## **I. Introduction**

The original Consolidated Service Plan for Bradley Heights Metropolitan District Nos. 1-3 [originally named Rancho Colorado] was approved by the City of Colorado Springs (the “City”) on September 13, 2005, pursuant to City Resolution No. 163-05. The City approved an Amended and Restated Consolidate Service Plan on May 11, 2010, pursuant to City Resolution No. 67-10. On December 12, 2023, the City approved the limited First Amendment to the Amended and Restated Consolidated Service Plan ("First Amendment") for the Bradley Heights Metropolitan District (the “Districts”) pursuant to City Resolution No. 205-23 to amend the Maximum Operating Mill Levy for the payment of the Districts administrative, operation and maintenance expenses to what is authorized and permitted by Section G.1.2 of the City’s Special District Policy.

This limited Second Amendment to the Amended and Restated Consolidated Service Plan is submitted accordance with the requirements of Section 32-1-207(2) of Title 32, Colorado Revised Statutes, and the City’s Special District Policy, specifically Section E.19 “Limited Service Plan Amendment”. The singular purpose of this limited Second Amendment is to amend **Exhibit D** of the Amended and Restated Consolidated Service Plan describing the permitted services to be provided by the Districts to include ownership, operation and maintenance of internal alleyways located within the boundaries of the Districts.

The remainder of the Amended and Restated Consolidate Service Plan is left unchanged by this limited Second Amendment.

## **II. Description of Proposed Powers, Improvements and Services-Powers of the Districts and Service Plan Amendment-Operations and Maintenance Limitation [Section V.A.1]**

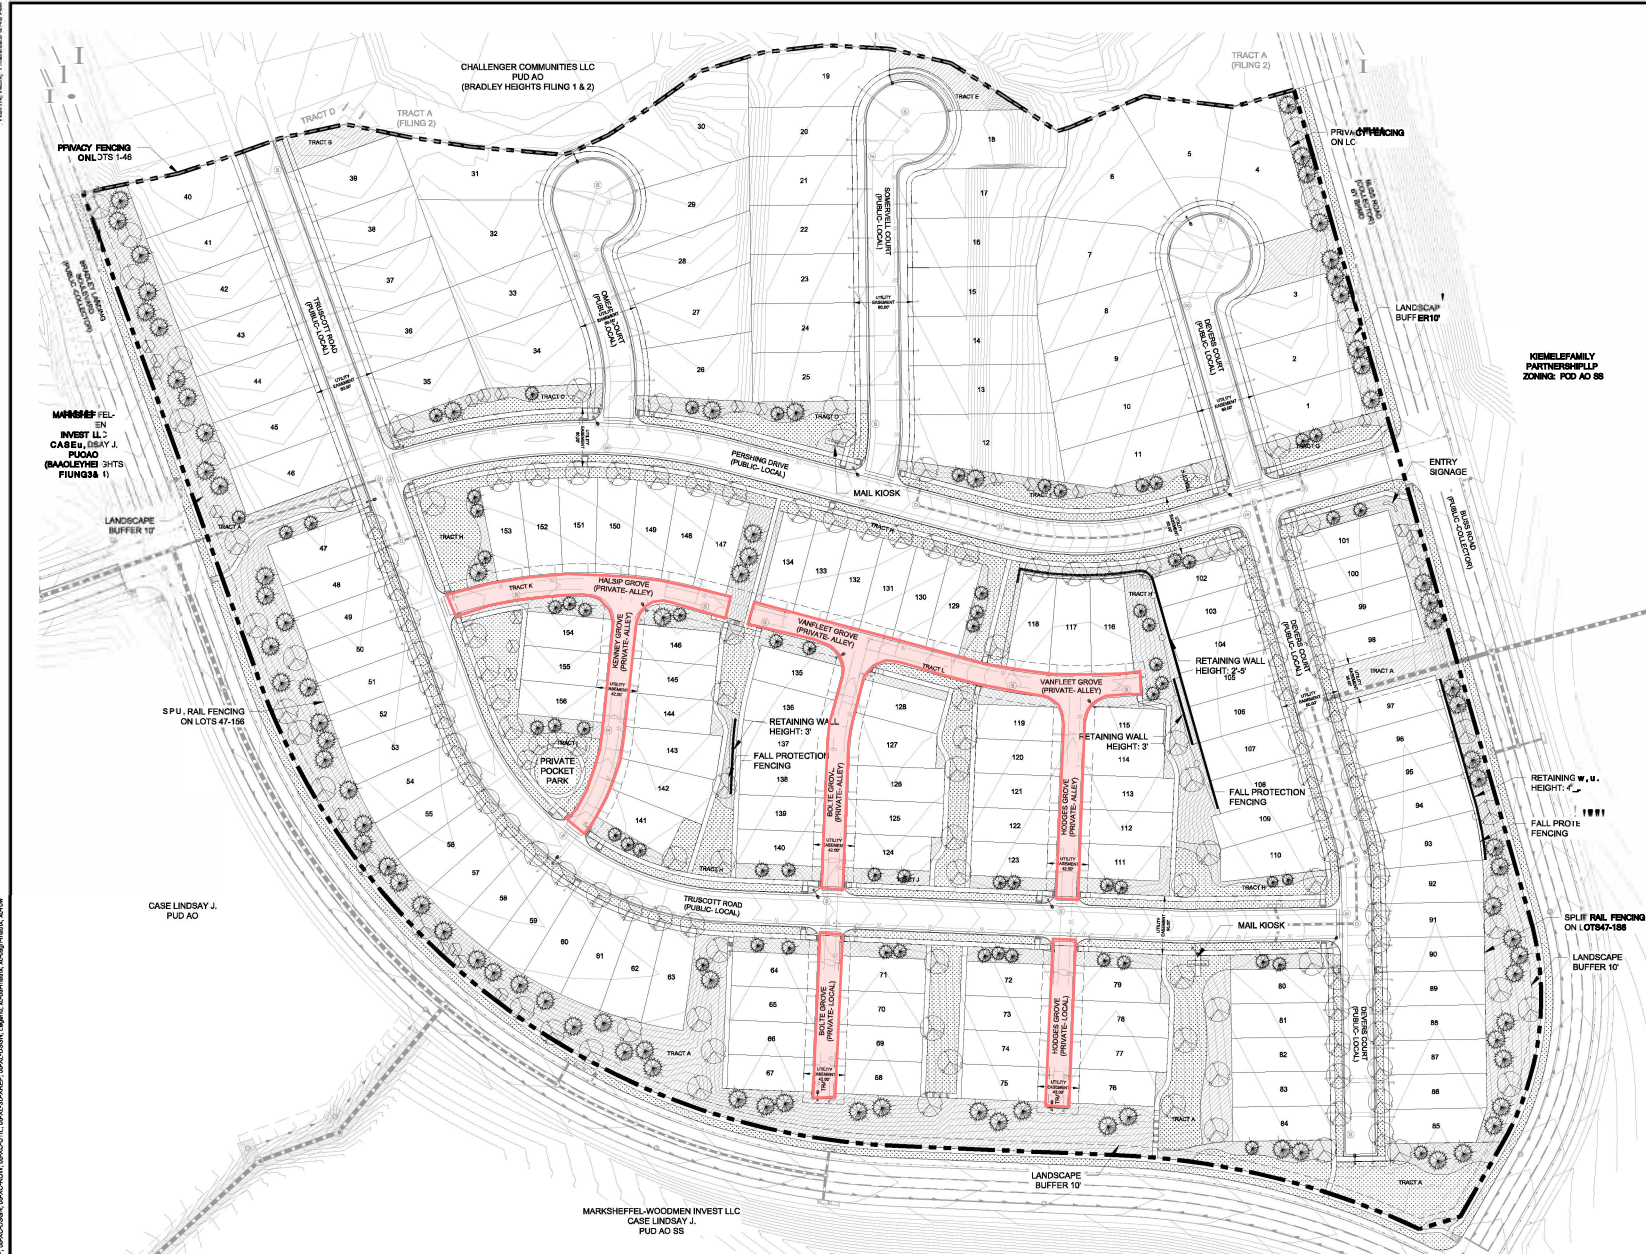

The Districts shall not be authorized to operate and maintain any part or all of the Public Improvements after such dedication, including park and recreation improvements, unless the provision of such ongoing operation and maintenance is specifically identified in **Exhibit D** attached hereto. In the City’s sole discretion, an IGA between the City and the District may be required in order to better describe the conditions under which these permitted services will be provided by the District.

This Second Amendment amends Exhibit D as follows:
