known as the "City of Colorado Springs, Colorado, Utilities System Improvement Revenue Bonds, Series 2025A and City of Colorado Springs, Colorado, Utilities System Refunding Revenue Bonds, Series 2025B Bond Fund," concurrently with any payments required to be made pursuant to any Parity Bond Ordinances with respect to the principal of or interest on any other Parity Bonds then Outstanding, any parity Credit Facility Obligations with respect thereto or any Parity Financial Products Agreements heretofore or hereafter entered into, the following amounts:

A. Interest Payments. Monthly, commencing with the month immediately succeeding the delivery of the Bonds, at least three days prior to the first Business Day of each month an amount in equal monthly installments necessary, together with any other moneys from time to time available therefor from whatever source, to pay the next maturing installment of interest on the Bonds then Outstanding.

B. Principal Payments. Monthly, commencing on the first day of the month immediately succeeding the delivery of the Bonds, or commencing one year next prior to the first principal payment date of the Bonds, whichever commencement date is later, an amount in equal monthly installments necessary, together with any other moneys from time to time available therefor from whatever source, to pay the next due installment of principal (whether at maturity or on a mandatory Redemption Date) of the Bonds then Outstanding. In addition, any moneys paid by the City with respect to the Redemption Price of Bonds scheduled to be redeemed pursuant to Section 303 hereof shall be credited to the Bond Fund or to a fund or account established pursuant to Section 1101 hereof.

The moneys credited to the Bond Fund shall be used to pay the Bond Requirements of the Bonds then Outstanding, as such Bond Requirements become due, except as provided in Sections 507 and 1101 hereof.

Section 506. Reserve Fund Payments.

A. Thirdly, except as provided in Section 507 hereof, and concurrently with the monthly payments into the Bond Fund required by Section 505A hereof, and concurrently with any payments required to be made pursuant to any Parity Bond Ordinances with respect to any reserve funds established thereby and concurrently with any repayment or similar obligations payable to any surety provider issuing any Reserve Fund Insurance Policy with respect to any Parity Bonds, from any moneys remaining in the Income Fund there shall be credited to the special and separate account hereby created and to be known as the “City of Colorado Springs, Colorado, Utilities System Improvement Revenue Bonds, Series 2025A and City of Colorado Springs, Colorado, Utilities System Refunding Revenue Bonds, Series 2025B Reserve Fund” monthly, commencing on the first day of the month next succeeding each date on which the moneys accounted for in the Reserve Fund for any reason are less than the Reserve Fund Requirement, such amounts in substantially equal monthly payments on the first day of each month to reaccumulate the Reserve Fund Requirement by not more than 12 such monthly payments. If a Reserve Fund Insurance Policy is on deposit in the Reserve Fund to fund all or a part of the Reserve Fund Requirement, the amounts payable into the Reserve Fund pursuant to the immediately preceding sentence shall be paid by the City first to any Surety Provider to reimburse it (in accordance with the provisions hereof, and of a Surety Agreement, to the extent applicable) for amounts disbursed by it until the Reserve Fund Insurance Policy is reinstated in full, and second to replenish cash in the Reserve Fund. If there are insufficient Net Pledged Revenues to comply with the requirements of the first sentence of this paragraph, available Net Pledged Revenues shall be credited or paid to the Reserve Fund and to reserve funds established by any Parity Bond Ordinances (or to any Surety Provider or any other surety provider issuing any Reserve Fund Insurance Policy with respect to any Parity Bonds) pro rata, based upon the aggregate principal amount of the Bonds and any such Parity Bonds then Outstanding; provided, however, that compliance with the provisions of this sentence shall not cure any Event of Default caused by non-compliance with the first sentence of this paragraph. If there are insufficient Net Pledged Revenues to comply with the requirements of the first sentence of this paragraph and more than one Reserve Fund Insurance Policy is on deposit in the Reserve Fund, available Net Pledged Revenues credited to or paid to the Reserve Fund shall be applied to reimburse each Surety Provider providing a Reserve Fund Insurance Policy pro rata, based upon the original amount available to be drawn on each. The Reserve Fund Requirement shall be accumulated and, if necessary, reaccumulated from time to time, in the Reserve Fund from Net Pledged Revenues, except to the extent other moneys are credited to the Reserve Fund, and maintained as a continuing reserve to be used, except as hereinafter provided in Sections 507, 508, 604 and 1101 hereof, only to prevent

deficiencies in the payment of the Bond Requirements of the Bonds Outstanding from time to time from the failure to deposit into the Bond Fund sufficient moneys to pay such Bond Requirements as the same accrue and become due. No payment need be made into the Reserve Fund at any time so long as the moneys and/or the Reserve Fund Insurance Policy therein equal not less than the Reserve Fund Requirement. Any Reserve Fund Insurance Policy deposited to the credit of the Reserve Fund shall be valued at the amount available to be drawn or otherwise paid pursuant to such policy at the time of calculation.

B. Upon delivery of the Bonds, the Surety Bond being provided by Build America Mutual in the amount of the Reserve Fund Requirement shall be deposited in the Reserve Fund in satisfaction of the Reserve Fund Requirement. Such Reserve Fund Insurance Policy shall be held by the Paying Agent and amounts drawn thereunder shall be available only for the payments of scheduled principal and interest on the Bonds when due as provided herein. Any Reserve Fund Insurance Policy deposited to the credit of the Reserve Fund shall be valued at the amount available to be drawn or otherwise paid pursuant to such Policy at the time of calculation. As and to the extent that payments are made to Build America Mutual on account of amounts drawn under such Surety Bond for the payment of principal on the Bonds, the coverage under the Reserve Fund Insurance Policy will be increased by a like amount, subject to the terms of the Surety Bond. The Paying Agent shall maintain adequate records as to the amount available to be drawn at any time under the Reserve Fund Insurance Policy and as to the amounts paid and owing to the Surety Provider under the Surety Bond. Such records shall be open to inspection and verification by the Surety Provider during business hours of the Paying Agent.

C. The City shall repay any draws under the Surety Bond and pay all related reasonable expenses incurred by Build America Mutual and shall pay interest thereon from the date of payment by Build America Mutual at the Late Payment Rate. If the interest provisions of this subparagraph (C) shall result in an effective rate of interest which, for any period, exceeds the limit of the usury or any other laws applicable to the obligations created herein, then all sums in excess of those lawfully collectible as interest for the period in question shall, without further agreement or notice by or to Build America Mutual, be applied as additional interest for any later periods of time when amounts are outstanding hereunder to the extent that interest otherwise due hereunder for such periods plus such additional interest would not exceed the limit of the usury or such other laws, and any excess shall be applied upon principal immediately upon receipt of such moneys by Build America Mutual, with the same force and effect as if the City had specifically designated such extra sums to be so applied and Build America Mutual had agreed to accept such extra payment(s) as additional interest for such later periods. In no event shall any agreed-to or actual exaction as consideration for the obligations created herein exceed the limits imposed or provided by the applicable law for the use or detention of money or for forbearance in seeking its collection.

D. The City may at any time substitute (i) cash or Investment Securities for a Reserve Fund Insurance Policy, or (ii) a Reserve Fund Insurance Policy for cash or Investment Securities, so long as the amount on deposit in the Reserve Fund after such substitution is at least equal to the Reserve Fund Requirement. So long as the Surety Bond is on deposit in the Reserve Fund, no other Reserve Fund Insurance Policy shall be deposited in the Reserve Fund without the prior written consent of Build America Mutual.

Section 507. Termination of Deposits. No payment need be made into the Bond Fund or the Reserve Fund if the amount in the Bond Fund and the amount in the Reserve Fund (exclusive of the amount available under a Reserve Fund Insurance Policy) total a sum at least sufficient so that all

Bonds Outstanding are deemed to have been paid pursuant to Section 1101 hereof, in which case moneys therein (taking into account the known minimum gain from any investment of such moneys in Investment Securities from the time of any such investment or deposit shall be needed for such payment which will not be designated for transfer to the Rebate Fund) shall be used (together with any such gain from such investments) solely to pay the Bond Requirements of the Outstanding Bonds as the same become due; and any moneys in excess thereof in those two accounts and any other moneys derived from the Net Pledged Revenues or otherwise pertaining to the System may be used to make required payments into the Rebate Fund or in any other lawful manner determined by the Council.

Section 508. Defraying Delinquencies. If at any time the City shall for any reason fail to pay into the Bond Fund the full amount above stipulated from the Net Pledged Revenues, then an amount shall be paid into the Bond Fund at such time from the Reserve Fund equal to the difference between that paid from the Net Pledged Revenues and the full amount so stipulated. The City shall use all cash in the Reserve Fund before drawing on a Reserve Fund Insurance Policy. The Paying Agent shall ascertain the necessity for a claim upon the Surety Bond in accordance with the provisions hereof and shall provide notice to Build America Mutual in accordance with the terms of the Surety Bond at least five business days prior to each date upon which interest or principal is due on the Bonds. If the City has failed to make a deposit in the Bond Fund when required by Section 505 hereof, the City shall give notice thereof to Build America Mutual within two business days of the date due. If there is more than one Reserve Fund Insurance Policy on deposit in the Reserve Fund, the Paying Agent shall draw on them on a pro rata basis (calculated by reference to the coverage then available thereunder), based upon the amount available to be drawn on each. For the avoidance of doubt, “coverage then available thereunder” means the coverage then available for disbursement pursuant to the terms of the applicable Reserve Fund Insurance Policy without regard to the legal or financial ability or willingness of the Surety Provider to honor a claim or draw thereon or the failure of such Surety Provider to honor any such claim or draw.

Any money so used or drawn shall be replaced as provided in Section 506 hereof from the first Net Pledged Revenues thereafter received and not required to be otherwise applied by this Article. Except as provided in Section 507 hereof, the moneys in the Bond Fund and in the Reserve Fund (including any Reserve Fund Insurance Policy) shall be used solely and only for the purpose of paying the Bond Requirements of the Bonds from time to time. If moneys in the Reserve Fund are in excess of the Reserve Fund Requirement at any time, such excess (not held in the form of a Reserve Fund Insurance Policy) may be transferred by the City to the Rebate Fund or the Bond Fund as directed by the City.

Section 509. Rebate Fund. Fourthly, there shall be deposited into the special and separate accounts hereby created and to be known as the “City of Colorado Springs, Colorado, Utilities System Improvement Revenue Bonds, Series 2025A and City of Colorado Springs, Colorado, Utilities System Refunding Revenue Bonds, Series 2025B Rebate Fund” moneys in the amounts and at the times specified in the Tax Compliance Certificate so as to enable the City to comply with Section 830 hereof. Amounts on deposit in the Rebate Fund shall not be subject to the lien and pledge of this ordinance to the extent that such amounts are required to be paid to the United States Treasury. The City shall cause amounts on deposit in the Rebate Fund to be forwarded to the United States Treasury (at the address provided in the Tax Compliance Certificate) at the times and in the amounts set forth in the Tax Compliance Certificate.

If the moneys on deposit in the Rebate Fund are insufficient for the purposes thereof, the City shall transfer moneys in the amount of the insufficiency to the Rebate Fund to the extent permitted by Section 508 hereof, from the Reserve Funds and the Bond Fund. Upon receipt by the City of an opinion of nationally recognized bond counsel acceptable to the City to the effect that the amount in the Rebate Fund are in excess of the amount required to be contained therein, such excess shall be transferred to the Income Fund.

Section 510. Interest on Reserve Fund Insurance Policy Draws. Fifthly, there shall be paid to any Surety Provider interest on amounts advanced under a Reserve Fund Insurance Policy pursuant to such Surety Agreement.

Section 511. Payment of Additional Securities. Sixthly, and subject to the provisions hereinabove in this Article, but subsequent to the payments required by Sections 504, 505, 506, 509 and 510 hereof, any moneys remaining in the Income Fund may be used by the City for the payment of Bond Requirements of Subordinate Securities, including reasonable reserves for such Subordinate Securities and for rebate of amounts to the United States Treasury with respect to such Subordinate Securities, and any Subordinate Credit Facility Obligations and any payments on Financial Products Agreements which have a lien on Net Pledged Revenues subordinate and junior to the lien thereon of the Bonds.

Section 512. Use of Remaining Revenues. After the payments hereinabove required to be made by Sections 504 through 511 hereof are made, any remaining Net Pledged Revenues in the Income Fund shall be used, firstly, for any one or any combination of necessary purposes relating to the operation, improvement or debt management of the System and, secondly, to the extent of any remaining surplus, for any one or any combination of lawful purposes as the Council may from time to time conclusively determine.

ARTICLE VI

GENERAL ADMINISTRATION

Section 601. Administration of Accounts. The special accounts designated in Articles IV and V hereof shall be administered as provided in this Article (but not any account under Section 1101 hereof).

Section 602. Places and Times of Deposits. Except as hereinafter provided, each of such special accounts shall be maintained as a book account and kept separate from all other accounts as a trust account solely for the purposes herein designated therefor. The moneys accounted for in such special book accounts shall be in one bank account or more in one or more Commercial Banks. Each such bank account shall be continuously secured to the fullest extent required or permitted by the laws of the State for the securing of public funds and shall be irrevocable and not withdrawable by anyone for any purpose other than the respective designated purposes. Each periodic payment shall be credited to the proper book account not later than the date therefor herein designated, except that when any such date shall not be a Business Day, then such payment shall be made on or before the next preceding Business Day. Moneys shall be deposited with the Paying Agent for the Bonds at least three days prior to each interest payment date herein designated in amounts sufficient to pay the Bond Requirements then becoming due on the Outstanding Bonds.

Section 603. Investment of Moneys. Any moneys in the Income Fund, Bond Fund, Reserve Fund and Rebate Fund and not needed for immediate use shall be invested or reinvested by the Finance Director in Investment Securities. All such investments shall (a) either be subject to redemption at any time at a fixed value by the holder thereof at the option of such holder, or (b) mature not later than the estimated date or respective dates on which the proceeds are to be expended as estimated by the Finance Director at the time of such investment or reinvestment; provided that Investment Securities credited to the Reserve Fund shall not mature later than the last maturity date of the Bonds. For the purpose of any such investment or reinvestment, Investment Securities shall be deemed to mature at the earliest date on which the obligor is, on demand, obligated to pay a fixed sum in discharge of the whole of such obligations.

Section 604. Accounting for Investments. The Investment Securities so purchased as an investment or reinvestment of moneys in any such account hereunder shall be deemed at all times to be a part of the account. Any interest or other gain from any investments and reinvestments of moneys accounted for in the Income Fund, Bond Fund and Rebate Fund shall be credited to such Fund, and any loss resulting from any such investments or reinvestments of moneys accounted for in the Income Fund, Bond Fund, Reserve Fund and Rebate Fund shall be charged or debited to such Fund. Any interest or other gain from any investment or reinvestment of moneys accounted for in the Reserve Fund (a) shall be credited to the Bond Fund or the Rebate Fund, at the discretion of the Finance Director, if the amount credited to the Reserve Fund immediately after such credit to the Bond Fund or Rebate Fund is not less than the Reserve Fund Requirement, and (b) if the amount credited to the Reserve Fund is less than the Reserve Fund Requirement, shall be credited to the Reserve Fund (up to the amount of the deficiency). No loss or profit in any account on any investments or reinvestments in Investment Securities shall be deemed to take place as a result of market fluctuations of the Investment Securities prior to the sale or maturity thereof. In the computation of the amount in any account for any purpose hereunder, except as herein otherwise expressly provided or for rebate purposes, as described in the Tax Compliance Certificate, Investment Securities shall be valued at the cost thereof (including any amount paid as accrued

interest at the time of purchase of the obligation); provided that any time or demand deposits shall be valued at the amounts deposited, in each case exclusive of any accrued interest or any other gain to the City until such gain is realized by the presentation of matured coupons for payment or otherwise.

Section 605. Redemption or Sale of Investment Securities. The Finance Director shall present for redemption or sale on the prevailing market at the best price obtainable any Investment Securities so purchased as an investment or reinvestment of moneys in the account whenever it shall be necessary in order to provide moneys to meet any withdrawal, payment or transfer from such account. Neither the Finance Director or any other officer or employee of the City shall be liable or responsible for any loss resulting from any such investment or reinvestment made in accordance with this ordinance. The Finance Director shall promptly notify the Director of any gain or loss in any account and the Council of any substantial loss in any account.

Section 606. Character of Funds. The moneys in any account herein designated in Articles IV and V hereof shall consist either of lawful money of the United States or Investment Securities, or both such money and such Investment Securities. Moneys deposited in a demand or time deposit account in a bank or savings and loan association, appropriately secured according to the laws of the State, shall be deemed lawful money of the United States.

Section 607. Payment of Bond Requirements. The moneys credited to any fund or account designated in Article V hereof for the payment of the Bond Requirements of any Bonds shall be used without requisition, voucher, warrant, further order or authority (other than is contained herein), or any other preliminaries, to pay promptly the Bond Requirements of any Bonds payable from such fund or account as such amounts are due, except to the extent any other moneys are available therefor.

Section 608. Scheduling Series 2025A Acquisition Fund Disbursements. The Director shall furnish to the Finance Director schedules of the amounts and times when funds are estimated by the Director to be needed to pay the cost of the Series 2025A Project. The Finance Director may conclusively rely upon the estimates contained in such schedules or any addendum thereto in making any investment or reinvestment of moneys in the Series 2025A Acquisition Fund.

ARTICLE VII

SECURITIES LIENS AND ADDITIONAL SECURITIES

Section 701. Lien. The Bonds constitute an irrevocable lien (but not necessarily an exclusive lien) upon the Net Pledged Revenues.

Section 702. Equality of Bonds. The Bonds and any Parity Bonds heretofore issued or hereafter authorized to be issued and from time to time Outstanding, any Parity Credit Facility Obligations relating thereto and any Parity Financial Products Agreements heretofore or hereafter entered into are equitably and ratably secured by a lien on the Net Pledged Revenues and shall not be entitled to any priority one over the other in the application of the Net Pledged Revenues regardless of the time or times of the issuance of the Bonds and any such Parity Bonds or Parity Credit Facility Obligations or of the entering into of the Parity Financial Products Agreements, it being the intention of the Council that there shall be no priority among the Bonds, any such Parity Bonds, any Parity Credit Facility Obligations and any Parity Financial Products Agreements relating thereto regardless of the fact that they may be actually issued, delivered or entered into at different times, except that (a) moneys in the Series 2025A Acquisition Fund, the Bond Fund, and the Reserve Fund shall secure only the Bonds and the moneys in any acquisition, bond, reserve or similar funds established for other Parity Bonds shall secure only such Parity Bonds and Parity Credit Facility Obligations relating thereto, and (b) other Parity Bonds may have a lien on Net Pledged Revenues on a parity with lien thereon of the Bonds whether or not a reserve fund is established for such Parity Bonds or a reserve fund is established but with a different requirement as to the amount of moneys (or the value of a Reserve Fund Insurance Policy with respect to such Parity Bonds) required to be on deposit therein or the manner in which such reserve fund is funded or the period of time over which such reserve fund is funded.

Section 703. Issuance of Parity Bonds. Nothing herein prevents the issuance by the City of additional securities payable from the Net Pledged Revenues and constituting a lien thereon on a parity with, but not prior nor superior to, the lien thereon of the Bonds; but before any such additional Parity Bonds, except as provided in Section 708 hereof, are authorized or actually issued:

A. Absence of Default. At the time of the adoption of the ordinance authorizing the issuance of the additional securities, the City shall not be in default in making any payments required by Article V hereof, including any payments to any Surety Provider under a Surety Agreement.

B. Historic Earnings Test. If the additional Parity Bonds are to be issued to finance Capital Improvements, the Net Pledged Revenues derived in the Fiscal Year immediately preceding the date of issuance of the additional Parity Bonds shall be not less than 130% of the Average Annual Principal and Interest Requirements of the Outstanding Bonds, any Outstanding Parity Bonds and the Parity Bonds proposed to be issued, except as hereinafter otherwise expressly provided.

C. [Intentionally omitted].

D. Adjustment of Gross Pledged Revenues. In any computation under subsection B of this Section, the amount of the Gross Pledged Revenues for the applicable period shall be decreased and may be increased by the amount of loss or gain conservatively estimated by

the City which results from any changes which became effective not less than 60 days prior to the last day of the period for which Gross Pledged Revenues are determined in any schedule of fees, rates and other charges constituting Gross Pledged Revenues based on the number of users during the applicable period as if such modified schedule of fees, rates and other charges shall have been in effect during such entire time period. However, the Gross Pledged Revenues need not be decreased by the amount of any such estimated loss to the extent the Director estimates the loss is temporary in nature or will be offset within a reasonable temporary period by an increase in revenues or a reduction in Operation and Maintenance Expenses not otherwise included in the calculations under this Section, and estimates any loss under this sentence will not at any time materially and adversely affect the City's apparent ability to comply with the rate maintenance covenant stated in Section 821 hereof without modification because of any restrictive legislation, regulation or other action under the police power exercised by any governmental body.

E. Reduction of Annual Requirements. The respective annual Bond Requirements (including as such a requirement the amount of any prior redemption premiums due on any Redemption Date) shall be reduced to the extent such Bond Requirements are scheduled to be paid in each of the respective Fiscal Years with moneys held in trust or in escrow for that purpose by any Trust Bank, including the known minimum yield from any investment in Federal Securities and any bank deposits, including any certificate of deposit.

F. Consideration of Additional Expenses. In determining whether or not additional Parity Bonds may be issued as aforesaid, consideration shall be given to any probable increase (but not reduction) in the Operation and Maintenance Expenses of the System as estimated by the Director that will result from the expenditure of the funds proposed to be derived from the issuance and sale of the additional securities; but the Director may reduce any such increase in Operation and Maintenance Expenses by the amount of any increase in revenues or any reduction in Operation and Maintenance Expenses resulting from the Capital Improvements to which such expenditure relates and not otherwise included in the calculations under this Section, if the Director also opines that any such reduction in any such increase in Operation and Maintenance Expenses will not materially and adversely affect the City's apparent ability to comply with the rate maintenance covenant stated in Section 821 hereof without modification because of any restrictive legislation, regulation or other action under the police power exercised by any governmental body.

Section 704. Certification of Revenues. A written certificate of the Finance Director that such annual revenues, when adjusted as hereinabove provided in subsections D, E and F of Section 703 hereof, are sufficient to pay such amounts, as provided in subsection B of Section 703 hereof, shall be conclusively presumed to be accurate in determining the right of the City to authorize, issue, sell and deliver additional securities on a parity with the Bonds.

Section 705. Subordinate Securities Permitted. Nothing herein prevents the City from issuing additional securities payable from the Net Pledged Revenues and having a lien thereon subordinate, inferior and junior to the lien thereon of the Bonds.

Section 706. Superior Securities Prohibited. Nothing herein permits the City to issue additional securities payable from the Net Pledged Revenues and having a lien thereon prior and superior to the lien thereon of the Bonds.

Section 707. Use of Proceeds. The proceeds of any additional parity securities payable from any Net Pledged Revenues shall be used only to finance Capital Improvements or to refund other securities or Credit Facility Obligations payable from Net Pledged Revenues, regardless of the priority of the lien of such securities or Credit Facility Obligations on Net Pledged Revenues.

Section 708. Issuance of Refunding Securities. The City may issue any refunding securities payable from Net Pledged Revenues to refund any Outstanding Bonds, Parity Bonds or any Subordinate Securities heretofore or hereafter issued, with such details as the Council may by ordinance provide so long as there is no impairment of any contractual obligation imposed upon the City by any proceedings authorizing the issuance of any unrefunded portion of such Outstanding securities of any one or more issues; but so long as the Bonds, or any part thereof, are Outstanding, refunding securities payable from Net Pledged Revenues may be issued on a parity with the unrefunded Bonds only if:

A. Prior Consent. The City first receives the consent of the Owner or Owners of the unrefunded portion of the Bonds; or

B. Requirements Not Increased. The Combined Maximum Annual Principal and Interest Requirements for the Bonds and Parity Bonds Outstanding immediately after the issuance of the refunding securities is not greater than the Combined Maximum Annual Principal and Interest Requirements for all Bonds and Parity Bonds Outstanding immediately prior to the issuance of the refunding securities and the lien of any refunding Parity Bonds on the Net Pledged Revenues is not raised to a higher priority than the lien thereon of any securities thereby refunded; or

C. Earnings Test. The refunding securities are issued in compliance with Section 703B hereof.

ARTICLE VIII

PROTECTIVE COVENANTS

Section 801. General. The City hereby covenants and agrees with the Owners of the Bonds and makes provisions which shall be a part of its contract with such Owners to the effect and with the purpose set forth in the following Sections of this Article.

Section 802. Performance of Duties. The City, acting by and through the Council or otherwise, shall faithfully and punctually perform, or cause to be performed, all duties with respect to the Gross Pledged Revenues and the System required by the Constitution and laws of the State and the Charter and various ordinances of the City, including, without limitation, the making and collection of reasonable and sufficient fees, rates and other charges for services rendered or furnished by or the use of the System, as herein provided, and the proper segregation of the proceeds of the Bonds and of any securities hereafter authorized and the Gross Pledged Revenues and their application from time to time to the respective accounts provided therefor.

Section 803. Contractual Obligations. The City shall perform all contractual obligations undertaken by it under any agreements relating to the Bonds, the Gross Pledged Revenues, the Refunding Project, the Series 2025A Project, or the System, or any combination thereof, with any other Persons.

Section 804. Further Assurances. At any and all times the City shall, so far as it may be authorized by law, pass, make, do, execute, acknowledge, deliver and file or record all and every such further instruments, acts, deeds, conveyances, assignments, transfers, other documents and assurances as may be necessary or desirable for the better assuring, conveying, granting, assigning and confirming all and singular the rights, the Gross Pledged Revenues and other moneys and accounts hereby pledged or assigned, or intended so to be, or which the City may hereafter become bound to pledge or to assign, or as may be reasonable and required to carry out the purposes of this ordinance and to comply with any instrument of the City amendatory thereof, or supplemental thereto and the Charter. The City, acting by and through the Council, or otherwise, shall at all times, to the extent permitted by law, defend, preserve and protect the pledge of the Gross Pledged Revenues and other moneys and accounts pledged hereunder and all the rights of every Owner of any Bond hereunder against all claims and demands of all Persons whomsoever.

Section 805. Conditions Precedent. Upon the date of issuance of the Bonds, all conditions, acts and things required by the federal or State Constitution, the Charter, the Supplemental Public Securities Act or by this ordinance to exist, to have happened and to have been performed precedent to or in the issuance of the Bonds shall exist, have happened, and have been performed; and the Bonds, together with all other obligations of the City, shall not contravene any debt or other limitation prescribed by the State Constitution or the Charter.

Section 806. Efficient Operation and Maintenance. The City shall at all times operate the System properly and in a sound and economical manner; and the City shall maintain, preserve and keep the same properly or cause the same so to be maintained, preserved and kept, with the appurtenances and every part and parcel thereof in good repair, working order and condition, and shall from time to time make or cause to be made all necessary and proper repairs, replacements and renewals so that at all times the operation of the System may be properly and advantageously

conducted. All salaries, fees, wages and other compensation paid by the City in connection with the maintenance, repair and operation of the System shall be reasonable and proper.

Section 807. Rules, Regulations and Other Details. The City, acting by and through the Council, shall establish and enforce reasonable rules and regulations governing the operation, use and services of the System. The City shall observe and perform all of the terms and conditions contained in this ordinance and the Charter, and shall comply with all valid acts, rules, regulations, orders and directions of any legislative, executive, administrative or judicial body applicable to the System or to the City.

Section 808. Payment of Governmental Charges. The City shall pay or cause to be paid all taxes and assessments or other municipal or governmental charges, if any, lawfully levied or assessed upon or in respect of the System, or upon any part thereof, or upon any portion of the Gross Pledged Revenues, when the same shall become due, and shall duly observe and comply with all valid requirements of any municipal or governmental authority relative to the System or any part thereof, except for any period during which the same are being contested in good faith by proper legal proceedings. The City shall not create or suffer to be created any lien upon the System, or any part thereof, or upon the Gross Pledged Revenues, except the pledge and lien created by this ordinance for the payment of the Bond Requirements of the Bonds and except as herein otherwise permitted. The City shall pay or cause to be discharged or shall make adequate provision to satisfy and to discharge, within 60 days after the same shall become payable, all lawful claims and demands for labor, materials, supplies or other objects which, if unpaid, might by law become a lien upon the System, or any part thereof, or the Gross Pledged Revenues; but nothing herein requires the City to pay or cause to be discharged or to make provision for any such tax, assessment, lien or charge, so long as the validity thereof is contested in good faith and by appropriate legal proceedings.

Section 809. Protection of Security. The City, the officers, agents and employees of the City, and the Council shall not take any action in such manner or to such extent as might prejudice the security for the payment of the Bond Requirements of the Bonds and any other securities payable from the Net Pledged Revenues or any Credit Facility Obligation relating thereto or any Financial Products Agreement according to the terms thereof. No contract shall be entered into nor any other action taken by which the rights of any Owner of any Bond or other security payable from Net Pledged Revenues or any Credit Facility Obligation relating thereto or any Financial Products Agreement might be prejudicially and materially impaired or diminished.

Section 810. Prompt Payment of Bonds. The City shall promptly pay the Bond Requirements of the Bonds at the places, on the dates and in the manner specified herein and in the Bonds according to the true intent and meaning hereof.

Section 811. Use of Bond and Reserve Funds. The Bond Fund and the Reserve Fund shall be used solely and only and the moneys credited to such accounts are hereby pledged for the purpose of paying the Bond Requirements of the Bonds to their respective maturities or any Redemption Date or Dates, subject to the provisions of Sections 506, 507, 508 and 1101 hereof.

Section 812. Other Liens. Other than as provided herein, there are no liens or encumbrances of any nature whatsoever on or against the System, or any part thereof, or on or against the Gross Pledged Revenues on a parity with or superior to the lien thereon of the Bonds.

Section 813. Corporate Existence. The City shall maintain its corporate identity and existence so long as any of the Bonds remain Outstanding, unless another body corporate and politic by operation of law succeeds to the powers, privileges, rights, liabilities, disabilities, duties and immunities of the City and is obligated by law to operate and maintain the System and to fix and collect the Gross Pledged Revenues as herein provided without adversely and materially affecting at any time the privileges and rights of any Owner of any Outstanding Bond.

Section 814. Disposal of System Prohibited. Except for the use of the System and services pertaining thereto in the normal course of business, neither all nor substantially all of the System shall be sold, leased, mortgaged, pledged, encumbered, alienated or otherwise disposed of, so long as any Bonds are Outstanding.

Section 815. Disposal of Unnecessary Property. Except as otherwise provided by the Charter and in Section 814 hereof, the City may sell, exchange or otherwise dispose of property, facilities and assets of the System at any time and from time to time and may lease, contract or grant licenses for the operation of, or make arrangements for the use of, or grant easements or other rights to the properties, facilities and assets of the System. Any proceeds of any such sale, exchange or other disposition received and not used to replace such property so sold or so exchanged or otherwise so disposed of, shall be deposited by the City in the Income Fund or into a special book account for the betterment, enlargement, extension, other improvement and equipment of the System, or any combination thereof, as the Council may determine, and any proceeds of any such lease received shall be deposited by the City as Gross Pledged Revenues in the Income Fund.

Section 816. Competing System. So long as any of the Bonds are Outstanding, the City shall not grant any franchise or license to any competing facilities so that the Gross Pledged Revenues shall not be sufficient to satisfy the covenant in Section 821 hereof.

Section 817. Loss From Condemnation. If any part of the System is taken by the exercise of the power of eminent domain, the amount of any award received by the City as a result of such taking shall be paid into the Income Fund or into a capital improvement account pertaining to the System for the purposes thereof or applied to the redemption of the Outstanding Bonds and any Outstanding Parity Bonds or Parity Credit Facility Obligations relating thereto, all as the City may determine.

Section 818. Employment of Management Engineers. If the City defaults in paying the Bond Requirements of the Bonds and any other securities or Credit Facility Obligations relating thereto or any Financial Products Agreements payable from the Gross Pledged Revenues promptly as the same fall due, or in the keeping of any covenants herein contained, and if such default continues for a period of 60 days, or if the Net Pledged Revenues in any Fiscal Year fail to equal at least the amount of the Bond Requirements of the Outstanding Bonds and any other securities (including all reserves therefor specified in the authorizing proceedings, including, without limitation, this ordinance) or Credit Facility Obligations relating thereto or any Financial Products Agreements payable from the Net Pledged Revenues in that Fiscal Year, the City shall retain a firm of competent management engineers skilled in the operation of such facilities to assist the management of the System so long as such default continues or so long as the Net Pledged Revenues are less than the amount hereinabove designated in this Section.

Section 819. Budgets. The Council and officials of the City shall annually, and at such other times as may be provided by law, prepare and adopt a budget pertaining to the System.

Section 820. Reasonable and Adequate Charges. While the Bonds remain Outstanding and unpaid, the fees, rates and other charges due to the City for the use of or otherwise pertaining to and services rendered by the System to the City, to its inhabitants and to all other users within and without the boundaries of the City shall be reasonable and just, taking into account and consideration public interests and needs, the cost and value of the System, the Operation and Maintenance Expenses thereof, and the amounts necessary to meet the Bond Requirements of all Bonds and any other securities payable from the Net Pledged Revenues, including, without limitation, reserves and any replacement accounts therefor, and, without duplication, Credit Facility Obligations relating thereto and its obligations under any Financial Products Agreements.

Section 821. Adequacy and Applicability of Charges. There shall be charged against users of service pertaining to and users of the System, including the City, except as provided by Section 822 hereof, such fees, rates and other charges so that the Gross Pledged Revenues shall be adequate to meet the requirements of this and the preceding Sections hereof. Such charges pertaining to the System shall be at least sufficient so that the Gross Pledged Revenues annually are sufficient to pay in each Fiscal Year:

A. Operation and Maintenance Expenses. An amount equal to the annual Operation and Maintenance Expenses for such Fiscal Year,

B. Principal and Interest. An amount equal to 130% of both the principal and interest on the Bonds and any Parity Bonds then Outstanding payable from the Net Pledged Revenues in that Fiscal Year (excluding the reserves therefor); provided however that if any parity Variable Rate Bonds, parity Balloon Bonds, Commercial Paper Notes or Parity Credit Facility Obligations are Outstanding, the amount of principal and interest or similar payments with respect to such parity Variable Rate Bonds, parity Balloon Bonds, Commercial Paper Notes or Parity Credit Facility Obligations due in such Fiscal Year shall be the amount specified in the ordinance pursuant to which such parity Variable Rate Bonds or parity Balloon Bonds or Commercial Paper Notes or Parity Credit Facility Obligations are authorized, and for the purposes of this paragraph, parity Tender Bonds shall be assumed to mature on the stated maturity or mandatory Redemption Date or Dates thereof and Commercial Paper Notes shall be assumed to mature 25 years after the earlier of (i) the expiration date of the program established for them as set forth in the ordinance of the City authorizing the issuance of the Commercial Paper Notes, or (ii) 5 years from the initial date of issuance of any Commercial Paper Notes under such program, and

C. Deficiencies. Any amounts required to pay all sums, if any, due and owing to any Surety Provider under a Surety Agreement and to meet then existing deficiencies pertaining to any fund or account relating to the Gross Pledged Revenues or any securities payable therefrom and any amounts necessary to satisfy its covenants under any Financial Products Agreements (other than Financial Products Payments and other than any termination, settlement or similar payments required to be paid upon an early termination of the Financial Products Agreement or as a result of any event of default thereunder).

For the purpose of subsection B above, if a Parity Financial Products Agreement has been entered into by the City with respect to the Bonds or any Parity Bonds, interest on the Bonds or such Parity Bonds shall be included in the calculation of such interest by including for that Fiscal Year an amount equal to the amount of interest payable on the Bonds or such Parity Bonds in that Fiscal Year determined as hereinabove provided plus any Financial Products Payments payable in that Fiscal Year minus any Financial Products Receipts receivable in that Fiscal Year;

provided that in no event shall any calculation made pursuant to this sentence result in a number less than zero being included in the calculation of such interest.

In determining the amount of any Financial Products Payments or Financial Products Receipts on any interest rate swaps or other similar Financial Products Agreement which Payments or Receipts are based on interest rates which are not fixed in percentage for such Fiscal Year, such amount shall be calculated by assuming such variable interest rate is a fixed interest rate equal to (a) if the Parity Financial Products Agreement relates to Variable Rate Bonds, the fixed rate of interest estimated for such Variable Rate Bonds as hereinabove provided, or (b) if the Parity Financial Products Agreement relates to the Bonds or Parity Bonds which bear interest at a fixed interest rate, the average daily interest rate for such Payments or Receipts under such Financial Products Agreement during the immediately preceding Fiscal Year or during the time the Financial Products Agreement has been in effect if less than all of such immediately preceding Fiscal Year.

In determining the amount of any Financial Products Payments or Financial Products Receipts on any interest rate cap, floor, collar or other similar Financial Products Agreement with respect to Parity Bonds which are Variable Rate Bonds, such amount shall be calculated by assuming the interest rate on the related Parity Bonds is the rate determined as provided in subsection B above. In determining the amount of any Financial Products Payments or Financial Products Receipts on any interest rate cap, floor, collar or other similar Financial Products Agreement with respect to Parity Bonds bearing interest at a fixed rate, such amount shall be the amount payable or receivable annually determined as of the date of issuance of the Parity Bonds.

Section 822. Limitations Upon Free Service. No free service or facilities shall be furnished by the System, except as hereinafter provided. If the City elects to use for municipal purposes any water, water facilities, electricity, gas, sanitary sewer, or other services and facilities provided by the System or otherwise to use the System or any part thereof, any such use will be paid for from the City's general fund or from other available revenues other than Gross Pledged Revenues at the reasonable value of the use so made; provided that (a) the City need not pay for any such use by the City of any facilities of the water system for fire protection purposes, and (b) on and after the Park Watering Effective Date, the City need not pay for any such use by the City of any facilities of the water system for the purpose of watering City owned parks. All the income so derived from the City shall be deemed to be income derived from the operation of the System, to be used and to be accounted for in the same manner as any other income derived from the operation of the System.

Section 823. Levy of Charges. The City shall forthwith and in any event prior to the delivery of any of the Bonds, fix, establish and levy the fees, rates and other charges which are required by Section 821 of this ordinance, if such action is necessary therefor. No reduction in any initial or existing rate schedule for the System may be made:

A. Proper Application. Unless the City has fully complied with the provisions of Article V of this ordinance for at least the full Fiscal Year immediately preceding such reduction of the initial or any other existing rate schedule; and

B. Sufficient Revenues. Unless the audit required by the Independent Accountant by Section 827 hereof for the full Fiscal Year immediately preceding such reduction discloses that the estimated revenues resulting from the proposed rate schedule for the System, after the schedule's proposed reduction, shall be at least sufficient to produce the amounts required by Section 821 hereof.

Section 824. Collection of Charges. The City shall cause all fees, rates and other charges pertaining to the System to be collected as soon as is reasonable, shall prescribe and enforce rules and regulations or impose contractual obligations for the payment of such charges, and for the use of the System, and shall provide methods of collection and penalties, to the end that the Gross Pledged Revenues shall be adequate to meet the requirements of this ordinance and any other ordinance supplemental thereto.

Section 825. Procedure for Collecting Charges. All bills for water, electric, gas and wastewater services or facilities and all other services or facilities furnished or served by or through the System shall be rendered to customers on a regularly established basis. The fees, rates and other charges due shall be collected in a lawful manner, including, without limitation, discontinuance of service.

Section 826. Maintenance of Records. So long as any of the Bonds and any other Parity Bonds or Credit Facility Obligations relating thereto or any Financial Products Agreement payable from the Gross Pledged Revenues remain Outstanding or in effect, proper books of record and account shall be kept by the City, separate and apart from all other records and accounts.

Section 827. Audits Required. The City, within 60 days following the close of each Fiscal Year, shall order an audit for the Fiscal Year of such books and accounts to be made forthwith by an Independent Accountant, and order an audit report showing the receipts and disbursements for each account pertaining to the System and the Gross Pledged Revenues.

Section 828. Accounting Principles. System records and accounts, and audits thereof, shall be currently kept and made, as nearly as practicable, in accordance with the then generally accepted accounting principles, methods and terminology followed and construed for utility operations comparable to the System, except as may be otherwise provided herein or required by applicable law or regulation or by contractual obligation existing on the effective date of this ordinance.

Section 829. Insurance and Reconstruction. Except to the extent of any self-insurance, the City shall at all times maintain with responsible insurers fire and extended coverage insurance, worker's compensation insurance, public liability insurance and all such other insurance as is customarily maintained with respect to utilities of like character against loss of or damage to the System and against loss of revenues and against public and other liability to the extent reasonably necessary to protect the interests of the City and of each Owner of a Bond. If any useful part of the System shall be damaged or destroyed, the City shall, as expeditiously as may be possible, commence and diligently prosecute the repair or replacement of the damaged property so as to restore the same to use. The proceeds of any such insurance shall be payable to the City and (except for proceeds of any use and occupancy insurance) shall be applied to the necessary costs involved in such repair and replacement and to the extent not so applied shall (together with the proceeds of any such use and occupancy insurance) be deposited in the Income Fund by the City as revenues derived from the operation of the System. If the costs of such repair and replacement of the damaged property exceed the proceeds of such insurance available for the payment of the same, moneys in the Income Fund shall be used to the extent necessary for such purposes, as permitted by Section 512 hereof.

Section 830. Federal Income Tax Exemption. The City covenants for the benefit of the Owners of the Series 2025A Bonds and Series 2025B Bonds that it will not take any action or omit to take any action with respect to the Series 2025A Bonds, Series 2025B Bonds, the proceeds thereof,

any other funds of the City or any facilities financed or refinanced with the proceeds of the Series 2025A Bonds or Series 2025B Bonds if such action or omission (a) would cause the interest on the Series 2025A Bonds or Series 2025B Bonds to lose its exclusion from gross income for federal income tax purposes under Section 103 of the Code, (b) would cause interest on the Series 2025A Bonds or Series 2025B Bonds to lose its exclusion from alternative minimum taxable income as defined in Section 55(b)(2) of the Code, or (c) would cause interest on the Series 2025A Bonds or Series 2025B Bonds to lose its exclusion from Colorado taxable income or Colorado alternative minimum taxable income under present State law. In furtherance of this covenant, the City agrees to comply with the procedures set forth in the Tax Compliance Certificate. The foregoing covenant shall remain in full force and effect notwithstanding the payment in full or defeasance of the Series 2025A Bonds or Series 2025B Bonds until the date on which all obligations of the City in fulfilling the above covenant under the Code and Colorado law have been met.

Section 831. Continuing Disclosure. The City shall comply with its obligations under the Continuing Disclosure Undertaking.

Section 832. Financial Products Agreements. No payments under a Financial Products Agreement shall be secured by a lien on Net Pledged Revenues prior and superior to the lien thereon of the Bonds.

Section 833. Surety Agreement.

A. Pursuant to Section 512 hereof, and to the extent specifically authorized by law, the City will pay or reimburse Build America Mutual any and all fees and expenses which Build America Mutual may pay or incur, including, but not limited to, fees and expenses of attorneys, accountants, consultants and auditors and reasonable costs of investigations, in connection with (i) any amendment, waiver or other action with respect to, or related to this ordinance or the Surety Bond, or (ii) any action taken by Build America Mutual to cure a default or termination or similar event (or to mitigate the effect thereof) under this ordinance; costs and expenses shall include a reasonable allocation of compensation and overhead attributable to time of employees of Build America Mutual spent in connection with the actions described in clauses (i) through (ii) above. Build America Mutual reserves the right to charge a reasonable fee as a condition to executing any amendment, waiver or consent proposed in respect of this ordinance. Amounts payable by the City hereunder shall bear interest at the Late Payment Rate from the date such amount is paid or incurred by Build America Mutual until the date Build America Mutual is paid in full.

B. The obligation of the City to pay all amounts due to Build America Mutual shall be an absolute and unconditional obligation of the City and will be paid or performed strictly in accordance with the provisions of this ordinance, irrespective of (i) any lack of validity or enforceability of or any amendment or other modifications of, or waiver with respect to the Bonds or this ordinance, or (ii) any amendment or other modification of, or waiver with respect to the Surety Bond; (iii) any exchange, release or non-perfection of any security interest in property securing the Bonds or this ordinance; (iv) whether or not such Bonds are contingent or matured, disputed or undisputed, liquidated or unliquidated; (v) any amendment, modification or waiver of or any consent to departure from the Surety Bond or this ordinance; (vi) the existence of any claim, setoff, defense (other than the defense of payment in full), reduction, abatement or other right which the City may have at any time against the Paying Agent or any other person or entity other than Build America Mutual, whether in connection with the transactions contemplated herein or any unrelated transactions; (vii) any statement or any other document presented under or in connection with the

Surety Bond proving in any and all respects invalid, inaccurate, insufficient, fraudulent or forged or any statement therein being untrue or inaccurate in any respect; or (viii) any payment by Build America Mutual under the Surety Bond against presentation of a certificate or other document which does not strictly comply with the terms of the Surety Bond.

C. Upon a failure to repay draws or payment of expenses and accrued interest thereon at the Late Payment Rate when due, Build America Mutual shall be entitled to exercise any and all legal and equitable remedies available to it, including those provided under this Bond Ordinance, other than (i) acceleration of the maturity of the Bonds, or (ii) remedies which would adversely affect owners of the Bonds.

ARTICLE IX

PRIVILEGES, RIGHTS AND REMEDIES

Section 901. Owners' Remedies. Each Owner of any Bond shall be entitled to all of the privileges, rights and remedies provided or permitted in the Charter and this ordinance, and as otherwise provided or permitted by law or in equity or by any statutes, except as provided in Sections 202 through 206 hereof, but subject to the provisions herein concerning the pledge of and the covenants and the other contractual provisions concerning the Gross Pledged Revenues and the proceeds of the Bonds.

Section 902. Right to Enforce Payment. Nothing in this Article affects or impairs the right of any Owner of any Bond to enforce the payment of the Bond Requirements due in connection with his or her Bond or the obligation of the City to pay the Bond Requirements of each Bond to the Owner thereof at the time and the place expressed in the Bond.

Section 903. Events of Default. Each of the following events is hereby declared an "Event of Default":

A. Nonpayment of Principal. Payment of the principal of any of the Bonds is not made when the same becomes due and payable, either at maturity or by proceedings for prior redemption, or otherwise;

B. Nonpayment of Interest. Payment of any installment of interest on any of the Bonds is not made when the same becomes due and payable or within 30 days thereafter;

C. Cross Defaults. The occurrence and continuance of an "event of default," as defined in any Parity Bond Ordinance;

D. Failure to Reconstruct. The City unreasonably delays or fails to carry out with reasonable dispatch the reconstruction of any part of the System which is destroyed or damaged and is not promptly repaired or replaced (whether such failure promptly to repair the same is due to impracticability of such repair or replacement or is due to a lack of moneys therefor or for any other reason), but it shall not be an Event of Default if such reconstruction is not essential to the efficient operation of the System;

E. Appointment of Receiver. An order or decree is entered by a court of competent jurisdiction with the consent or acquiescence of the City appointing a receiver or receivers for the System or for the Gross Pledged Revenues and any other moneys subject to the lien to secure the payment of the Bonds, or if an order or decree having been entered without the consent or acquiescence of the City is not vacated or discharged or stayed on appeal within 60 days after entry; and

F. Default of Any Provision. The City defaults in the due and punctual performance of any other of the representations, covenants, conditions, agreements and other provisions contained in the Bonds or in this ordinance on its part to be performed (other than Section 831 hereof), and such default continues for 60 days after written notice specifying such default and requiring the same to be remedied is given to the City by the Owners of not less than 25% in aggregate principal amount of the Bonds then Outstanding.

Section 904. Remedies for Defaults. Upon the happening and continuance of any Event of Default, the Owner or Owners of not less than 25% in aggregate principal amount of the Bonds then Outstanding, including, without limitation, a trustee or trustees therefor, may proceed against the City and its agents, officers and employees to protect and to enforce the rights of any Owner of Bonds under this ordinance by mandamus or by other suit, action or special proceedings in equity or at law, in any court of competent jurisdiction, either for the appointment of a receiver or for the specific performance of any covenant or agreement contained herein or in an award of execution of any power herein granted for the enforcement of any proper legal or equitable remedy as such Owner or Owners may deem most effectual to protect and to enforce the rights aforesaid, or thereby to enjoin any act or thing which may be unlawful or in violation of any right of any Owner of any Bond, or to require the City to act as if it were the trustee of an expressed trust, or any combination of such remedies. All such proceedings at law or in equity shall be instituted, had and maintained for the equal benefit of all Owners of the Bonds and any other Parity Bonds and any Parity Credit Facility Obligation relating thereto and the Providers of any Parity Financial Products Agreements.

Section 905. Receiver's Rights and Privileges. Any receiver appointed in any proceedings to protect the rights of such Owners hereunder, the consent to any such appointment being hereby expressly granted by the City, may enter and may take possession of the System, may operate and maintain the same, may prescribe fees, rates and other charges, and may collect, receive and apply all Gross Pledged Revenues arising after the appointment of such receiver in the same manner as the City itself might do.

Section 906. Rights and Privileges Cumulative. The failure of any Owner of any Outstanding Bond to proceed in any manner herein provided shall not relieve the City, or any of its officers, agents or employees of any liability for failure to perform or carry out any duty, obligation or other commitment. Each right or privilege of any such Owner (or trustee thereof) is in addition and is cumulative to any other right or privilege, and the exercise of any right or privilege by or on behalf of any Owner shall not be deemed a waiver of any other right or privilege thereof.

Section 907. Duties upon Defaults. Upon the happening of any Event of Default, the City shall do and perform all proper acts on behalf of and for the Owners of Bonds to protect and to preserve the security created for the payment of the Bonds and to insure the payment of the Bond Requirements promptly as the same become due. While any Event of Default exists, except to the extent it may be unlawful to do so, all Gross Pledged Revenues shall be paid into the Bond Fund and into bond or similar funds established for other Parity Bonds then Outstanding, pro rata based upon the aggregate principal amount of the Bonds and Parity Bonds then Outstanding. If the City fails or refuses to proceed as in this Section provided, the Owner or Owners of not less than 25% in aggregate principal amount of the Bonds then Outstanding, after demand in writing, may proceed to protect and to enforce the rights of the Owners of the Bonds as hereinabove provided, and to that end any such Owners of the Outstanding Bonds shall be subrogated to all rights of the City under any agreement, lease or other contract involving the System or the Gross Pledged Revenues entered into prior to the effective date of this ordinance or thereafter while any of the Bonds are Outstanding.

ARTICLE X

AMENDMENT OF ORDINANCE

Section 1001. Privilege of Amendments. Except as hereafter provided, this ordinance may be amended or supplemented by ordinances adopted by the Council in accordance with law, including the Charter, without receipt by the City of any additional consideration, but with the written consent of the Surety Provider and Owners of not less than a majority in aggregate principal amount of all Parity Bonds Outstanding at the time of the adoption of such amendatory or supplemental ordinance excluding, pursuant to Section 102B hereof, any Bonds which may then be held or owned for the account of the City. Notwithstanding the foregoing, no such ordinance shall permit:

A. Changing Payment. A change in the maturity, terms of redemption or interest payment of any Outstanding Parity Bond without the consent of the Owner of such Parity Bond; or

B. Reducing Return. A reduction in the principal amount of any Parity Bond or the rate of interest thereon, without the consent of the Owner of such Parity Bond; or

C. Prior Lien. The creation of a lien upon or a pledge of revenues ranking prior to the lien or to the pledge created by this ordinance; or

D. Modifying Any Parity Bond. A reduction of the principal amount or percentages or otherwise affecting the description of Parity Bonds the consent of the Owners of which is required for any such modification or amendment; or

E. Priorities Between Bonds. The establishment of priorities as between Parity Bonds issued and Outstanding.

Notwithstanding the foregoing provisions of this Section, this ordinance and the rights and obligations of the City and of the Owners of the Bonds may also be modified or amended at any time, without the consent of any Owners of the Bonds or the Surety Provider, but only to the extent permitted by law and only for any or all of the following purposes:

(i) to add to the covenants and agreements of the City in this ordinance contained other covenants and agreements thereafter to be observed; or

(ii) in connection with the provision of a Reserve Fund Insurance Policy subsequent to the issuance of the Bonds (provided, however, Build America Mutual shall have the right to consent as set forth in Section 506D hereof); or

(iii) to make such provisions for the purpose of curing any ambiguity or of curing or correcting any formal defect or omission in this ordinance, or in regard to questions arising under this ordinance, as the City may deem necessary or desirable, and which shall not adversely affect the interests of the Owners of the Parity Bonds or the Surety Provider.

Section 1002. Notice of Amendment. Whenever the Council proposes to amend or modify this ordinance under the provisions of this Article, it shall cause notice of the proposed amendment to be mailed to Owners of all Outstanding Parity Bonds at their addresses as the same last appear on the

registration records maintained by the Paying Agent, and to any paying agent for any other Parity Bonds and the Surety Provider. Such notice shall briefly set forth the nature of the proposed amendment and shall state that a copy of the proposed amendatory ordinance is on file in the office of the Clerk for public inspection.

Section 1003. Time for Amendment. If the ordinance is required to be consented to by the Surety Provider and the Owners of the Parity Bonds, whenever at any time within one year from the date of the giving of such notice there shall be filed in the office of the Clerk an instrument or instruments executed by the Surety Provider and the Owners of at least a majority in aggregate principal amount of all Parity Bonds then Outstanding, which instrument or instruments shall refer to the proposed amendatory ordinance described in such notice and shall specifically consent to and approve the adoption of such ordinance, the Council may adopt such amendatory ordinance and such ordinance shall become effective. If the ordinance is not required to be consented to by the Owners of the Parity Bonds and the Surety Provider, the amendatory ordinance may be adopted by the Council at any time.

Section 1004. Binding Consent to Amendment. If the Owners of not less than a majority in aggregate principal amount of the Parity Bonds Outstanding at the time of the adoption of such amendatory ordinance requiring consent of the Owners of the Parity Bonds, or the predecessors in title of such Owners, shall have consented to and approved the adoption thereof as herein provided, no Owner of any Parity Bond, whether or not such Owner shall have consented to or shall have revoked any consent as in this Article provided, shall have any right or interest to object to the adoption of such amendatory ordinance or to object to any of the terms or provisions therein contained or to the operation thereof or to enjoin or restrain the City from taking any action pursuant to the provisions thereof.

Section 1005. Time Consent Binding. Any consent given by the Owner of a Bond pursuant to the provisions of this Article shall be irrevocable for a period of 6 months from the date of the giving of the notice above provided for and shall be conclusive and binding upon all future Owners of the same Bond during such period. Such consent may be revoked at any time after 6 months from the date of such giving of such notice by the Owner who gave such consent or by a successor in title by filing notice of such revocation with the Clerk, but such revocation shall not be effective if the Owners of not less than a majority in aggregate principal amount of the Parity Bonds Outstanding as in this Article provided, prior to the attempted revocation, consented to and approved the amendatory ordinance referred to in such revocation.

Section 1006. Unanimous Consent. Notwithstanding anything in the foregoing provisions of this Article, the terms and provisions of this ordinance or of any ordinance amendatory thereof or supplemental thereto and the rights and the obligations of the City and of the Owners of the Bonds thereunder may be modified or amended in any respect upon the adoption by the City and upon the filing with the Clerk of an ordinance to that effect and with the consent of the Owners of all the then Outstanding Bonds, such consent to be given as provided in Section 1103 hereof and with the consent of the Surety Provider, and no notice to Owners of Bonds shall be required as provided in Section 1002 hereof, nor shall the time of consent be limited except as may be provided in such consent.

Section 1007. Exclusion of City's Bonds. At the time of any consent or of other action taken under this Article, the City shall furnish to the Clerk a certificate of the Treasurer, upon which the City may rely, describing all Bonds to be excluded for the purpose of consent or of other action

or of any calculation of Outstanding Bonds provided for in this Article, and the City shall not be entitled with respect to such Bonds to give any consent or to take any other action provided for in this Article, as provided in Section 102B hereof.

Section 1008. Notation on Bonds. Bonds authenticated and delivered after the effective date of any action taken as in this Article provided may bear a notation by endorsement or otherwise in form approved by the Council as to such action; and after the approval of such notation, then upon demand of the Owner of any Bond Outstanding and upon presentation of his or her Bond for that purpose at the Principal Corporate Trust Office of the Paying Agent, suitable notation shall be made on such Bond by the Paying Agent as to any such action. If the Council so determines, new Bonds, so modified as in the opinion of the Council conform to such action, shall be prepared, executed, authenticated and delivered; and upon demand of the Owner of any Bond then Outstanding, shall be exchanged without cost to such Owner for Bonds then Outstanding upon surrender of such Bonds.

Section 1009. Proof of Instruments and Bonds. The fact and date of execution of any instrument under the provisions of this Article, the amount and number of the Bonds held by any Person executing such instrument, and the date of his or her holding the same may be proved as provided by Section 1103 hereof.

ARTICLE XI

MISCELLANEOUS

Section 1101. Defeasance. When all Bond Requirements of the Bonds have been duly paid, the Bonds shall no longer be deemed to be Outstanding within the meaning of this ordinance and, if all amounts due and owing to any Surety Provider under a Surety Agreement have been paid, the pledge and lien and all obligations hereunder shall thereby be discharged. There shall be deemed to be such due payment of any Bond when the City has placed in escrow or in trust with a Trust Bank located within or without the State, an amount sufficient (including the known minimum yield available for such purpose from Federal Securities in which such amount wholly or in part may be initially invested) to meet all Bond Requirements of such Bond, as the same become due to the maturity of such Bond or upon any Redemption Date. The Federal Securities shall become due prior to the respective times on which the proceeds thereof shall be needed, in accordance with a schedule established and agreed upon between the City and such bank at the time of the creation of the escrow or trust, or the Federal Securities shall be subject to redemption at the option of the holders thereof to assure such availability as so needed to meet such schedule.

Section 1102. Delegated Powers. The officers and employees of the City be, and they hereby are, authorized and directed to take all action necessary or appropriate to effectuate the provisions of this ordinance, including, without limitation, the execution of such certificates as may be reasonably required by the Purchasers.

Section 1103. Evidence of Bond Owners. Any request, consent or other instrument which this ordinance may require or may permit to be signed and to be executed by the Owners of any Bonds may be in one or more instruments of similar tenor and shall be signed or shall be executed by each such Owner in person or by his or her attorney appointed in writing. Proof of the execution of any such instrument or of an instrument appointing any such attorney, or the holding by any Person of the Bonds shall be sufficient for any purpose of this ordinance (except as otherwise herein expressly provided) if made in the following manner:

A. Proof of Execution. The fact and the date of the execution by any Owner of any Bonds or his or her attorney of such instrument may be established by a certificate, which need not be acknowledged or verified, of an officer of a bank or trust company satisfactory to the Clerk or of any notary public or other officer authorized to take acknowledgments of deeds to be recorded in the state in which he or she purports to act, that the individual signing such request or other instrument acknowledged to him or her the execution thereof, or by an affidavit of a witness of such execution, duly sworn to before such notary public or other officer; the authority of the individual or individuals executing any such instrument on behalf of a corporate Owner of any securities may be established without further proof if such instrument is signed by an individual purporting to be the president or vice president of such corporation with a corporate seal affixed and attested by an individual purporting to be its secretary or an assistant secretary; and the authority of any Person or Persons executing any such instrument in any fiduciary or representative capacity may be established without further proof if such instrument is signed by a Person or Persons purporting to act in such fiduciary or representative capacity; and

B. Proof of Holdings. The amount of Bonds held by any Person and the numbers, date and other identification thereof, together with the date of his or her holding the Bonds, shall be proved by the registration records maintained by the Paying Agent.

Section 1104. Paying Agent. If the Paying Agent then in office shall resign, or if the City shall remove such Paying Agent, the City may, upon notice mailed to each Owner, at the address last shown on the registration records, appoint a successor Paying Agent. Every such successor Paying Agent shall be a bank or trust company duly organized under the laws of the United States or any state or territory thereof having a shareholders' equity (*e.g.*, combined capital stock, surplus and undivided profits), however denominated, of not less than \$10,000,000.

PRINCIPAL AMOUNT: DOLLARS

The City of Colorado Springs (the "City"), in the County of El Paso and State of Colorado (the "State"), for value received, hereby promises to pay to the registered owner specified above, or registered assigns, solely from the special funds provided therefor, as hereinafter set forth, the principal amount set forth above on the maturity date specified above (unless this Bond shall have been called for prior redemption, in which case on the redemption date) and to pay solely from such special funds interest thereon at the interest rate per annum specified above until the payment of the principal hereof has been made or provided for, payable on May 15 and November 15 in each year, commencing November 15, 2025. This Bond will bear interest from the most recent interest payment date to which interest has been paid, or, if no interest has been paid, from the date of this Bond. The principal of this Bond is payable upon the presentation and surrender hereof at the Principal Corporate Trust Office of Computershare Trust Company, N.A., St. Paul, Minnesota, as Paying Agent, or at the Principal Corporate Trust Office of its successor (the "Paying Agent"). Interest on this Bond will be paid on each interest payment date (or, if such interest payment date is not a business day, on the next succeeding business day), by check mailed on each payment date to the person in whose name this Bond is registered (the "Owner") on the registration records of the City maintained by the Paying Agent at the address appearing thereon at the close of business on the first day of the calendar month in which such interest payment date occurs (the "Record Date"). Any

such interest not so timely paid shall cease to be payable to the person who is the Owner hereof at the close of business on the Record Date and shall be payable to the person who is the Owner hereof at the close of business on a Special Record Date (as defined in the hereinafter referred to Ordinance) for the payment of any defaulted interest. Such Special Record Date shall be fixed by the Paying Agent whenever moneys become available for payment of the defaulted interest, and notice of the Special Record Date shall be given to the Owner of this Bond not less than ten days prior thereto. Alternative means of payment of interest may be used if mutually agreed to in writing between the Owner of this Bond and the Paying Agent. If this Bond is not paid upon presentation and surrender at or after its maturity or prior redemption, interest shall continue at the above stated rate per annum until the principal hereof is paid in full. Interest on this Bond shall be calculated based on a 360-day year, consisting of twelve 30-day months. All such payments shall be made in lawful money of the United States of America.

[This Bond is one of a series of bonds issued pursuant to the 2025A and B Utilities Bond Ordinance (the "Ordinance") designated as the "City of Colorado Springs, Colorado, Utilities System Improvement Revenue Bonds, Series 2025A" in the aggregate principal amount of \$_____ (the "Bonds"). The Bonds have been duly authorized for the purpose of providing moneys to defray a portion of the cost of extending, bettering or otherwise improving and equipping the municipal water system, electric light and power system, gas system, wastewater system and certain other systems designated by the City Council of the City, collectively, comprising the City's Utilities System.]

[This Bond is one of a series of bonds issued pursuant to the 2025A and B Utilities Bond Ordinance (the "Ordinance") designated as the "City of Colorado Springs, Colorado, Utilities System Refunding Revenue Bonds, Series 2025B" in the aggregate principal amount of \$_____ (the "Bonds"). The Bonds have been duly authorized for the purpose of providing moneys to defray a portion of the cost of refunding certain outstanding utilities system revenue bonds of the City.]

The Bonds maturing on and after November 15, ____ are subject to redemption prior to maturity, at the option of the City, on November 15, ____ or any date thereafter in whole or in part at a redemption price equal to 100% of the principal amount thereof plus accrued interest thereon to the redemption date.

[The Bonds maturing on November 15, ____ and November 15, ____ are subject to redemption by lot in such manner as the Paying Agent may determine pursuant to the terms of the mandatory sinking funds provided in the Ordinance at a redemption price equal to 100% of the principal amount thereof plus accrued interest to the redemption date.]

****Upon any partial prior redemption of the Bonds, Cede & Co., in its discretion, may request the Paying Agent to authenticate a new Bond or shall make an appropriate notation on this Bond indicating the date and amount of prepayment, except in the case of final maturity, in which case this Bond must be presented to the Paying Agent prior to payment.****

In the case of a Bond of a denomination larger than \$5,000, a portion of such Bond (\$5,000 or any integral multiple thereof) may be redeemed, in which case the Paying Agent shall, without charge to the Owner of such Bond, authenticate and issue a replacement Bond or Bonds for the unredeemed portion thereof. Notice of the call for any redemption shall be given by the Paying Agent by mailing a copy of the redemption notice by first-class postage prepaid mail not more than thirty nor less than twenty days prior to the redemption date to the Owner of each Bond to be redeemed at his or her address as shown on the registration records kept by the Paying Agent, as

provided in the Ordinance. All Bonds or portions thereof called for redemption will cease to bear interest after the specified redemption date, provided funds for their payment are on deposit at the place of payment at that time.

With respect to any notice of optional redemption of the Bonds, unless, upon the giving of such notice, such Bonds shall be deemed to have been paid within the meaning of the Ordinance, such notice shall state that such redemption shall be conditional upon the receipt by the Paying Agent on or prior to the date fixed for such redemption of moneys sufficient to pay the principal of and interest on such Bonds to be redeemed, and that if such moneys shall not have been so received said notice shall be of no force and effect and the City shall not be required to redeem such Bonds. In the event that such notice of redemption contains such a condition and such moneys are not so received, the redemption shall not be made and the Paying Agent shall within a reasonable time thereafter give notice, in the manner in which the notice of redemption was given, that such moneys were not so received.

The Bonds are issuable as fully registered bonds in denominations of \$5,000 and any integral multiple thereof and are exchangeable for an equal aggregate principal amount of fully registered Bonds of the same maturity and interest rate of other authorized denominations at the aforesaid office of the Paying Agent but only in the manner and subject to the limitations and on payment of the charges provided in the Ordinance.

This Bond is fully transferable by the Owner hereof in person or by his or her duly authorized attorney on the registration records kept by the Paying Agent upon surrender of this Bond together with a duly executed written instrument of transfer satisfactory to the Paying Agent. Upon such transfer a new fully registered Bond or Bonds of authorized denomination or denominations of the same maturity, interest rate and aggregate principal amount will be issued to the transferee in exchange therefor, subject to the terms and conditions set forth in the Ordinance, including, without limitation, the payment by the person requesting the transfer of the cost of preparing each new Bond and any other expenses of the City or the Paying Agent incurred in connection therewith.

The City and the Paying Agent may deem and treat the person in whose name this Bond is registered as the absolute owner hereof, for the purpose of making payment (except to the extent otherwise provided hereinabove and in the Ordinance with respect to Record Dates and Special Record Dates for the payment of interest) and for all other purposes, and neither the City nor the Paying Agent shall be affected by any notice to the contrary.

The Paying Agent will not be required to transfer or exchange (i) any Bond subject to redemption during a period beginning at the opening of business 15 days before the day of the mailing by the Paying Agent of a notice of redemption of Bonds and ending at the close of business on the day such notice is mailed, or (ii) any Bond so selected for redemption in whole or in part after the mailing of notice calling such Bond or any portion thereof for prior redemption except the unredeemed portion of any Bond redeemed in part.

The Bonds shall not be transferable or exchangeable except as set forth in the Ordinance.

The Bonds do not constitute a debt or an indebtedness of the City within the meaning of any constitutional or statutory provision or limitation and shall not be considered or held to be general obligations of the City. The Bonds are special obligations of the City payable and

collectible solely out of and secured by an irrevocable pledge of net revenues derived from the operation and use of the municipal water system, electric light and power system, gas system, wastewater system and certain other systems designated by the City Council of the City, collectively comprising the City's utilities system (the "System"), which revenues are so pledged; the System does not include any Special Facilities, as defined in the Ordinance, and will not include any Special Facilities unless hereafter they shall have been expressly made a part of the System by the City; and the Owner hereof may not look to any general or other fund for payment of the principal of or interest on this Bond (the "Bond Requirements") except the special funds pledged therefor. The full faith and credit of the City is not pledged for the payment of the amounts due on the Bonds or under the Ordinance.

Payment of the Bond Requirements of the Bonds shall be made solely from and as security for such payment there are irrevocably (but not exclusively) pledged, pursuant to the Ordinance, revenues derived from the operation and use of and otherwise pertaining to the System (the "Gross Pledged Revenues"), after provision is made only for the payment of all necessary and reasonable expenses of the operation and maintenance of the System (such remaining revenues the "Net Pledged Revenues"), sums sufficient to pay when due the Bond Requirements of the Bonds and any other parity securities, parity credit facility obligations or parity financial products agreements heretofore or hereafter issued or entered into and to maintain a specified reserve for such purpose.

The Bonds are equitably and ratably secured by a lien on the Gross Pledged Revenues, and the Bonds constitute an irrevocable lien (but not necessarily an exclusive lien) upon the Net Pledged Revenues on a parity with the lien thereon of certain other outstanding utilities system revenue bonds of the City, certain parity credit facility obligations and certain parity financial products agreements. Securities, in addition to the Bonds, subject to expressed conditions, may be issued and made payable from the Net Pledged Revenues having a lien thereon subordinated and junior to the lien, or, subject to additional expressed conditions, having a lien thereon on a parity with the lien, of the Bonds in accordance with the provisions of the Ordinance.

The City covenants and agrees with the Owner of this Bond and with each and every person who may become the Owner hereof that it will keep and will perform all of the covenants of the Ordinance, including, without limitation, its covenant against the sale or mortgage of all or substantially all of the System unless provision shall be made for the payment of the Bond Requirements of the Bonds and its covenant that it will fix, maintain and collect charges for services rendered by and use of the System at least sufficient to produce Gross Pledged Revenues annually to pay the annual operation and maintenance expenses of the System and one hundred thirty percent (130%) of both the principal of and the interest on the Bonds and any other parity securities and certain other obligations payable annually from the Net Pledged Revenues (excluding reserves therefor).

Reference is made to the Ordinance and any and all modifications and amendments thereof for an additional description of the nature and extent of the security for the Bonds, the accounts, funds or revenues pledged, the nature and extent and manner of enforcement of the pledge, the rights and remedies of the Owners of the Bonds with respect thereto, the terms and conditions upon which the Bonds are issued, and a statement of the rights, duties, immunities and obligations of the City, and other rights and remedies of the Owners of the Bonds. A copy of the Ordinance is on file in the office of the City Clerk.

To the extent and in the respects permitted by the Ordinance, the provisions of the Ordinance or any ordinance amendatory thereof or supplemental thereto may be modified or amended by action of the City taken in the manner and subject to the conditions and exceptions prescribed in the Ordinance. The pledge of revenues and other security under the Ordinance may be discharged at or prior to the maturity or the prior redemption of the Bonds upon the making of provision for the payment thereof on the terms and conditions set forth in the Ordinance.

This Bond shall not be valid or obligatory for any purpose until an authorized signatory of the Paying Agent shall have manually signed the certificate of authentication hereon.

It is certified, recited and warranted that all the requirements of law have been fully complied with by the proper officers of the City in the issuance of this Bond; that it is issued pursuant to and in strict conformity with the Constitution of the State, with the Charter of the City and with the Ordinance and any ordinances supplemental thereto; and that this Bond does not contravene any Constitutional, statutory or Charter limitation.

It is also certified, recited, and warranted that the Bonds are issued under the authority of Article XX of the Constitution of the State, the Ordinance and the Supplemental Public Securities Act (as defined in the Ordinance). It is the intention of the City, as expressed in the Ordinance, that this recital shall conclusively impart full compliance with all of the provisions of the Ordinance and shall be conclusive evidence of the validity and the regularity of the issuance of the Bonds after their delivery for value and that all of the Bonds issued are incontestable for any cause whatsoever after their delivery for value.

IN WITNESS WHEREOF, the City has caused this Bond to be signed and executed in its name and upon its behalf with the facsimile signatures of the Chief Executive Officer of Colorado Springs Utilities and the Chief Planning and Finance Officer of Colorado Springs Utilities, all as of the date specified above.
