Greetings,

I am the property manager of Astrozon Self Storage at 3710 Astrozon Blvd. I am writing regarding my concerns with relocating a marijuana cultivation center in this area. We are already dealing with excess crime and homelessness. Putting in a center like this would cause much harm to our already teetering community.

Thanks,

Glenn L Hodge

Allison,

Thank you for speaking with me earlier today.

Would you send me more information regarding development proposal CUDP-24-0011 including the review criteria?

We have struggled for many years trying to keep our shopping center as safe as reasonable possible. For example, several years ago we had to install a fence between our property and the one with the proposed development to reduce the crime at our center.

Once I receive more information about this development proposal, I intend to send an objection to it.
