Re: Black Forest Road Addition No. 2 Annexation Project Statement

---

Black Forest Road Addition Number 2 annexation is for approximately 10,220 lineal feet of Black Forest right-of-way from the existing city limits located just south of Research Parkway and then north to Old Ranch Road, it also includes approximately 2,600 lineal feet of Research Parkway to the east of Black Forest Road. This annexation area is comprised of 21.879 total acres.

The City has received a quitclaim deed from El Paso County for this right-of-way being submitted for the annexation petition. Since the parcels being annexed are for right-of-way only there will be no requirement to establish a zone.
