

RESOLUTION NO. _____ - 25

A RESOLUTION ESTABLISHING THAT THE CITY OF COLORADO SPRINGS DOES NOT INTEND TO ADOPT AN ORDINANCE OR RESOLUTION IN ACCORD WITH C.R.S. § 31-23-316(2)(A)(I) OR (2)(A)(II) CONCERNING ELECTRIC VEHICLE CHARGING SYSTEM PERMITTING PROCEDURES

WHEREAS, the City of Colorado Springs, a home rule municipality organized pursuant to Article XX, Section 6 of the Colorado Constitution, regulates the construction, removal, repair, alteration, reconstruction, and use of buildings, including electric vehicle (“EV”) charging systems, through an intergovernmental agreement with the Pikes Peak Regional Building Department; and

WHEREAS, in the spirit of intergovernmental cooperation and partnership, the City of Colorado Springs (“City”) desires to assist the Colorado Energy Office by indicating the City’s intent to follow its existing permitting review process for EV charging system applications in response to C.R.S. § 31-23-316(2), without admitting that the requirements of said statute are lawful or mandatory as applied to the City.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF COLORADO SPRINGS:

Section 1. That the Code of the City of Colorado Springs 2001, as amended, provides sufficient, reasonable, and objective standards and administrative review processes for the review and permitting of EV charging systems, and said City Code is likely sufficient to address the requirements of C.R.S. § 31-23-316(2)(a)(II).

Section 2. That the City will continue to use its existing permitting processes to review applications for EV charging systems and, as a result, does not intend to adopt the EV Charger Permitting Model Code or other standards and processes provided by C.R.S. § 31-23-316(2)(a)(I) or (2)(a)(II).

Section 3. To the extent that C.R.S. § 31-23-316 requires further specific action or otherwise attempts to direct the City, including record-keeping or reporting as provided in C.R.S. § 31-23-316(2)(c), the City requests the State of Colorado provide additional

resources and direction regarding unfunded mandates.

Dated at Colorado Springs, Colorado this _____ day of _____, 2025.
