What is PACE

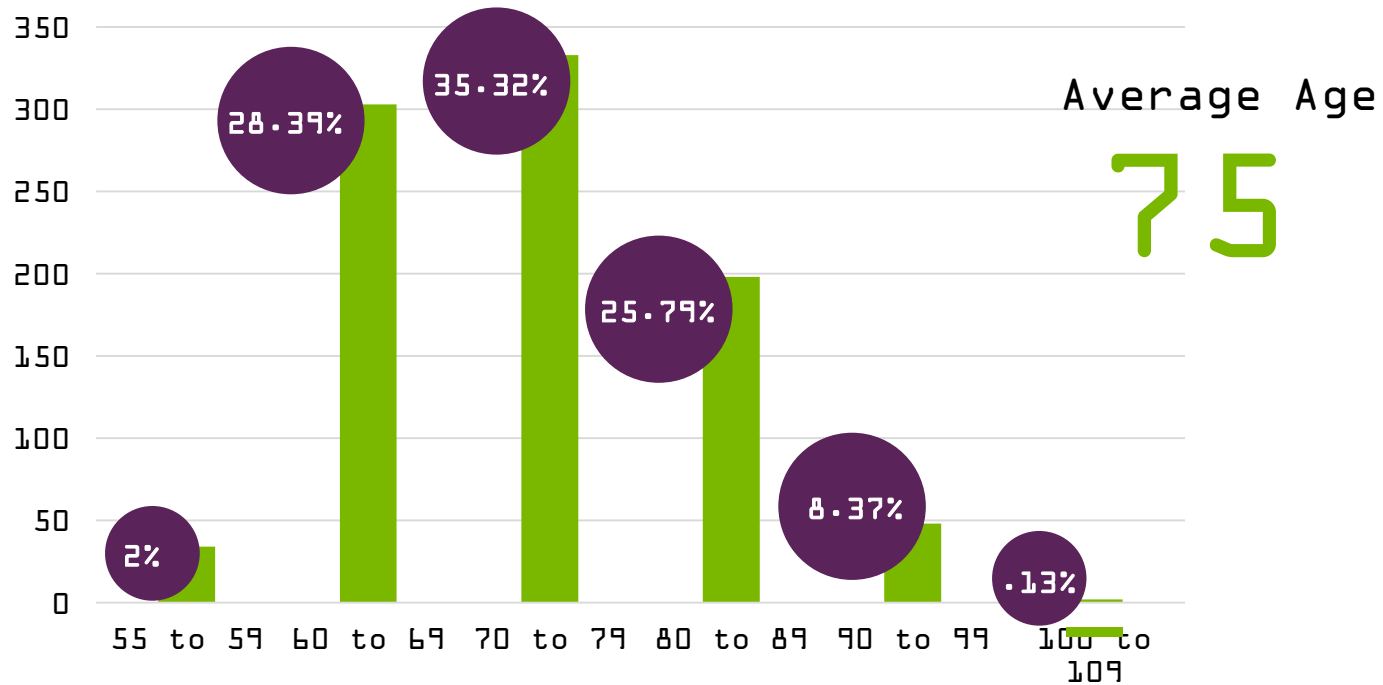

PACE is an acronym for **Program of All-Inclusive Care for the Elderly**

- PACE is designed to provide the entire continuum of care and services to frail seniors while being able to maintain their independence in their own home and community for as long as possible.
- Provides services through an interdisciplinary team (IDT)
- Is both a health plan and the provider of services
- Focused on a frail, disabled, and complex elderly population
- Provides complete and comprehensive care
- Provides full integration of services and benefits
- Is community-based

- Our comprehensive provision and coordination of services is our secret sauce.
