1. PURPOSE AND SCOPE OF THIS DISTRICT

A. Requirement for this Operating Plan.

The Business Improvement District Act, specifically Section 31-25-1211, C.R.S., requires that the Barnes & Powers South Business Improvement District (the "District") file an operating plan and budget with the City Clerk no later than September 30 of each year.

B. What Must Be Included in the Operating Plan?

The District's original 2004 and subsequent Operating Plans, previously approved by the City, are incorporated herein by reference, and shall remain in full force and effect except as specifically or necessarily modified hereby.

C. Purposes.

E. Contracts and Agreements.

Pursuant to an Intergovernmental Agreement, dated November 30, 2011, with Barnes & Powers North Business Improvement District ("IGA"), the intergovernmental expenditures represent transfers to Barnes & Powers North Business Improvement District to provide joint funding for the overall administrative and operating costs for the District and payment of capital infrastructure.

2. ORGANIZATION AND COMPOSITION OF THE BOARD OF DIRECTORS

A. Organization.

The Barnes & Powers South Business Improvement District was organized by the City of Colorado Springs, Colorado by Ordinance No. 04-50 on April 27, 2004.

B. Governance.

The District is governed by an elected Board of Directors.

C. Current Board.

The persons who currently serve as the Board of Directors are:

Timothy Seibert, President Christopher S. Jenkins, Vice-President David D. Jenkins, Secretary Delroy L. Johnson, Assistant Secretary Vacancy

Director and other pertinent contact information are provided in **EXHIBIT A**.

D. Term Limits.

The District's election in May 2012 included a ballot question to eliminate term limits pursuant to Article 18, Section 11 of the Colorado Constitution. The question passed.

E. Advisory Board.

The Board of Directors may appoint one or more advisory boards to assist the Board of Directors on such matters as the Board of Directors desires assistance. The Board of Directors shall, upon the appointment of an advisory board, set forth its duties, duration, and membership. The Board of Directors may provide rules of procedure for the advisory board or may delegate to the advisory board the authority to provide such rules. No advisory boards have yet been appointed to date.

3. BOUNDARIES, INCLUSIONS AND EXCLUSIONS

The District map is depicted in **EXHIBIT C**. The District does not anticipate inclusion or exclusion requests in the coming year.

4. PUBLIC IMPROVEMENTS

The District will be primarily concerned with the provision of public improvements and services within the boundaries of the District. However, there may be instances to provide improvements or services outside of the boundaries of the District. The District shall have the authority to provide these improvements and services, but the revenue-raising powers of the District to recoup the costs of extraterritorial improvements and services shall be as limited by state law.

The Public Improvements that the District anticipates it will construct, install or cause to be constructed and installed, include those Public Improvements the costs of which may, in accordance with the Business Improvement District Act, Section 31-25-1201, *et seq.*, C.R.S., lawfully be paid for by the District, including, without limitation, water services, safety protection devices, sanitation services, marketing, streetscape improvements, street improvements, curbs, gutters, culverts, drainage facilities, sidewalks, parking facilities, paving, lighting, grading, landscaping and storm and wastewater management facilities and associated land acquisition and remediation (the "Public Improvements").

5. ADMINISTRATION, OPERATIONS, SERVICES, PROPERTY OWNERSHIP AND MAINTENANCE

The District shall provide for ownership, operation, and maintenance of District facilities as activities of the District itself or by contract with other units of government or the private sector. The District operates and maintains the District-owned limited storm drainage facilities in accordance with the IGA mentioned above. The District does not have any employees.

6. FINANCIAL PLAN AND BUDGET

A. 2026 Budget.

The 2026 Budget for the District is attached as **EXHIBIT B**.

B. Authorized Indebtedness.

At an election held on May 4, 2004, the voters approved general obligation indebtedness of \$3,000,000 for street improvements, \$2,500,000 for parking facilities, and \$6,500,000 for refinancing of District debt. The voters also approved an annual increase in taxes of \$11,000, at a mill levy rate not to exceed one mill for general operation and maintenance. The election also authorized the District to retain all revenues without regard to the limitations contained in Article X, Section 20 of the Colorado constitution. On November 1, 2005, the District's electors authorized additional indebtedness of \$400,000 for water and \$125,000 for sanitary

sewer and storm drainage. As set forth in the District's 2004 Operating Plan, the City has limited the amount of debt to be issued to a total of \$2,200,000 in the authorized voted categories. This maximum debt authorization amount shall not be exceeded without express prior approval by the City. No additional debt authorizations are contemplated in 2026.

C. Maximum Debt and Operating Mill Levies.

The mill levy limitations in the original Operating Plan remain unchanged. The Maximum Debt Mill Levy is fifty (50) mills. The Maximum Operating Mill Levy is one (1) mill. The mill levy caps set forth in this paragraph may be subject to upward or downward adjustments addressing any Mill Levy Adjustment or any abatement occurring after, but not before January 1, 2004. Such upward or downward adjustments are to be determined by the Board of Directors in good faith (such determination to be binding and final) so that to the extent possible, the actual tax revenue generated by the mill levy, as adjusted for changes occurring after January 1, 2004, are neither diminished nor enhanced as a result of such changes.

D. District Revenues.

See 2026 Budget attached hereto as **EXHIBIT B**.

E. Existing Debt Obligations.

The District issued its \$835,000 Limited Tax General Obligation Bonds, Series 2007 ("Series 2007 Bonds") to acquire capital improvements that the developer built, as contemplated in the 2007 Operating Plan. The City approved the Series 2007 Bonds by Resolution No. 68-07.

In 2011, in order to complete the acquisition, development, construction and installation of certain storm sewer, street safety related improvements approved in the 2004 Election and to repay certain costs advanced by the developer for the organization of the District and administration of construction and bond requirements, the District issued its Taxable Subordinate Limited Tax General Obligation Bond, Series 2011, in the initial aggregate amount of \$73,549 (the "Series 2011 Bonds"). As required by the District's 2011 Operating Plan, the issuance of the Series 2011 Bonds was approved by Resolution 108-11 of the City Council.

F. Future Debt Obligations.

The District does not intend to issue bonds in 2026.

G. Developer Funding Agreements.

Any Developer Funding Agreements entered into by the District after January 1, 2023 shall be limited to a term of no greater than twenty (20) years, from the time of the first such agreement, after which time any remaining balances must be either

converted to Debt or shall no longer be considered an obligation of the District. The Interest Rate on any new Developer Funding Agreements entered into after January 1, 2023, shall not exceed the Index Rate plus 400 basis points, and interest shall only accrue on the principal balance.

H. Other Financial Obligations.

No other financial obligations of the District are anticipated in the coming year. The District does not currently have any outstanding developer advances.

I. City Charter Limitations.

In accordance with 7-100 of the City Charter, the District shall not issue any Debt instrument for any purpose other than construction of capital improvements with a public purpose necessary for development. As set forth in 7-100 of the City Charter, the total Debt of any proposed District shall not exceed 10 percent of the total assessed valuation of the taxable property within the District unless approved by at least a two-thirds vote of the entire City Council.

J. Limited-Default Provisions.

Limited tax general obligation bonds issued by the District shall be structured and/or credit enhancements provided such that the bonds cannot default as long as the District is imposing the required maximum allowed mill levy.

K. Privately Placed Debt and Related Party Privately Placed Debt.

Prior to the issuance of any Privately Placed Debt for capital related costs, the District shall obtain the certification of an External Financial Advisor regarding the fairness and feasibility of the interest rate and the structure of the Debt. The Interest Rate for Related Party Privately Placed Debt shall not exceed the Index Rate more than 400 basis points. Related Party Privately Placed Debt shall not be issued with an optional call date of greater than five (5) years from the date of issuance.

L. End User Debt Service Fee Limitation.

The District shall not impose an End User Fee for the purpose of servicing District Debt without prior approval of City Council.

M. Debt Not an Obligation of the City.

The debt of the District will not constitute a Debt or obligation of the City in any manner. The faith and credit of the City will not be pledged for the repayment of the debt of the District. This will be clearly stated on all offering circulars, prospectus, or disclosure statements associated with any securities issued by the District.

N. Land Development Entitlements.

The District shall not issue Debt, enter into any other Long Term Financial Obligation or certify a Debt Mill Levy unless a Land Development Entitlement has been approved for the Property.

7. MUNICIPAL OVERSIGHT OF DISTRICT ACTIVITIES

A. Audit.

The District agrees to submit an annual audit to the City Finance Department no later than March 31st of each year which is performed by an independent certified public accounting firm. Notwithstanding the foregoing, the District may submit a completed audit exemption application to the City Finance Department in lieu of an annual audit if the District qualifies for an audit exemption.

B. SID and Authority Formation.

The District affirms that it will provide an Amended Operating Plan and seek prior approval of City Council prior to formation of any Special Improvement District or Authority within its boundaries in the future.

C. City Authorization Prior to Debt Issuance.

In accordance with the City's Special District Policy, and notwithstanding any statements of intent in the Budget and Operating Plan, this District shall request and obtain approval of City Council prior to issuance of any Debt in accordance with the financing plan for the District as previously approved. The standards for City approval shall generally be consistency with the City's Special District Policy, as it may be amended, along with the most recently approved operating plan and budget and any requirements or limitations contained therein to the extent that they are consistent with the financing plans for the District.

D. Public Improvement Fees.

This District will not utilize any revenues from a new, increased or expanded public improvement fee ("PIF") unless specifically authorized in this or a subsequent operating plan and budget, or separately approved by City Council. The imposition of a PIF and any provisions for adjustment of a PIF that have been previously approved by City Council shall not be subject to this restriction.

E. Condemnation.

The Colorado Revised Statutes do not authorize BIDs to use powers of eminent domain. The exercise of eminent domain authority by any City-authorized district is also specifically prohibited without express prior City Council approval.

F. Concealed Carry Prohibition.

The District shall not adopt or enact an ordinance, resolution, rule or other regulation that prohibits or restricts an authorized permittee from carrying a concealed handgun in a building or specific area under the direct control or management of the District as provided in C.R.S. § 18-12-214.

G. Eligible Expenses of Costs for Reimbursement.

In addition to any limits or prohibitions contained in Colorado Revised Statutes, the District shall not issue debt for or otherwise fund any costs or expenses not allowed for by the Special District Policy.

H. Intergovernmental Agreements.

The District entered into an Intergovernmental Agreement, dated November 30, 2011, with Barnes & Powers North Business Improvement District, which provides for intergovernmental expenditures representing transfers to Barnes & Powers North Business Improvement District to provide joint funding for the overall administrative and operating costs for the District and payment of capital infrastructure.

The District was organized by Ordinance of the City of Colorado Springs on April 27, 2004.

At an election held on May 4, 2004, the voters approved general obligation indebtedness of \$3,000,000 for street improvements, \$2,500,000 for parking facilities, and \$6,500,000 for refinancing of District debt. On November 1, 2005, the District's electors authorized additional indebtedness of \$400,000 for water and \$125,000 for sanitary sewer and storm drainage. The voters also approved an annual increase in taxes of \$11,000, at a mill levy rate not to exceed one mill, for general operations and maintenance. The election also allows the District to retain all revenues without regard to the limitations contained in Article X, Section 20, of the Colorado constitution. Pursuant to the District's operating plan filed annually with the City, the maximum debt service mill levy the District can impose is 50.000 mills. As set forth in the District's 2004 operating plan, the City has limited the amount of debt to be issued to a total of \$2,200,000 in the authorized voted categories, without future approval by the City.

The District has no employees and all administrative functions are contractual.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those difference may be material.

Revenues

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The District's Board of Directors certifies the mill levy to the County by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget using the adopted mill levy imposed by the District.

The District has no capital or operating leases.

Reserves

Emergency Reserve

TABOR requires local governments to establish Emergency Reserves. These reserves must be at least 3% of fiscal year spending. Since substantially all funds received by the District are transferred to Barnes and Powers North Business Improvement District, which pays for all of the District's operations and maintenance costs, an Emergency Reserve is not reflected in the District's Budget. It is accounted for in Barnes and Powers North Business Improvement District.
